

THE DAY! The War is Won!

The guns are silent—the trenches are vacant—bloodshed has ceased—Democracy is triumphant—freedom is assured.

Germany, the beaten, whimpering bully of the nations, lies stripped of power, whining for mercy, shudderingly awaiting the righteous retribution to be exacted for her fiendish crimes against an outraged, worn civilization.

A war-worn world is nursing its wounds and planning for a future of peace and universal freedom.

In this day of thankful joy and glorious triumph let us not forget the imperative duty lying immediately before us.

Let us manfully, dutifully and determinedly round out the nation's splendid effort.

Let us be as big in this triumphant day as our men have been heroic in the fiery din and bloody peril of battle.

DEATH OF MICHAEL GRADY

ASSISTED IN BUILDING KINGSTON & PEMBROKE RAILWAY.

Was For Many Years a Prominent Railway Contractor, and Was Also Interested in Mining—Was Native of Utica, N.Y., and Came Here Forty-three Years Ago.

Kingston has lost another good citizen in the person of Michael Grady, who passed away on Saturday night at 11.15 o'clock at his home, 68 Earl street, after a very brief illness. Deceased was in his usual good health up till Thursday, when he was taken with a weak spell, suffering with his heart. He rallied, but later became much weaker until the end came Saturday night.

The late Mr. Grady was seventy-six years of age, and was born in Utica, N.Y. He was a prominent railway contractor, and was widely known. He came to Kingston with the late Col. Flower in 1875, and assisted Col. Flower in the building of the Kingston & Pembroke Railway.

He was also interested in minerals, and was regarded as an expert on minerals. In his early days he did much prospecting in the west. For the past ten years he had lived a retired life. He was very active, and was a familiar figure on the streets. Deceased was a man of sterling character, and warmly esteemed by his wide circle of friends. The news of his death was learned with sincere regret, and in his passing the city has lost a citizen who took a keen interest in everything that had for its object the welfare of the city and for the betterment of citizenship. He was a Roman Catholic, and a member of St. Mary's Cathedral. He is survived by his wife, three daughters, and one son: Mabel, of the American Red Cross, in France; Helen, assistant superintendent of St. Mary's Hospital at Brooklyn, New York; Anna, at home, and Jay, with the Canadian Army Service Corps, at the front.

PITTSBURGH HOUSEWIFE

Tells How Hard Working Women May Keep Well and Strong.

Pittsburgh Pa.—"I keep house for my husband and myself and I got into a weak, run-down, nervous condition and no appetite. I heard how Vinol helped others and tried it and it built me up so I am strong, have a good appetite and feel better in every way."—Mrs. James Croker.

The reason Vinol was so successful in Mrs. Croker's case is because it contains the very elements needed to build up a weakened, run-down system, make rich red blood and create strength.

At Chalmers Church.

"The Lord reigneth, let the earth be glad," was the text chosen by Rev. Dr. R. J. Wilson, of Chalmers Church, for his morning sermon, which was a powerful discourse and full of thrills. The war was practically over, he said, and the peoples who had fought for the Christian ideal had cause to rejoice that God had given them the victory. The war had developed into a conflict between two ideals. There was a difference of opinion in Europe as to the proper definition of God. So the great conflict became in reality a holy war. It was because of the high ideals of the Canadians that the German leaders never cared to send their troops against the soldiers from Canada, because it was for a great ideal that our men fought—not for conquest or gain. Referring to the Victory Loan, Dr. Wilson declared that no person who had money to spare or feared for the years following the war could be called either a good citizen or patriotic. He appealed for everybody who could do so to lend of their savings to the Government to finish the great work which Canada was consecrated.
