NEW CLASSIFIED ADVERTISING RATES

Owing to the greatly increased cost of newsprint, ink, labor, etc., the British Whig has been obliged to advance its advertising rates somewhat.

One Insertion (25 words or less) .25 Three Insertions (25 words or less) .50 Six Insertions (25 words or less) \$1.00 One Month (25 words or less) \$2.00

If advs. are to be charged, the rates will be double those above quoted.

The cost of sending out a man to collect small accounts to-day amounts to more than the total revenue derived from such advertising. Hence the increase.
