

Why Can't I Get To Sleep?

Thousands of people all over the country ask this question, but still continue to toss night after night on a sleepless bed, and it is impossible for them to get a full night's refreshing sleep.

Some constitutional disturbance, worry or disease has so debilitated and irritated the nervous system that it cannot be quietened except by the pernicious use of opiates or narcotics. Or again, you have heart palpitation, and sensation of sinking, a feeling you are going to die, or perhaps you wake up in your sleep feeling as though you were about to choke or smother, and the only way you can get relief is to sit up in bed.

To all who suffer in this way, Milburn's Heart and Nerve Pills offer an inestimable boon. They bring back the much-needed night's rest by improving the tone of the nerves, strengthen the heart, enriching the blood and making the whole organization act in harmony—then you sleep as peacefully as a child.

Mrs. James Latimer, 29 Leinster St., St. John, N.B., writes: "At night I could not sleep. I had to sit up in bed, my heart beat so fast, and when I walked up stairs I would get all out of breath. A friend recommended Milburn's Heart and Nerve Pills and after using two boxes I can sleep all night and am not out of breath after walking."

Milburn's Heart and Nerve Pills are 50c a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

HOPKINS-PENSE WEDDING

IN ST. GEORGE'S CATHEDRAL ON WEDNESDAY MORNING.

Miss Marjorie A. Pense Wedded to Capt. Bruce H. Hopkins—Reception at the Home of the Bride.

This morning at eleven o'clock St. George's Cathedral was the scene of an interesting wedding when Marjorie Adelaide, youngest daughter of the late E. J. B. Pense, ex-M.P.P., and Mrs. Pense, and Capt. Bruce Holmes Hopkins, son of Judge and Mrs. Hopkins, of Cayuga, were united in marriage by the Bishop of Ontario, assisted by Dean Starr, rector of the cathedral. Quantities of autumn foliage and palms banked the choir stalls and the altar were many lovely mauve and pink chrysanthemums. As R. F. Harvey played the Wedding March, the bride entered the cathedral with Mattland Hannaford, of Montreal, and looked very beautiful in a georgette crepe gown of palest pink and silver. Her picture hat of black plush and ostrich tips was most becoming, and she carried a shower of sunset roses and lilies of the valley. Miss May Rogers in a lovely frock of pale blue crepe de chene with large hat of black velvet and tulle, was bridesmaid, an armful of Killarney roses completing a most attractive costume. Major Clyde Scott was groomsmen, and the ushers were George Smythe, Lieut.-Col. F. E. Birdsall, Major T. A. Kidd and Lieut. "Jack" Smythe.

After the ceremony a reception was held at the family residence in West street, when Captain and Mrs. Hopkins received with Mrs. Pense. Chrysanthemums in shades of pink and mauve were most artistically arranged everywhere throughout the drawing-rooms and library, and in the dining room the wedding cake centred the bride's table.

Captain and Mrs. Hopkins left for the east at noon, the latter travelling in a smart costume of taupe broadcloth and seal, and taupe velvet hat with a touch of the same fur. Upon their return they will reside at "Hazeldeil," in Portsmouth.

Rev. JOHN LYALL LEAVING TO TAKE A PASTORATE AT ALSACK, SASKATCHEWAN.

He Has Been Pastor of Calvary Church, Kingston, For the Past Four Years, and Has Done Good Work.

Rev. John Lyall, pastor of the Calvary Congregational Church, bids farewell to his congregation next Sunday, November 10th, when he goes west to take over a union church at Alsack, Saskatchewan. Mr. Lyall has ministered faithfully to his people in Kingston during the four years he has been with them. He came to the city from Speedside, Wellington county, and has had four years of hard work, owing to wartime conditions. These years have been trying years for all the churches, and Calvary Church has suffered from the loss of men to a large extent. Nevertheless, under the guidance of Mr. Lyall, the work has gone on steadily. A large number of members have been added to the church, various improvements have been carried out, and the financial position of the church is as good as it has been for years.

Rev. Mr. Lyall has been the recipient of two calls during the past two months. One came from the union church at Alsack, Sask., which he has accepted, and the other from a church in western Ontario, which he was obliged to decline. The church in Saskatchewan to which he is going has for the past three months been supplied by Rev. LeRoy Rice, who was pastor of First Congregational Church in Kingston for a number of years.

Mr. Lyall has been ably assisted in the work he did in Kingston by Mrs. Lyall. She has preached in several of the city churches, and has taken a large part in the work of well-being in the city. She is a vice-president of the W. C. T. U., an active worker in the W. C. T. U., and the Victorian Order of Nurses, and is also on the Board of Poor Relief.

CLEVER LETTERS

Come From the Front With Fine Souvenirs. Dr. Will Maclean, only son of Dr. A. M. Maclean, Leadville, Colorado, wields the pen of a ready writer, and has been greatly entertaining relatives in Colorado and Michigan by his vivid pen-pictures from France, where he has been for many months in the infantry of the American Expeditionary Force. This fine young soldier was in action on 12th September, when many prisoners were captured, and he secured some interesting souvenirs from the field by the retreating foe, and these he has sent home to friends. Dr. Will Condon Maclean inherits the vein of humor and other abilities of his father, Dr. Archie Maclean, our old Kingstonian, and like him is a marksman who never misses a shot. We wish the young warrior all success and a safe return when the war is over. Alan Maclean has been doing a most distinguished "bit" since commencement of the war with many supreme sacrifices.

YOUR SICK CHILD IS CONSTIPATED! LOOK AT TONGUE

If Cross, Feverish or Bilious Give "California Syrup of Figs."

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given.

If your little one is out-of-sorts, half sick, isn't resting, eating and acting naturally—look! Mother! see if tongue is coated. This is a sure sign that it's little stomach, liver and bowels are clogged with waste.

When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten its stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit "fig" syrups. Ask your druggist for a bottle of "California Syrup of Figs," then see that it is made by the "California Fig Syrup Company."

At 2.48 p.m. Tuesday, the firemen were called to the corner of Johnston and Victoria streets and found it was a false alarm, sent in by two Portsmouth brothers, aged ten and twelve years. The boys were handed over to the police, but are regarded as too young for prosecution. They explained that the fire alarm box was open and they did not know what they were doing when they turned the lever.
