Each Semi-ready Suit must possess these four attributes to give satisfaction

FIT: The coat has the right "set" and "hang," and conforms to the lines of the figure.

STYLE: As much in how the design suits YOU rather than in any special design; for it must be the right style for the individual who wears it.

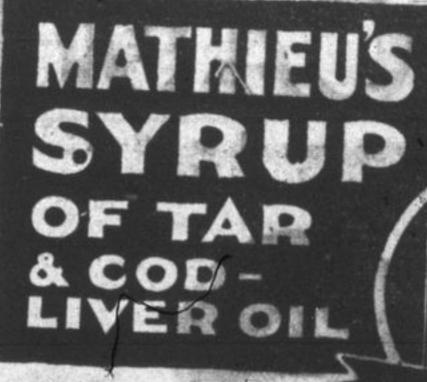

QUALITY: This applies to the cloth and the design, the finer weaves, the better tailoring, the general atmosphere thrown out by the

VALUE: Price does not fix value; but Semi-ready value always fixes the price; the price label in the pocket is based on the exact cost of the wool and workmanship.

Every Semi-ready Garment must repay in satisfaction the money you pay for it.

KINGSTON BRANCH,

H. A. TOFIELD,

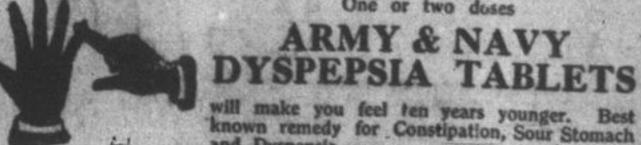

NEW CLASSIFIED ADVERTISING RATES Owing to the greatly increased cost of newsprint, ink, labor, etc., the British Whig has been obliged to advance its ad-

vertising rates somewhat. A sincere effort has been made to minimize the advance as much as possible. The increase now announced applies only to classified advertising, and then only when it is charged. When cash accompanies the copy, the following old rates will prevail. Six Insertions (25 words or less) \$1.00 One Month (25 words or less) \$2.00

Over 25 words, ic a word first insertion, and 1/2 c a word for each subsequent, consecutive insertion. If advts, are to be charged, the rates will be double those

The cost of sending out a man to collect small accounts today amounts to more than the total revenue derived from such advertising. Hence the increase.
