GANANOQUE

(From Our Own Correspondent.)

Sept. 4.—A pretty church wedding took place at 10 o'clock yesterday morning when Miss Clara Helen Jackson, daughter of E. W. Jackson, was united in marriage to William Herbert Wilmot at St. Lawrence Church, Pittsford, by Rev. William E. Long, in the presence of a large gathering of friends. The bride, a handsome young lady, was neatly attired in a wedding dress of grey silk pussy willow, with steel trimming, and black picture hat and wore a pretty corsage of pink roses. She entered the church with her father, and was given in marriage by him to Gladys Kainous, organist, played the wedding march as the bride party entered the church. The groom's gift to the bride was a beautiful brooch set with onyx, diamond and pearls. During the signing of the register, a solo was rendered by Miss Gladys Kainous, immediately following the ceremony and congratulations, the happy couple left in their automobile for Kingston, where a stop was made for dinner, after which they proceeded to Toronto to spend their honeymoon. Later they will take their residence in Pittsburg township, the groom being a prosperous young farmer residing a few miles east of Kingston. The bride was one of Pittsford's most popular young ladies. She received many beautiful and costly presents from friends, among them being two substantial cheques. Miss Nellie Lake, who has been teaching in the public school at New Liskeard for several years, has been appointed to the staff of the local public school, and has been assigned to the classes formerly taught by Miss Draper, who resigned at the close of the school term. Miss Earl, of Lansdowne, has also been taken on the teaching staff of the public school here. Owing to the weight of the dancers, the platform gave way at the dance Monday night at Cedar Knoll, and the dancing had to be transferred to the canoe club house. No one was hurt. Mr. and Mrs. Randolph Mills are spending this week in Toronto. D.

Bain, C. K. Wright, Fred Meggs and Stanley Meggs have returned from Gananoque Lake, where they went for the opening of the duck shooting season. Charles Deacon is attending the industrial fair at Toronto this week. The I. S. and T. Workers' Union of Gananoque held their annual picnic on Labor day to McNinch's Point, when about two hundred people turned out to enjoy the day and also the sports and games. Miss Gladys N. Sword has gone to Kingston to attend Business College. Burton Hamilton and Miss Nettie Hamilton spent the week-end in Kingston with friends.

Mountain Grove Boy Wounded. Mountain Grove, Sept. 3.—The rain Saturday was much needed here and all were glad of the shower. The farmers are all nearly through harvesting and report a good crop. Among those attending Toronto fair are Misses Agnes and Evelyn Price, James McDonald, Miss Bessie Price, Mrs. A. Sanderson and daughter. Arthur Price motored to Toronto on Sunday. Miss Grace Thompson, Toronto, is home for a few days. Cecil Cronk was at Long Lake for Sunday. Miss Annie Price has taken charge of a school near Napane. Mrs. F. Abbott has returned to her school at Roblin. John McDrommon has taken charge of Crow Lake school. Miss M. Sanderson has returned to her school in Kingston. Schools are reopening here with Miss M. Drew, Miss H. Greene, Miss Vera MacDonald and Miss U. McDonald in charge. Mrs. J. Butterill, Godfrey, is visiting friends here. Mrs. A. Cronk has received word that her son, Pte. H. R. Cronk, of the 43rd Battalion, has been wounded. Ernest and Russell Armstrong, Fall River, motored to Alexander McDonald's on Sunday. Miss Grace Luck, Sharbot Lake, visited her sister, Mrs. George Sweet.

Gnr. Earle McCabe Killed. Cobourg, Aug. 31.—Word has been received here that Gunner Earle McCabe has fallen in action on the western front. He was a son of Thomas McCabe, G. T. R. engineer, Belleville, and went overseas with a recent draft from the Cobourg Heavy Battery. He was a very popular young man.

LABOR SERMONS PREACHED

By Rev. W. J. Parsons at Glenvale, Harrowsmith and Wilton.

Odessa, Sept. 2.—Special services were held in the Presbyterian churches of Glenvale, Harrowsmith and Wilton on Sunday, when Rev. W. J. Parsons resumed his services after his vacation. Mr. Parsons' theme was "Christ's relation to Labor." In the course of his sermon Mrs. Parsons affirmed her belief that Christ is as interested today in the affairs of the workers as he was in the days of his flesh. Mr. Parsons believes that Jesus Christ is interested in the kind of houses men have to live in and the hours they work and their social condition. At the same time the preacher also emphasized the need of labor to cooperate with capital and that the adoption of the golden rule by employer and employee would solve the vexed questions of industrial strife.

Mr. Parsons emphasized the fact that it was only right for an employer to give his employees an adequate remuneration for their labor so also was it necessary for the employees to render a fair day's work for a fair day's pay. Jesus wants men to be worth while. The services were well attended, especially the evening service at Wilton, when the church was full. A very special feature of the services was the music rendered by Mrs. Bernard Mills at the organ and Mrs. Margaret Letteney violinists. These ladies gave very signal service, their exquisite taste being evident in the selection of music and also in the very sympathetic manner in which the same were rendered. It is a great help to our rural churches when services such as these can be arranged.

ON FURLOUGH TOGETHER.

Two Mountain Grove Boys Get Leave From France. Mountain Grove, Aug. 31.—George Somers of this village received a cable message from England recently that his son, Sergt. W. K. Somers and Corp. D. Bruce MacDonald were on furlough in England and Scotland. Sergeant Somers is the second son of Mr. and Mrs. G. Somers of this place. Prior to his enlistment he had a position in the west. There he joined a western battalion and proceeded overseas in the medical corps. He has served almost two years in France, performing the time as stretcher bearer, but of late has had command over a small squad of men in France. Corp. MacDonald is the eldest son of Mr. and Mrs. D. MacDonald of this place and has spent very close to two years in France. Before enlisting he had spent six years clerking in the village store. He has passed his twenty-fourth birthday in France. He enlisted in the 146th Battalion. After landing in France he took the machine gun course and served his King and country in that section. It has been six months some times before they met each other, but they have always taken an interest in each other's welfare. They keep in touch by correspondence. Sergt. Somers has his youngest brother in England, too young to go to France. The many friends of the boys here hope for their safe return to the land that gave them birth.

WEDDED IN KINGSTON.

Mountain Grove Bride Taken by Young Battersea Farmer. Mountain Grove, Sept. 3.—An event of much interest to many took place in Kingston on Wednesday, Aug. 28th, when Miss Winnifred G., eldest daughter of Mr. and Mrs. A. W. Thompson, was united in marriage to Ralph Sleeth, youngest son of the late George and Mrs. M. Sleeth. The ceremony was performed by Rev. J. A. Waddell. The bride looked very pretty dressed in a suit of brown moire silk and hat of French velour with veil to match. Immediately after the ceremony the happy couple left for Toronto. On their return a reception was held at the bride's home, where only the immediate relatives were present. The numerous and costly presents received show the high esteem in which the young couple are held. They will reside at Battersea, where the groom is a prosperous farmer.

The death occurred at Morewood, on Friday last, of Annie Philip, wife of H. H. Gibson, Ottawa, and daughter of Rev. Dr. William and Mrs. Philip, of Morewood.

Nasty Throat Droppings Catarrhal Discharge Quickly Cured

Doctors recommend Catarrhazone. It is nature's own cure. It drives out the germs, heals sore spots, cleans away every vestige of Catarrhal taint. DOINGS AT WOLFE ISLAND

SOME CHANGES BEING MADE AT THE LANDING PLACE

Farmers Report a Good Yield of Grain and the Quality of the Very Best—Father Fleming Purchased a Farm.

Wolfe Island, Sept. 3.—It is only a matter of a short time until the casual traveller will not know the Wolfe Island landing place. The storehouse which has stood the breezes for over forty years has been razed. It was erected by the late McRae brothers. Workmen are engaged widening the wharf. A city architect has plans out for a bungalow shaped waiting-room, to be erected on the centre of dock, and a walk will be laid from it up to Main street. The steamer made her usual trip to Amherst Island Monday. On every side is heard nothing but praise for the captain and crew for their kind treatment to the large numbers who have taken advantage of the excursions every week.

Farmers report a good yield of grain and the quality of the best. Hay buyers are offering \$15 per ton in the barn. Mr. and Mrs. Archibald Staley are in Toronto, visiting their son, Dr. Austin, and also attending the exhibition. Mr. and Mrs. Peter Ward, Waterloo, N.Y., spent the week-end on the island. Mr. McDonald and son, Roy, motored here from Detroit. They were accompanied by his sister, Mrs. wife. Rev. Father Fleming has purchased Thomas O'Reilly's farm. Rumor states that he will turn it into a stock farm. Owing to ill-health, the owner disposed of this farm. Walter Yott has purchased David Bustard's farm. It is stated that Richard Laughlin will shortly move to Watertown, N.Y. Mr. Hawkins left, yesterday, with Armordale, for Waterloo, N.Y. A large number of handcarriers left today for Watertown to see the famous pacer, of whom they are justly proud. Rev. Mr. and Mrs. Morrison and family, city, have been the guests for the past week of Mr. and Mrs. John McDonald.

HOW LIEUT. COL. JONES MET DEATH IN FRANCE

Bullet Entered His Body Under the Right Arm—Died Soon Afterwards.

The first particulars to reach Brockville regarding the death of Lieut. Col. Elmer W. Jones of the 21st Battalion, came this morning in a letter from Lieut. George Woodcock to his parents, Rev. Canon F. D. and Mrs. Woodcock. In his letter Lieut. Woodcock said: "Of course you have seen by the papers what we have been doing lately. It was very tiring but great fun and I never had such a good time as I did in the attack until Col. Jones was killed and that spoiled it for us. We made three all-night marches to get to the rear of our jumping-off place and then on Wednesday night we started at twelve o'clock and moved up into position. Of course we were all pretty well keyed up because we did not know whether the Hun knew anything or not and he put a nasty little strafe on for an hour before we went over. It might have been serious as we were jammed into the trench, but fortunately we did not have a casualty. At 4.20 o'clock everything broke loose and away they went, but I was obliged to wait for a while, and finally our party got off. It was so foggy that we could only see about ten yards ahead of us and simply shoved up his hands whenever we came near and the prisoners were simply coming back in droves. There was a very nasty machine gun fire coming from the right flank and it was this that got Lieut. Col. Jones. I got to him first and saw with the help of a couple of Huns we got a first aid dressing on, but it was easy to see that he was gone. The bullet entered under the right arm, pretty well back and as there was no hope for him, we left him with the Padre and went on. Afterwards, as we made our objective and had a little sleep.

GO TO DETROIT CHARGES.

Two Brantford Clergymen Called to Churches Across the Border. Detroit, Sept. 4.—Two Brantford clergymen have been called to assume charge of Detroit pastorates, and have accepted. Rev. William Bowyer, of Calvary Baptist church, Brantford, has been named to succeed Rev. Frank B. Gaggard at Warren Avenue Baptist church, one of the largest in the city, while Rev. Lowell Brown, now in charge of First Baptist church at Brantford, has accepted a call to the pastorate of Grand River Avenue Baptist church here, succeeding Rev. McKee White, who resigned a year ago on account of ill-health.

WOMEN MAN GERMAN SHIPS.

Officers, Except Captains, Engineers, Stokers, All Females. Haparanda, Sept. 3.—German ships are arriving at Ulea with their captains the only men aboard; officers, engineers and stokers being all women. This illustrates the shortage of German manhood. Finnish papers have ceased publishing the war communiques. Canadians Lead. Ottawa, Sept. 4.—Advices received here from the recent competitions in physical training and bayonet fighting held at Aldershot, England, the Canadians took first place in two competitions. In one case they were 58.72 points over the average; in another they were 55.72 points over the average. The first death in the ranks of the Canadian Engineers' Depot, since it came to Brockville, occurred on Saturday, when Sapper Alexander Anderson passed away in the General Hospital, after an illness of three days from a fever. His home was in Minneapolis, Minn. Mushrooms have appeared in unprecedented numbers in Peel county during the past few days. Eight of the twelve Halifax aldermen have resigned, and it is said the others will also do so.

Letters to the Editor

A Reply From Joyceville. Joyceville, Sept. 3.—To the Editor: Will you kindly give space in your column for a reply to the Lampman, who comments on the people of Joyceville, who were "twisted," as he states, in your issue of August 31st. Permit me to say that it was the schoolmaster who was "twisted," as he only strengthened the opinion of many of those present, and the one he thought "twisted" by stating that the party he came in behalf of was not a pilot capable of operating an aircraft, but only an observer. So will the Watchman kindly get his information from the people, as well as the schoolmaster, may know matters just as they were and are not as somebody else stated them. —WIM. A. MACPARIAND.

TO SAVE WHEAT CROP.

Ten Thousand Acres of Grain Said to Be Lying on Ground. Brandon, Man., Sept. 3.—A public meeting of Brandon citizens on Sunday afternoon called on the business men to close their stores at 4.30 for the next two weeks to enable the men to go into the harvest fields and stook the grain. Ten thousand acres of grain are said to be lying on the ground. Gangs that went out last week stooked about 4,000 acres. Citizens and people in the district are asked to shop early, making the early closing of the stores possible. City men who have not done so are asked to register as stokers and motor-car owners to volunteer to take gangs to wheat fields. London's new Technical School one of the largest and most up-to-date in the Dominion, was opened. An order in Council empowers the War Trade Board to co-ordinate the output and orders of iron and steel.
