NEW CLASSIFIED ADVERTISING

Owing to the greatly increased cost of newsprint, ink, labor, etc., the British Whig has been obliged to advance it adertising rates somewhat. A sincers effort has been made to minimize the advance as much as possible. The increase now announced applies only to classified advertising, and then only when it is charged. When cash accompanies the copy, the following old rates will prevail.

Six Insertions (25 words or less) \$1.90 ash subsequent, consecutive insertion.

advis. are to be charged, the rates will be double those day amounts to more than the total revenue derived from such

advertising. Hence the increase.

One Insertion (25 words or less)
