EPIDEMIC IS ABOUT OVER
DOCTORS, NURSES AND HELPERS
HAVE WORKED HEROICALLY.

List of Those Who Aided At G. W. V. A. Emergency Hospital—The Volunteers Too Numerous To Men-
tion.

The influenza epidemic may now
be looked upon as a thing of the past.
It was serious while it lasted, and
carried off a large number of King-
stonians, the most regrettable fea-
ture being the high percentage of
young men and women amongst the
number. The medical men and
nurses of the city deserve the highest
praise for their untiring work in
fighting the disease, and the hospital
staffs have also worked heroically.
Special mention must be made of
the volunteers who staffed the G. W.
V. A. emergency hospital. A full list
of those who gave liberally of their
time and energy is now on hand.
Mrs. G. Hunter Ogilvie, president of
the Women's Emergency Corps, was
at the head of the organization, and
was a splendid leader. The hospital
in its opening stages was superin-
tended by Mrs. T. G. Smith, who had
hard work in the inauguration of the
work. Unfortunately she became a
victim of the influenza, and she was
greatly missed thereafter. Mrs. H.
C. Nickle, Mrs. John Carson and Mrs.
Birmingham looked after the sup-
plies and the clerical end of the work,
and there was a host of nurses. The
day staff was composed of Miss Daisy
MacNamee, superintendent; Miss Mar-
ion Ogilvie, assistant; Misses Evely-
n Nickle, Katherine Minnes, Mar-
garet Bruce Taylor, Christie Good-
win, Connie Birmingham, Nora Ber-
mingham, E. Cunningham, Florence
Emery, Ada Birch, Helen Nicol, Mrs.
(Major) Porter, Miss Mabel Gilder-
aloeve, Mrs. Kennedy, Mrs. Holton,
Misses Davidson, English and Con-
ley.

The night staff of nurses was also
made up of volunteer workers. They
were Misses Moon, Alyn, MacCallum,
Germain, and Lewis, Mrs. MacPhail,
Mrs. Post, Mrs. Filson, Mrs. Cassel-
man and Miss Wilson. The food de-
partment was in the care of Mrs.
Rebush and Miss MacCauley.

Mayor Hughes, W. F. Nickle, M.P.,
and H. C. Nickle worked night and
day in hunting up cases and bringing
them to the hospital, and also in en-
suring that nothing was lacking for
the comfort and well-being of the pa-
tients. Dr. James Third and Dr.
Dolan were the medical men in
charge, and it is greatly to their
credit that the death toll was so
small. S. S. Corbett gave the use
of his ambulance free of all charges
while the hospital was in operation,
and this greatly facilitated the bring-
ing in of cases. Mrs. Frederick Ma-
hood supplied hot coffee for the
nurses and workers day and night.
The merchants of the city and the
citizens generally were most gener-
ous in their donations of supplies.
Many gallons of nourishing soups
were brought in daily, and big stocks
of clothing. The generosity of the
merchants is now being demonstrated
in a very practical way. Several of
those from whom supplies had to be
purchased have sent in their bills re-
questing "Paid in Full," and this is
greatly appreciated by those in charge.

The leaders of the S. O. S. orga-
nization feel that they would like to
be able to thank personally all the
workers and the friends who made
their work possible by their gener-
osity. But these volunteers were
so numerous that this is impossible.
So they take this opportunity of ex-
tending their most heartfelt thanks
to all those who gave of their time,
energy and money to help in the fight
against the epidemic.

**Took Bronchitis
AFTER THE MEASLES**
Measles is a disease that is very
hard on children, and it generally
leaves a system in such a debilitat-
ed condition that it is liable to at-
tacks of some other trouble. One of
the most common of these is bron-
chitis, which starts with a short,
painful, dry cough, a feeling of tight-
ness through the chest and difficulty
of breathing, accompanied by a
whizzing sound from the lungs.
There is a raising of phlegm from
the bronchial tubes which is very of-
ten streaked with blood.
Bronchitis although not really
dangerous, should never be neglected
as some serious lung trouble is most
liable to follow if it is.
Dr. Wood's Norway Pine Syrup will
loosen the phlegm, soothe and heal
the irritated bronchial tubes, and in
a short time the bronchitis will dis-
appear.

Mrs. Murdoch McLean, Adanae
Apts., Winnipeg, Man., writes:—
"About two years ago my little girl
had bronchitis; took them after hav-
ing the measles. I tried several
cough remedies, and oils of all kinds,
but they all failed. At last I got Dr.
Wood's Norway Pine Syrup. After
using three bottles she has never
had any sign of it since. I can hon-
estly recommend it as being a grand
medicine."
The genuine Dr. Wood's Norway
Pine Syrup is put up in a yellow
wrapper; three pine trees the trade-
mark; price 25c and 50c. Manufactured
only by The T. Millburn Co.,
Limited, Toronto, Ont.

GANANOQUE
(From Our Own Correspondent.)
Nov. 5.—A special session of the
relief committee of the local town
council was held last evening when
the three ward managers, Mrs. W.
K. Crozier, Miss Mabel M. Carpenter
and Miss Marnie Stunden, sub-
mitted their reports on the work done
by the S.O.S. organization since its
inauguration on Oct. 18th. A pleas-
ing feature in connection with this
S.O.S. work is that in the great ma-
jority of cases these services have
been given gratuitously, although
ample remuneration for all work
done where the patients were un-
able to pay.
A. W. Taylor, W. Balfour, Mudie
and J. Arthur Jackson, the local
canvassing committee for the Vic-
tory Loan, report the subscription
for the first week of the campaign
amounted to \$137,950, which is a
very creditable showing. The local
subscription to the former Victory
Loan was \$303,400, and to equal
this it leaves a full fortnight for
canvassing and a balance of \$11,-
450 to be subscribed. In the front
of Leeds and Lansdowne, where
Mayor Wilson, of this town, and
George F. Johnston, of Lansdowne,
are the canvassing committee, the
list is well over \$40,000.
Mrs. Wilfred Lloyd, Charles
street, received the sad intelligence
on Sunday that her brother, Pe-
ter, Ralph Ranger, had died in England
a victim of Spanish influenza. De-
ceased was a son of Mr. and Mrs.
Thomas Ranger, of Kingston.
After being closed in accordance
with the ban of the local M.H.O. for
the past two weeks, the local public
and high schools resumed work yes-
terday morning. The consensus of
public opinion, however, considers
that the ban should have been con-
tinued for at least another week, if
not more, and in many cases pa-
rents will not send their children for
at least a fortnight. The night
classes in connection with the local
high school were also resumed last
evening.

Clinton Edgley, caretaker of Tom-
linson's Island, near Ivy Lea, a for-
mer resident of this town, re-
sumed his duties yesterday.

A SOLEMN REQUIEM MASS
Celebrated in St. Mary's Cathedral
For Late Father Halligan.
A solemn requiem mass was sung
in St. Mary's Cathedral on Tuesday
morning at nine o'clock for the late
Rev. Father Halligan, who died last
week. The mass was sung by Arch-
bishop Spratt, with Father Murray,
of Marmora, as assistant. Father
Staley, of Railton, was deacon, and
Father Tierney, of Lanark, was sub-
deacon. Father Hanley, of King-
ston, was master of ceremonies. There
were twenty-five priests of the di-
ocese in attendance. The cathedral
was well filled with sorrowing friends
of the deceased.

The music of the mass was rendered
by the combined choir of men and
boys, under the direction of the or-
ganist, Prof. L. Nourry. The can-
tists for the mass were Mr. Lapointe
and Prof. A. Nourry, Sen. The mu-
sic consisted of Chopin's Marche
Funebre, and Mendelssohn's Funeral
March, rendered by the organist.

MUST USE LESS ANTHRACITE.
Controller R. Home Smith Forecast
Suffering Next Winter.
Toronto, Nov. 5.—Ontario must
consume 50 per cent. less anthracite
coal this year than last," said Home
Smith, Ontario fuel administrator,
in addressing the General Minis-
terial Association in Central Y. M.
C. A. yesterday.
"You can't look at this matter too
seriously. If we don't do that now
we'll suffer next winter—suffer as
much or more than we must have
with the influenza. You wouldn't
help that, but you can help this. We
can't cut down the domestic con-
sumption. But we are putting a
limit on domestic consumption of
anthracite."

FARMER INVESTS \$100,000.
Ontario Born, He Has Made Good in
Manitoba.
Winnipeg, Nov. 5.—Ferdinand La
Fleche, who cultivates 1,600 acres
west of Winnipeg, called at the Vic-
tory Loan office Saturday and gave
his cheque for \$100,000 for Victory
Bonds. La Fleche was born in Louis-
ville, Ont., and came west in 1886.
He is aged forty, and is a bachelor.

Should Be Great.
The big Victory Loan meeting in
the City Hall to-night will be
addressed by Lieut.-Col. A. Kirkpatrick,
of Toronto, Principal Taylor
and W. P. Nickle. The R.C.H.A.
band, the pipers and some good sing-
ing will complete the programme.

How Pre. M. J. Woodcock Died.
Mrs. P. G. Thomas, 621 Princess
street, Kingston, has received the
following letter from Lieut. H. D.
Wightman, O.C. "D" Company, 21st
Battalion, informing her of the
death of her brother, Pre. M. J.
Woodcock. He says he was always
a man of great mental and fear-
lessness, but never reckless. He was
hit on Aug. 28th when the 21st
was advancing, and when he went
to the ambulance, he thought he
would be all right, but he died a
few hours afterwards.

**Farmers of Canada
Have Much at Stake

**Money From Loan Needed to
Finance Exports of Farm
Products to Britain.**

The Canadian farmer stands to
gain or lose much through the suc-
cess or failure of the Victory Loan.
He is much more dependent on it
for the ready sale of his products
than has generally been realized.
Some there are, even to-day, who fail
to grasp the facts of the situation.
It is a mistaken idea that all a
farmer has to do these days is to
raise grain, cattle, hogs, or produce
sheep, butter or eggs and he is sure
to find a ready market at high cash
prices. A keen demand for these

MR. J. H. GUNDY.
Vice-Chairman of the Dominion
Victory Loan Committee, and a
strong leader in the campaign.
Products, of course, exists, and Great
Britain will take all of them that
Canada has to spare; but the de-
mands of the war have been so heavy
that she cannot pay cash for all
these things. She must have credit.
It is here that the Dominion Govern-
ment steps in, and provides the cash,
obtaining the necessary funds
through the Victory Loan.
The farmers should be as enthus-
iastic over the Victory Loan cam-
paign as any other class. If it is not
decided success they stand to lose
heavily. But if they subscribe to it
loyally and endeavor to get others
to do so, its complete success is
assured.

PRAIRIE FARMERS' EXAMPLE.
Saskatchewan, which is al-
most a purely agricultural pro-
vince, has given a splendid lead
to the rest of the Dominion.
Owing to the crop failure in sev-
eral of the districts, the allot-
ment for the Province in the Vic-
tory Loan drive was placed at
\$15,000,000. Recently those in
charge of the provincial organiza-
tion said that they would not
think of getting less than
\$22,000,000.

BONDS OR BONDAGE.

**Canadians at Home
Must Do Their Utmost**

It is For Them to Demonstrate That
the Spirit of the Boys Over
There Exists at Home.

Canadians at home must do their
utmost in the Victory Loan drive, for
the boys in France are looking on.
These brave fellows, the pride of the
British Army, who have carried all
these months, must not be disappointed
in the folk at home. It must be demon-
strated to them that the spirit ex-
hibited in the front line, is to be
found also on the home front.
There is no problem confronting
Canada to-day, or likely to confront
her in the future, which Canadians
cannot solve, if they put their minds
to it. There is no task for them too
difficult. But, while everybody be-
lieves this, there is no use talking
about it, unless the Victory Loan is
put over. It will, for it must be.

BUY BONDS FOR VICTORY.

DOUBLE UP.
The call is now "Double up."
Everybody seems to be doing it. Why
shouldn't they? The cause is worth
doubling up for. Besides, it would
be impossible to get a better invest-
ment. It's better than the Ameri-
cans were offered, for their Fourth
Liberty bonds bear only 4 1/2 per
cent., whereas ours carry 5 1/2. So
"doubling up" is the correct thing.
It is patriotic and also good business.
Double up.

THE CRISIS.
Your country needs your finan-
cial help to meet its crisis to-day.
You may need financial re-
sources to meet a possible crisis
in your affairs later on. There
is one safe, sane, sure way to
meet either kind of crisis. In
taking it you discharge your
duty to your country and to
yourself. Take it to-day. Buy
Victory Bonds. Buy all you can.

LEND TO CANADA.

A Great Speaker.
Lieut.-Col. A. Kirkpatrick, for
twenty months a prisoner in Ger-
many, will address the big Victory
Loan meeting in the City Hall to-
night at eight o'clock.

OBITUARY

Mrs. Mary Willard.
The death is reported from Nap-
anee of Mary Parant, wife of E. J.
Willard. Deceased resided in
Kingston for many years, and be-
sides her husband, she leaves to
mourn her loss eight daughters and
one son, the latter being in Franco,
also three brothers, George, Thomas
and Maxim. The funeral will take
place from the residence of her
daughter at 19 Barrack street, this
city.

Miss Margaret Dunnet.
William Dunnet, 230 Wellington
street, received word Monday after-
noon that his daughter Miss Margaret
Dunnet, had died at 10.25 a.m. in
Sudbury after an illness of two weeks
of influenza and pneumonia. Miss
Dunnet was born in Kingston thirty-
three years ago. For the past nine
years she was travelling representa-
tive of the Sprella Corset Company
of Niagara and was a clever and suc-
cessful young business woman.
While enroute east she was taken ill
at Sudbury. Her brother James went
there a week ago and was at her
bedside when she passed away.
Her sister Jessie, of Moose Jaw,
Sask., arrived a few hours after her
death. The late Miss Dunnet is also
survived by her parents who have
the deep sympathy of many friends
in their bereavement. The remains
arrived here Tuesday afternoon, and
the burial is to take place on Wed-
nesday morning.

Ernest S. Newport, Deseronto.
Ernest S. Newport, editor of the
Deseronto Post, passed away Sun-
day night of pneumonia. Mr. New-
port had been ill only a few days.
He is survived by his wife. The
funeral took place Tuesday with in-
terment at Napanee. Mr. Newport
was formerly a member of the Wm's
newsroom staff.

Miss Hannah Elsie Edwards Lyon.
One of the cleverest and most pop-
ular of the lady students at Queen's
University passed away on Tues-
day morning in the death of Hannah
Elsie Edwards Lyon, the much be-
loved only daughter of Mrs. M. E. Lyon,
213 Division street. The deceased
had lived in the city most of her life,
and was widely known. She was
twenty-one years old. She has been
suffering from influenza and pneu-
monia for two weeks, and died at the
Kingston General Hospital. In reli-
gion she was a Methodist, an active
worker in Sydenham Street Meth-
odist church. She taught school on
Wolfe Island, and left there to take
up Faculty of Education work at
Queen's University three years ago.
Owing to ill-health she had to give
up her course, and for over a year
was employed as a stenographer in
the office of the A.D. of S. & T., at
the armouries, where she was a great
favorite. In September of this year
she left and returned to Queen's to
continue her studies. Her death
comes as a great blow to her many
friends. She had a most bright,
cheerful disposition, and her sincer-
ity in all things made her very pop-
ular. She will be greatly missed by a
large circle of young people. She was
a niece of Dr. Edwards, M.P. for
Frontenac county. She is survived
by her sorrowing mother.

William Robert Sherbino.
The death occurred at his residence,
457 Albert street, of William Robert
Sherbino. Deceased was seventy-
four years old, and came to Kingston
from Glynvale a number of years ago.
Until recently he was employed as a
carpenter with the Montreal Trans-
portation Company. He is survived
by his widow and three daughters.

Supreme Court Cases Adjudured.
The Supreme Court of Assizes was
opened on Tuesday at one o'clock.
There were no cases for disposal,
owing to the influenza epidemic, and
the illness of witnesses, and all the cases
which should have come up have been
held over until the assizes next spring.
A petition for naturalization was
presented by Joseph Bennett, Abramson,
of Kingston. The ruling of the court
on this was that procedure be taken
to have it granted.
