NOTICE—MILITARY SERVICE ACT, 1917

MEN EXEMPTED AS FARMERS

Having in view the importance of leaving a sufficient number of men on those farms, which are actually contributing to the National Food Supply, notice is hereby given as follows:

1. ALL MEMBERS OF CLASS I POSSESSING EXEMPTION AS FARMERS which is expiring and WHO WISH TO REMAIN EXEMPT should communicate with the Registrars under the M.S.A., of their respective districts, REQUESTING AN EXTENSION IN TIME OF SUCH EXEMPTION. Questionnaires will thereupon be issued to these men by the Registrar and they will receive further exemption upon furnishing satisfactory proof that they are contributing sufficiently to the National Food Supply.

2. In order to facilitate productive employment during the Winter months, MEN EXEMPTED AS FARMERS SHOULD APPLY TO THE REGISTRARS FOR PERMITS TO ENGAGE FOR THE WINTER IN SOME OCCUPATION OF NATIONAL INTEREST, SUCH AS LUMBERING, MUNITION WORK, ETC. Such permits will serve to enable exempted farmers to pursue other useful occupations for the months during which farming operations cannot be carried on.

MATHIEU'S SYRUP OF TAR & COD LIVER OIL

CURES

Coughs, Colds, Grippe, Bronchitis, Whooping Cough, Asthma, Etc.

MATHIEU'S SYRUP is a sovereign tonic combining the curative properties of TAR and the strengthening virtues of COD LIVER OIL.

Colds, when neglected or badly treated give rise to consequences of such a grave character that you should not risk using inferior preparations.

MATHIEU'S SYRUP is the only genuine remedy whose reputation has caused to crop up many imitations of doubtful value.

ST. JOHN'S AMBULANCE

THE ANNUAL MEETING OF THE KINGSTON BRANCH.

Major H. C. Wotherspoon Elected President and Mrs. A. D. Flisken Secretary-treasurer — Kingston Stands Well With Regard to Candidates.

The annual meeting of the Kingston branch of St. John's Ambulance Association was held on Wednesday evening. The president, Archdeacon Dobbs, opened the meeting with prayer, and the secretary, Mrs. A. D. Flisken, presented her report. Reference was made to the death of Miss Eleanor Macdonell, who had been a most zealous worker. The chairman outlined the work of the year, which showed that Kingston stood fourth in the number of candidates who took the first aid and nursing examinations in Canada, and seventh in the number who passed the examinations and secured the certificate of qualification. The training of the candidates is continuous and examinations are held twice each year. The certificate obtained in Canada is recognized overseas.

The education given by the association is of great value in preparing the science of health throughout the community. The field of work extends to railways and factories, which are required to have persons available to administer first aid in emergency. The report of the general executive committee for 1917 shows that since 1911, the first year of the association's instructional activities, 62,923 candidates passed through the various courses of study provided, 41,522 were successful in securing certificates and 6,154 received awards for re-examinations. The record for the year 1917 showed the work to be increasing in every department.

Excellent results were reported from railway centres, 573 employees of the Government railways receiving first aid instruction, and over 3,000 accident cases were given first aid treatment. The Canadian Pacific Railway centre, in addition to railway work, has inaugurated classes in first aid on all steamships of the Canadian Pacific Railway Steamship Company and during the year many ship's officers and men qualified for certificates. Since the outbreak of the war 7,592 employees of this company have enlisted for overseas service. Practically every one of them was a "first aider," constituting a splendid auxiliary to the army medical and ambulance services.

As a result of the introduction of first aid among the troops in Canada the policy was continued overseas and has become one of the most essential features of soldiers' efficiency. The Canadian branch of the St. John's Ambulance Association has received many congratulatory messages from officers and men at the front, in testimony of the high esteem in which our training is held.

The following officers were elected: Honorary president, Brig.-Gen. T. D. R. Hemming, C.M.G.; honorary vice-president, Col. G. Hunter Ogilvie; honorary second vice-president, J. E. Walkem, K.C.; president, Major H. C. Wotherspoon, secretary, Prof. J. Martin; secretary-treasurer, Mrs. A. D. Flisken; executive committee, Archdeacon O. G. Dobbs, J. J. Macdonell, Col. J. S. N. Leslie, Mrs. G. H. Ogilvie, Miss Ida Ronan, Mrs. J. Martin. A number of new members were added to the association.

Candidates for the V.A.D. courses make application to the secretary of the local branch and the training is given through this branch, but after the course has been completed the nurses come under the supervision of the brigade overseas, Mrs. G. Hunter Ogilvie, who has the assignment to duties in Canada of V.A.D.'s have gone overseas and it was with regret that the secretary announced that the expenses were borne by the Toronto branch.

Major H. C. Wotherspoon, the new president, on assuming the chair, made an appeal for stronger support in the Kingston centre.

STRICTER RULES FOR FREIGHT SHIPMENT

The Lax Methods of Packing and Marking Must Not Continue.

Montreal, Oct. 3.—Mountains of freight stacked outside the doors of the railway freight sheds for a long time being are, in the interests of the public, better," according to the Secretary of the Canadian Railway War Board, "than allowing the old lax methods of packing and marking shipments to continue. New rules have been put out covering the point, and shipments will be rejected by all the roads unless they are observed. Slack methods of marking cause shipments to go astray. Bad methods of packing cause damage and loss. The new rules are directed toward increased efficiency. It is absolutely imperative that they be lived up to."

The official explained that the congestion referred to had not so far taken place, but that such a thing might happen unless the rules were complied with. Boards of Trade have been notified.

\$2.50 WHEAT IN 1919.

Committee Will Urge Action on President Wilson.

Washington, Oct. 3.—Senators and Representatives from wheat growing states and officials of the National Wheat Growers' Association, in conference here, decided to appoint a special committee to urge upon President Wilson immediate action fixing the price of wheat for 1919 at \$2.50 a bushel.

The president will be told that this price is necessary for the protection of most wheat growers of the country, who under the present price of \$2.20 a bushel plus the freight differential will not be able to raise wheat at a profit. Appointment of a special committee to investigate the cost of wheat production also will be requested, it was announced, but in the meantime an increased price will be sought.

Keeps Children Well Makes Them Robust

HERE IS GOOD ADVICE FOR THE HEAD OF EVERY FAMILY

Rapid growth, work at home and in the school-room, are sure to tax the strength of every child, and often prove the beginning of a chain of weakness that lasts through life.

Give your sons and daughters a fighting chance! Give them good home surroundings, fortify them with education—but above all else do everything possible to insure for them perfect health in years to come. In no way can you destroy weakness and build up health so surely as with Ferrerozine. It's the concentrated nourishment in Ferrerozine that enables it to do so much good. It contains the very elements that are needful in building up bone and sinew, in vitalizing and strengthening the blood. The appetite Ferrerozine brings will gladden any parent's heart, and when color, spirits, vim, and energy increase day by day then you know what grand work Ferrerozine is doing. Because it makes and keeps you healthy, because it is pleasant, harmless and sure to do enormous good to you and your children should use Ferrerozine every day. Sold by all dealers in 50c boxes, six for \$2.50.

CANON W. F. FITZGERALD

HAS GONE TO DO VOLUNTARY CHAPLAIN SERVICE OVERSEAS.

He Will Act Without Remuneration and is Paying for Supply at St. Paul's Out of His Own Pocket.

Rev. Canon W. F. Fitzgerald, M.A., rector of St. Paul's church, this city, and chaplain to the Lord Bishop of Ontario, and a very prominent and popular gentleman in ecclesiastical, civil and military life, proceeded to-day to the port of embarkation for overseas. During his absence he will act as honorary transport chaplain, and in all probability will visit the C.E.F. in France and at the front.

Because of the scarcity of clergy, the needs of the diocese and the importance of his work at St. Paul's, the bishop can only grant the canon a short leave of absence. Until his return Rev. J. W. Jones, secretary of synod, has accepted full charges of St. Paul's church, and will officiate there on Sundays and do all he can to "carry on" until Canon Fitzgerald's return.

Since the outbreak of war Canon Fitzgerald has been acting as honorary chaplain to some of the troops quartered in the city, and has spent much time in cheering the returned soldier in the local convalescent centres. His going away was his great desire, and while he will be missed we wish him "God-speed and a safe return."

Canon Fitzgerald undertakes the work overseas without remuneration, and is himself paying for the clerical supply at St. Paul's. Twelve nephews of Canon and Mrs. Fitzgerald are serving in the British army. Canon Fitzgerald carries with him glowing testimonials from the Bishops of Montreal and Kingston and from Brig.-Gen. Hemming.

Children's Aid Meeting. Complaints brought against foster parents of a ward of the Children's Aid Society were investigated by the agent, and in a report submitted by him at the monthly meeting on Tuesday afternoon it was shown that she was well cared for and was receiving good training. Agent Pollie recommended that no change be made in the present arrangement.

During the month the agent visited a number of the wards. Two girl wards were released from supervision, having become happily married.

KINGSTON EVENTS 25 YEARS AGO.

Commander Booth, of the Salvation Army will visit here next month. Great preparations are being made for his visit.

Mrs. M. Beaton, of Kingston, won a prize at the world's fair, Chicago, for a crochet bedspread.

Capt. Augustus was appointed storekeeper at Fort Frederick.

SEVERE RHEUMATIC PAINS DISAPPEAR

Rheumatism depends on an acid which flows in the blood, affecting the muscles and joints, producing inflammation, stiffness and pain. This acid gets into the blood through some defect in the digestive processes, and remains there because the liver, kidneys and skin are too torpid to carry it off.

Hood's Sarsaparilla, the old-time blood tonic, is very successful in the treatment of rheumatism. It acts directly, with purifying effect, on the blood, and through the blood on the liver, kidneys and skin, which it stimulates, and at the same time it improves the digestion.

Get Hood's Sarsaparilla today. Sold by all druggists.
