The Brunswick Way

"THE ULTONA"

This wonderful invention plays any make of record perfectly. All you need to do is to hear it and you will see the difference between it and what other dealers say will play all records.

Why Buy

Old fashioned machines that only play one style of record properly, then have some attachment that plays others in a kind of a way, when you can have the Brunswick at less money than the ordinary machines.

"Just hear the Brunswick," which has the new tone "Amplifier;" automatic stop and every feature that is good and is worthy of the Brunswick quality.

The reason Brunswick phonographs are so low priced, in keeping with the economy of the times, is that it is made by one of the largest and oldest wood working factories in the world. They have their mahogany forests and factories for every part of a phonograph.

BASEBALL NOT DEAD; IS MERELY RESTING George McCrae Is a High Class Mid-

"Mugsy" McGraw's Opinion-The New York Manager Is Very Optimistic.

If the war should drag along until early spring before the declaration of peace it wouldn't be difficult to bably mark time. There's no sensible reason why they should wind up their affairs then for the period of the war. By the time the schedule meetings are held two months on the future. Baseball isn't dead. It's merely resting. You can't kill

The great gambling house, Lloyds of London, some years ago calculated that the chances of a golf player maagainst about 20,000 to 1. A west ern paper instances the case of Robert Johnson, professional of the Seattle Golf Club. Not long ago for the second time in his life, he made the "one in one" on the Seattle links. The first time this happened to him was in 1901, a year after he had come from Scotland, where he had been playing golf for some 17 years. So it figured that inasmuch as Johnson played on an average of 18 holes a day, a one-hole achievement was due about once in 17 years with an average of 75 strokes to the round, or something like 111, 690 holes of golf. Furthermore, this dopester delved still deeper and figured that there were three holes to a to cup would be possible, which would make 18,615 short holes, or about an 18,615 to 1 shot, which is not so very far away from the ap-

A sick man, or a sick woman, slows up the whole machinery of business. If a man, his work is neglected. If a woman, her household is disarranged and the bread-winner of the family made less efficient by worry. If a child, the progress in school is retarded -sometimes the whole school year lost—because of some serious illness which might have been prevented had Rubbers been worn.

Let's all stay well this winter, by wearing rubbers. Let's avoid the epidemics of colds, sore throats, grippe, pneumonia that upset business and homes in previous years.

The cost of rubbers is so reasonable compared with other needs, that you can well afford to buy more than one pair.

These six brands of reliable rubbers-
