At the Toronto Exhibition crowds stood around the exhibit of Brunswick Phonographs and were absolutely astonished at the clearness and naturalness of the Brunswick with the Ultona Sound Box, playing Brunswick, Edison, Pathe, Victor and Columbia records with changing to any different parts or pieces. The Scrimmage Buck to Be Eliminated This Coming Season.

If the spirit and enthusiasm which revailed at the semi-annual meeting of the Ontario Rugby Football Union Thursday night at the Central Y. M. . A, in Toronto, is any criterion, then the season of 1918 is going to be well worth remembering. The meeting was the best since the war, for nearly forty delegates attended it, and entered into the various discussions with the proper zest. President John DeGruchy opened the meeting and reviewed the last season and paid fitting tribute in passing to the late John Ross Robertson, Lieut. Jimmy Hewitt, Lieut, Allan McGiffin and Flight-Lieut. Harry Querrie. The outstanding feature of the

meeting was the decision to eliminate the scrimmage buck. The discussion surrounding this move was very lengthy, but a vote showed clearly that the majority were in favor of the old snapback rule, despite considerable apposition in some circles. It was announced that the Hamilton Collegiate team was seriously considering joining the interscholastic group. The city leagues will handle the junior groups for the O. R. F. Five teams have signified their intentions of competing in the proposed senior patriotic series, four from Toronto and one from Hamilton. Where all the senior players are going to come from locally it is hard to say, but the representatives of the teams who were at the meeting seemed to be perfectly satisfied on that score. It is likely that the season will open on the last Saturday of this month.
