

# Our Only Business is To WIN THE WAR

To win this war we must finance it--down to the last Dollar!

The Second Victory Loan is the Supreme Test. It must shatter the last hope of the Terrible Thing that threatens our existence.

We must not fail!

Shall we send our boys into the final decisive death grip half fed, half - armed, broken in spirit and health-- to be slaughtered like the Russians were?

Into the fight!--with both fists, with all your brains all your will power, and all the money you can scrape together.

Keep from your conscience the criminality of permitting a single life to be lost needlessly.

Nothing we can say is too strong to picture the size of the big job.

Don't let humanity's shame rest upon you and your community from failing to subscribe your quota of the
