HEALTH TALK

SPANISH INFLUENZA OR GRIP
 By Dr. Lee H. Smith.

An old enemy is with us again, and whether we fight a German or a germ, we must put up a good fight, and not let the influenza run a very brief course when the patient is careful, and if we keep the system in good condition and throw off the poisons which tend to accumulate within our bodies, we can escape the disease. Remember these things:—

1. Clean mouth, a clean skin, and clean bowels. To keep the bowels loose, daily doses of a pleasant laxative should be taken. Such a one is made of May-apple, leaves of aloë, root of jalap, and called Dr. Pierce's Pleasant Pellets. Hot lemonade should be used freely if attacked by a cold, and the patient should be put to bed after a hot mustard footbath.

To prevent the attack of bronchitis or pneumonia and to control the pain, Anuric tablets should be obtained at the drug store, and one given every two hours. It is important that broths, milk, buttermilk, ice-cream, and simple diet be given regularly to strengthen the system and increase the vital resistance. The fever is diminished by the use of the Anuric tablets, but in addition, the forehead, arms and hands may be bathed with water (tepid) in which a tablespoonful of salutarin has been dissolved in a quart. After an attack of grip or pneumonia to build up and strengthen the system, obtain at the drug store a good iron tonic, called "Ironite" Tablets, of that well known herbal tonic Dr. Pierce's Golden Medical Discovery.

He is gone, darling wife.
 Gone to manna in the best.
 To dwell with Jesus up above
 In a sweet eternal rest.

He is gone, darling mother.
 To a home by God prepared.
 He has gone to his dear father,
 With loved ones sadly spared.

He is gone, brother darling.
 You will mourn him many days.
 He has gone, sister darling.
 To a home where Jesus stays.

His many friends will mourn him,
 But he's gone to a better land
 There to praise his glorious Saviour
 And to hold him Jesus' hand.

He is safe from sin and sorrow,
 Safe from every care and pain.
 Can you not trust Jesus with him
 Knowing you shall meet again.
