TWICE NABBED BY POLICE INCIDENTS OF THE DAY

TWO YOUNG MEN WENT AROUND WITHOUT REGISTRATION CARD.

First Taken in Charge by City Police on Charge of Disorderly Conduct—Paid Fine and Then Dominion Police. Shortly after five o'clock on Tuesday morning, Constables Graham and Clark placed under arrest Alexander B. Gordon and William Emmons, two able-bodied young men as they came out of a house on Place d'Armes and they were locked up on a charge of disorderly conduct.

The evidence of Sergt. Arnel showed that several complaints had been made about the house, and as a result the two constables were placed on watch. Ald. R. E. Kent, who presided on the bench, in the absence of Magistrate Farrell, who was called to Utica, N.Y., owing to the death of his nephew, imposed a fine of \$10 and costs on each of the offenders. But this was not all. Just as the two paid their fines and were about to walk out to once more breathe the fresh air members of the Dominion police force were on hand and took them in charge, as the evidence of the city police showed that the two men were minus their registration cards, when they were corralled. The law states that every person must carry his registration card.

Gordon stated that he lost his original card and had a letter from the registration department asking him to see the postmaster and get another, but Sergt. Arnel informed the court that this letter was dated August 29th, so this showed that Gordon was not in any hurry to comply with the laws of the land. Emmons said his card was at his own home. He did not carry it with him unless he went out of town. The two were handed over to the depot battalion.

THE GREAT WAR VETERANS

THINK KINGSTON SHOULD GIVE BETTER RECEPTIONS

To the Returned Soldiers—A Committee Appointed—Secretary W. F. Smith Has Resigned. The Great War Veterans' Association met on Monday evening, October 7th, at the Hotel Dieu. Comrade W. Bowker, second vice-president, occupied the chair, and expressed his hope that the president, Lieut.-Col. Crocker, would be with the association for the meeting a week later. Interesting reports were received from the following: Comrade Spargo, membership; Comrade Smith, dances; Comrade Bailey, investigation and complaints; Comrade Howe, whilst drives; Comrade Warburton, billiard tournament; Comrade W. Hazlett, sports. Things look very promising for the coming season with the good live committees the association has working.

There was a good deal of discussion on the subject of the recognition Kingston gives to the returning soldier. The old town certainly has nothing to be proud of. It has often been said that Kingston gives her boys the coldest reception of any town in Ontario. Toronto always has crowds on hand, and several members of the staff at the station, and it was the opinion of the members that Kingston might well do the same, and plans were laid to make preparations for proper receptions in the future. Comrade Howe was appointed chairman of a committee of eighteen members for this purpose. The Geo. Richardson Chapter I. O. D. E. will co-operate with the members.

The recognition of Comrade E. J. Allen, a member of the executive, who has left to take up duties at Cobourg military hospital, necessitated the election of a member to take his place. A ballot was taken with the result that Edward Sleeth was elected. (The association feels the loss of Comrade Allen very keenly, but it has a strong man in Comrade Sleeth to take his place.)

Arrangements for the dance to be held in the City Hall the latter part of this month were left in the hands of the present dance committee. The dance will be held under the patronage of the Municipal Chapter I.O.D.E.

An executive meeting was held immediately after the regular meeting, when the resignation of the secretary-treasurer, W. F. Smith, was accepted with regret. Mr. Smith's resignation takes effect the end of October, and his position will be filled by Comrade Eytan Warburton, at present on the staff of the paymaster, M.D. No. 3.

MANY INFLUENZA CASES

But the Most of Them Are of a Light Nature

The medical health officer reports that there are many cases of influenza in the city, but most of them are of a light nature. Some have developed into pneumonia. The people are again urged to take the precautions advised by the health officer in a proclamation published in the local daily newspapers. There is no doubt that the cold and wet weather of the past few weeks accentuated the spread of influenza. With the coming of sunshine, the medical health officer expects that the epidemic will be stayed. There is nothing like sunlight for getting after germs. To get out in the sun is a preventative against disease.

Successful Evangelists

PROCEEDS TO TORONTO FOR INSTRUCTIONS

E. E. Horsey Issues Coal Orders

—Dealers to Sell Till He Returns.

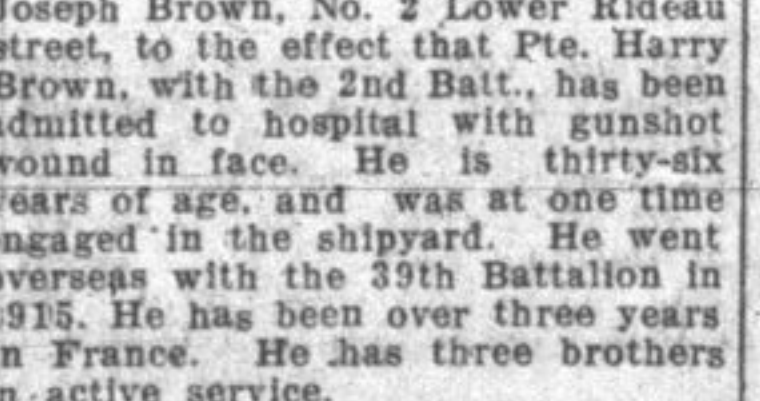

Edwin E. Horsey, Kingston's newly-appointed fuel commissioner, left this afternoon for Toronto, where he will consult with the Ontario Fuel Controller with regard to the details of his work. An office has not yet been found in the city buildings for him, but the property committee will make the necessary arrangements at once.

This morning a coal dealer refused to sell any coal until applicants secured orders from the fuel commissioner, and Mr. Horsey had to issue several. However, the dealers will continue to sell coal as usual until Mr. Horsey returns from Toronto and takes office.

The Late Mrs. Kent Martin.

A death which caused widespread regret occurred on Monday night at 8.30 o'clock, when Mrs. Martin, wife of G. Kent Martin, business manager of the Kingston Standard, passed away after a very brief illness.

Mrs. Martin had been ill for a week, but on Monday morning contracted pneumonia, and sank rapidly. She was twenty-nine years of age. Deceased's maiden name was Hilda McWaters, and she was the second daughter of James McWaters, and was born in this city. Beside her husband, she leaves one son, "Jack," aged two and a half years, her father, and three sisters, Mrs. F. J. Wilson, and Misses Myretta and Annie, of this city.

The funeral, which will be of a private nature, will take place on Wednesday afternoon at 2.30 o'clock from the family residence, 71 Pembroke street.

Death of Miss Mabel Palmer.

A sad death occurred at noon on Tuesday, when Miss Mabel Palmer, of 352 Johnson street, passed away after a week's illness of pneumonia. She was a daughter of the late Timothy Palmer, and for some time had been a valued member of the Bell Telephone staff. For a time she was also employed in the munitions office. Deceased was well known in the city, had a wide circle of friends, and the news of her death came as a great shock to all. She was possessed of a kind and lovable disposition, and was held in very high esteem by all her acquaintances. She is survived by her mother, six brothers and three sisters.

Coroner Harding opened an inquest at Brockville into the death of Willie Sack, the eleven-year-old boy who was run over and killed by a freight train on the G.T.R. near Brockville on Saturday afternoon. The inquest was adjourned till Wednesday night.
