KINGSTON, ONTARIO, TUESDAY, NOVEMBER 5, 1918

SECOND SECTION

GOLDEN WEDDING DAY

THE CHILDREN REMEMBERED THE EVENT WITH DELIGHT.

And at Napanee Filled the Old Home With Merry Laughter and Happy Chatter—A Venerated and Venerable Couple.

Napanee Express. Golden weddings are not common, and that of William H. and Mrs. Cadman, celebrated on Oct. 26th, was unusual even among the few.

The bride and groom, while aware of the day, were intending to spend it as not greatly out of the ordinary, the excitement of fifty years ago somewhat forgotten. But the family was of a different mind, for, having all arrangements completed, they arrived during the morning with decorations for house and tables, and with wedding breakfast all prepared.

The bride and groom were completely taken by surprise, but lent themselves to the spirit of the occasion, and soon the home was charmingly decorated in golden yellow and the tables spread. The happy couple were the recipients of cordial good wishes and the darkness of the weather could make no inroads into the sunshine of the happy gathering.

The family consists of four daughters, Mrs. (Capt.) Bloomfield; Mrs. Fred. Allison; Mrs. W. R. Fretts and Mrs. T. M. Aselstine, all of whom, with their husbands and children, were present. Only relatives and a few close friends had been invited.

In proposing the toast to the bride and groom, their pastor, Rev. C. W. DeMille, referred to their continued health, strength and youthful spirits, and that their family were all alive and present.

Responding for his bride and himself, Mr. Cadman spoke of his surprise and happiness, and expressed thanks for such unbounded good wishes.

W. F. Hall, a friend of over fifty years, spoke of the unusual happiness of an unbroken family, and all within easy reach. He voiced the prayers of every present, in his hope that as age was surely coming, "at eventide may there be light."

Each guest carried away as a remembrance one of the fifty golden wedding bells that had been part of the decorations. If a title of the good wishes are realized, years of peace are before the happy couple.

THE LATE MRS. JOHN LYONS

She Passed Away at Picton After Long Residence.

Picton Gazette. After living more than the allotted span of three score years and ten, there passed to rest, on Saturday morning last another of Prince Edward's landmarks in the person of Catherine Mabee, relict of the late John Lyons. On Friday the deceased had been about the house as usual and had assisted her daughter, Mrs. S. W. Pettigill, with whom she had made her home for many years, and who has been so devoted to her mother, in household duties, and retired late in the evening in her usual cheerful way. When Mrs. Pettigill went upstairs on Saturday morning the shock she received can be but faintly imagined when she found her mother had passed away with no apparent sign of a struggle with the last enemy, and with her head lying

peacefully on her hand. Beautiful transition for the aged saint of God, who just the day previous had expressed her readiness to go when called.

The late Mrs. Lyons was born in Ameliasburg eighty-three years ago, the daughter of Daniel Mabee and Mary Snider, and had resided practically all her life in this county. She is the last of a family of twelve children. She is survived by four children: Mrs. S. W. Pettigill, Picton; J. S. Lyons, connected with the British Whig, Kingston; Isaac Lyons, publisher of the Sun, Fort Covington, N.Y., and Mrs. Clark, New Jersey.

The funeral was conducted at the home of Mr. and Mrs. Pettigill on Monday morning by Rev. Alfred Brown, after which the remains were taken to the Massawaga burying ground for interment, where she was laid by the side of her late husband and two sons, which was her oft-expressed wish.

The Daily Tragedy of BELGIUM

May this country never know the bitter agony Belgium passes through EVERY DAY.

May WE never live to see our people rationed on a bowl of soup and two pieces of bread a day.

Our children emaciated by slow starvation and falling easy victims to consumption, rickets and all the diseases fostered by mal-nutrition.

It's the little children that suffer most fearfully. The daily ration provided by United States loans to the Belgian Government is so pitifully inadequate for a growing child; it no more than momentarily stays the gnawing hunger.

There is hope for Belgium and her future generation only if YOU and the thousands who in the past contributed so generously to Belgian Relief, will help again. The brave souls who are attempting to administer the needed help to Belgium's children must have the necessary funds to carry on.

Mr. Hoover in his appeal of July 8th, 1918, for help for Belgium's children says, "This transmission of money is absolutely safeguarded by virtue of an agreement between the belligerent Governments, the C.R.B., and the Neutral (Spanish and Dutch) protecting Ministers in Brussels."

Don't wait for someone to come and ask you for a contribution. Send it in. Be generous. Be quick.

"Perhaps you are right, Mary, I think I will follow your advice"

"In what way?" "By trying Dr. Chase's Nerve Food. I have been reading here about the symptoms of exhausted nerves, and the description just suits my case." "I am sure it will help you just as it did me when I had nervous prostration, for you know yourself that nothing else seemed to do me any good." "That is about right." "Well, I have been telling you that the Nerve Food is what you need." "I know you have, but I did not think there was anything wrong with my nerves, for I was always pretty well. One thing sure, I cannot sleep nights, and get up so tired every morning that I do not feel like taking hold of work like I used to." "I have felt that I am losing grip on business and sometimes get discouraged. Of course, I have been working hard since we are so short-handed, and I suppose this is beginning to tell." "Well, I have been worried about your health, but you would not take my advice and so I could do no more. I am awfully glad you are going to try Dr. Chase's Nerve Food, for I am sure it will build up your health." "I have been reading here a letter from Mr. Myles of Lindsay, and I am not going

to delay treatment until I get like he was. When the Nerve Food cured him it will surely help me." This is the letter: Mr. Alex. Myles, 5 Regent street, Lindsay, Ont., writes: "For the last five years I had been troubled with my nerves. At times I could not put on my coat alone, and often when trying to read the paper my hands would shake so that the paper would rattle, and I could scarcely read it. When drinking a cup of tea it was difficult to get it to my lips. I did not sleep well, and sometimes would only be asleep - short time when I would wake up and then lie awake the rest of the night. Then, also, I used to take cramps in my legs so badly that I would have to get up at night and walk the floor. Sometimes during the day the cramps would bother me, too. My muscles seemed to tie up in knots. I had tried different medicines without success. Last fall I secured a box of Dr. Chase's Nerve Food, and as this one box helped me, I got some more and continued taking them till my nervousness was cured. I feel much better generally, can eat well, and sleep right through the night. I have not had any cramps for two months, and I give all the credit to Dr. Chase's Nerve Food. Some years ago, too, I was troubled with piles, and upon the advice of a friend, used Dr. Chase's Ointment, which cured me. I have great faith in all of Dr. Chase's medicines." Because Dr. Chase's Nerve Food supplies to the body the vital substances from which new, rich blood and nerve force is created it cannot fail to be of benefit to the system. 50 cents a box, 6 for \$2.75, all dealers, or Edmansons, Bates & Co., Ltd., Toronto. The portrait and signature of A. W. Chase, M.D., is on every box of the genuine.
