NEW CLASSIFIED ADVERTISING RATES
 Owing to the greatly increased cost of newsprint, ink, labor, etc., the British Whig has been obliged to advance its advertising rates somewhat. A sincere effort has been made to minimize the advance as much as possible. The increase now announced applies only to classified advertising, and then only when it is charged. When cash accompanies the copy, the following old rates will prevail.
 One Insertion (25 words or less) 25
 Three Insertions (25 words or less) 50
 Six Insertions (25 words or less) \$1.00
 One Month (25 words or less) \$2.00
 Over 25 words, 1c a word first insertion, and 1/2c a word for each subsequent, consecutive insertion.
 If ads. are to be charged, the rates will be double those above quoted.
 The cost of sending out a man to collect small accounts today amounts to more than the total revenue derived from such advertising. Hence the increase.

Eastern Ontario News

NEWS FROM THE DISTRICT

CLIPPED FROM THE WHIG'S MANY BRIGHT EXCHANGES.

In Brief Form the Events in the Country About Kingston Are Told—Full of Interest to Many.

A few cases of influenza have developed in Belleville, but all are of a mild type.
 Mrs. W. C. Jack, Belleville, has received word that her husband, Sergeant Major Jack, has been awarded the Military Medal for bravery at the battle before Amiens on August 8th.

The death took place at the St. Vincent de Paul Hospital, Brockville, on Thursday of Mrs. William E. Tilden. She was a native of Brockville. Her home was in Detroit.

Rev. R. M. Hamilton, minister of First Presbyterian church, Brockville, is to proceed to Great Britain to engage in temperance campaign work for the next two or three months.

Tweed is to have a butter factory. James Ryan, who has had previous experience in cheese and buttermaking, is the promoter. He will begin operations in the very near future.

On Sept. 28th at Spencerville, the marriage was solemnized of Lella May Hunter, eldest daughter of A. B. Hunter, to William Stacey Riekey, youngest son of William Riekey, Donville.

Principal Whiting of the Deseronto public school has sent his resignation to the Board, to take effect Nov. 1st.

Mrs. J. E. Clarke, Wellington, passed peacefully away on Sunday after months of suffering.

On Saturday the news reached Frankford of the death of Mrs. John Orr, Peterboro. She was the eldest daughter of Mr. and Mrs. C. M. Hendrick. The remains were brought to her parents' home for burial.

The C. N. R. is erecting a roundhouse, also an ice-house 30 x 60 feet and 24 feet high, at Yarker. The station is also to be moved 200 feet east of its present position to allow for more tracks and sidings.

Ross Boyav, about twenty-five years of age, was charged in Trenton with altering a marriage certificate for the purpose of avoiding military service. He was found guilty, and a \$500 fine or six months was the verdict.

Simple Way to End Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid ayvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.
 By morning, most is not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.
 You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

THE FAIR AT ODESSA.

Was a Great Success—Jesse Schermerhorn Loses Right Leg.
 Odessa, Oct. 7.—Mr. and Mrs. Rutherford, North Bay, and guests of Mr. and Mrs. Roy Emmons, Mr. and Mrs. William Jenkins, Nananee, are guests of Mr. and Mrs. George Waita. Mrs. Edward Case and daughter, Miss Lillian Case, Picton, are guests of Mrs. H. E. Adams and Dr. H. C. and Mrs. Madge. Miss Grace Sharpe is spending a few days at the Dominion. Mr. and Mrs. Harry Davy and family, Toronto, are guests of Mr. and Mrs. H. S. Davy. Mrs. John Mansour and Mrs. Riley Lee, spent a couple of days in Yarker last week, guests of Mr. and Mrs. Simon Babcock.

Mrs. John Graham, who has been in the Kingston General Hospital for the past two weeks, returned to her home last Wednesday.

Miss Kathleen Schermerhorn left for Toronto last Wednesday to attend the Salvation Army training school. About twenty-five of her friends met at her home on Monday night and a pleasant evening was spent, all wishing her every success in her new work.

Mr. and Mrs. Schermerhorn have received word that their son, Ross, who was wounded a short time ago, was in a hospital in England and had his right limb amputated above the knee.

The Odessa show was one of the best for many years, and great credit is due the agricultural society for its efforts. The receipts at the gate amounted to \$15.45. The concert held in the town hall was as usual a great success. The excellent talent from Toronto, consisting of Mr. and Mrs. Pickett, Master Bert Powell and others was very much appreciated. The receipts at the door amounted to \$109. (This concert was followed by a quadrille party, with the McAuley and Downey orchestra from Kingston furnishing the music. The hall was crowded and the pleasure seekers enjoyed themselves until three o'clock in the morning. The Ladies' Aid Society furnished meals in the fair ground, and also had a home-made booth, consisting of fancy goods and candy, from which was realized a handsome sum.

THE WORLD'S NEWS IN BRIEF FORM

Tidings From All Over Told in a Pithy and Pointed Way.

Canada will draft all friendly aliens. Montreal has closed all schools, theatres, etc., in order to check the spread of influenza.

A British Admiralty Board, headed by Sir Eric Geddes, reached Washington on Monday.

Randolph Hersey, a pioneer in the iron trade in Montreal, died on Monday, aged eighty-nine.

There are 1,042 cases of Spanish influenza among the troops and R. A. F. in Toronto military district.

It is practically certain now that the General Conference of the Methodist church will not conclude its sessions before Oct. 16th at the earliest.

Spanish influenza has obtained an extraordinary grip in South Africa and is spreading extensively. Many shops in Capetown have been closed.

Dr. Richard B. Moore, of the United States Bureau of Mines, Golden, Colo., announced he had discovered a substitute for radium which he has named mesothorium.

Evidence tending to show that the explosion in the shell-loading plant at Morgan, N.J., last week was caused by enemy agents has been discovered by Government operatives.

The epidemic of Spanish influenza is increasing rapidly in Ohio, and a total of 25,000 cases and many deaths has been reported. Camp Sherman reported 104 deaths for twenty-four hours.

The Dominion Government is lending its assistance to the Ottawa municipal authorities to combat the influenza epidemic, which is daily becoming more serious at the capital.

USE HUMAN BONES FOR FERTILIZERS

Huns Grind 5 to 15 Carloads From Front Daily, Correspondent Says.

The Hague, Oct. 8.—A reliable informant stated that he was employed in Germany at a bone-grinding mill at Wipperfurth, where every day they received from five to fifteen carloads of human bones which came from the front. The prisoners' work consisted in unloading these bones and passing them into grinders. Ground bones are used for fertilizer. Horses' hoofs and bones with flesh had to be raked out, as they impeded the hopper. Many human skulls, however, were ground up. The superintendent of the bone-grinding mill was also superintendent of several other such mills, as well as of several Government-munition factories.

Canadian Casualties.
 Wounded—H. Brown, R. H. Grimshaw, Kingston; L. Hamilton, Belleville; A. M. Brennan, Gananoque; C. E. White, Espanville; J. D. Walker, Smith's Falls; M. B. Lloyd, Fredericksburg; E. Greer, G. A. Gray, Peterboro; J. T. Bresse, Carleton Place; S. R. Harvey, Brockville; M. J. Callaghan, Belleville; T. Morin, Prescott; J. L. Woodstock, Joyceville.
 Gassed—P. W. Ellis, Monlmette.

Lieut. Arthur Stuart Herron, of the 2nd Canadian Infantry Battalion, who was killed in action on August 20th, was the elder son of Mr. and Mrs. James A. Herron, North Augusta road, and was 25 years of age. In 1916 he enlisted in the 16th Leeds and Grenville Overseas Battalion, trained at Kingston for his commission and in October, 1916, went overseas.

Easy and Practical Home Dressmaking Lessons
 Prepared Specially for this Newspaper by Pictorial Review.

As to Johnny's Regimentals.

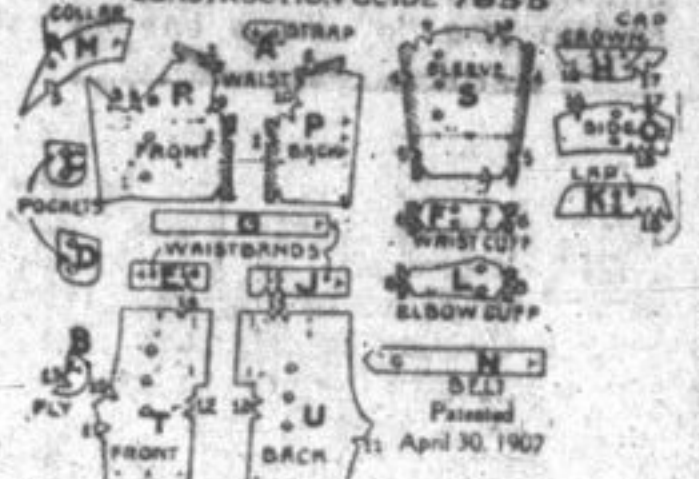

The little man in olive drab, with top to match his suit. The double-breasted waist is made with open neck finished with round collar.

The clothes that Johnny's elects to wear all have a military note. Pacific parents may discourage the inclination, but their pleadings meet a deaf ear. A natty suit in olive drab made upon this model makes a strong appeal to the small boy. The double-breasted waist is made with open neck, finished with a round collar, while the side closing trousers are trimmed with patch pockets. Straps of the material are stitched on the trousers to slip the belt through. In medium size the suit and cap require 2 1/2 yards 44-inch material.

In making the suit, the home dressmaker should begin with the waist. Close the under-arm and shoulder seams as notched. Turn the front edge of the front for an underfacing and adjust waistband underneath the waist, with center-back and front edges even and with upper edge of waistband along cross-

line of small "o" perforations. Adjust strap to position on shoulder and tack pointed edge to position.
 Next, face the collar and sew to neck-edge with notches and center-backs even. Then, take the sleeve and close seams of sleeve and wrist cuff, sewing cuff to sleeve with notches and seams even. Sew sleeve in armhole as notched with small "o" perforation at shoulder seam easing in any fullness between notches. Adjust pocket on left front, with upper edge of pocket at indicating small "o" perforations.
 Close leg seams of trousers as notched, leaving extensions free. Turn extensions under on slot perforations; lap front on back to small "o" perforations and finish for closing. Sew fly to left front, matching notches and small "o" perforations.

Close center seam from upper edge of back to upper edge of front leaving opening at fly. Turn hem at lower edge of trousers on small "o" perforations.
 Adjust pocket to position on front of trousers, with upper edge of pocket at small "o" perforations.
 Stitch waistbands to position underneath trousers with notches at upper edges, center-fronts, center-backs and side edges even.
 Stitch straps of material 2 1/2 inches long and 1/2 inch wide (when finished) to position on front and back of trousers between small "o" perforations to slip belt through; finish one end of belt with a buckle. Large "o" perforations in belt indicate center-front.

Work buttonholes at top of trousers and sew buttons on waist (over the waistband) to correspond with buttonholes.
 Cap—Close center-front seam of side section, indicated by single small "o" perforation; and the center-back seam, indicated by double small "o" perforation. Sew the side section to the crown with notches, center-fronts and center-backs even. Line the lap and sew to lower edge of side section as notched.

Cap—Close center-front seam of side section, indicated by single small "o" perforation; and the center-back seam, indicated by double small "o" perforation. Sew the side section to the crown with notches, center-fronts and center-backs even. Line the lap and sew to lower edge of side section as notched.

Cap—Close center-front seam of side section, indicated by single small "o" perforation; and the center-back seam, indicated by double small "o" perforation. Sew the side section to the crown with notches, center-fronts and center-backs even. Line the lap and sew to lower edge of side section as notched.

Cap—Close center-front seam of side section, indicated by single small "o" perforation; and the center-back seam, indicated by double small "o" perforation. Sew the side section to the crown with notches, center-fronts and center-backs even. Line the lap and sew to lower edge of side section as notched.

Cap—Close center-front seam of side section, indicated by single small "o" perforation; and the center-back seam, indicated by double small "o" perforation. Sew the side section to the crown with notches, center-fronts and center-backs even. Line the lap and sew to lower edge of side section as notched.

TOO LATE
 My out you've got a pretty bad case of hay fever. I'll tell you what will cure you.
 Sorry, old man, but there are just one hundred and three cures ahead of yours.

The Hotel Carleton, Cape Vincent, N.Y., for the past three years conducted by Andrew F. Keough, closed its doors on October 1st. There are four or five parties negotiating for the lease of this hotel, and as soon as matters can be perfected it will be opened again.
 The Picton Hospital Board has secured the former home of Mr. Alcorn, K.C., on the bay front. It is to be overhauled and put in shape for the work it is expected to have part in.
 The railway companies report quite a large number of their employees being laid up with Spanish influenza.

Notice!
 Owing to the prevalence of Spanish influenza in the city, and the necessity of guarding against its spread, it is strongly urged that the citizens avoid public assemblies, and as the disease is transmitted by secretions from the nose, throat and bronchial tubes, the frequent use of a spray or gargle, consisting of permanganate potash, of a strength one part to two thousand of water is recommended.
A. R. B. WILLIAMSON, M.D.,
 Medical Health Officer.
