

NOW, ALL TOGETHER AND OVER THE TOP!

I WILL TAKE THE UNITED EFFORT OF EVERY MAN, Woman and Child in town to surpass the quota set for us in this Victory Loan 1918 drive.

But we'll do it!

We cannot afford to let any ward--any section--any individual institution lay behind.

The only way to do a thing is to do it.

NOW is the time to subscribe--not to-morrow, or the day after--but now to-day.

When the men at the front get an order to take an enemy trench, they don't say to-morrow will do." No! They respond to the call of duty--promptly.

When we, at home, are given a definite objective to reach--as we are in this Victory Loan Campaign--we must lose no time in getting our individual subscription in.

If Victory Loan Workers fail to call on you promptly, look them up.

Plan to take all Bonds you can possibly pay for. The payments are as follows.

10 per cent. on application.	20 per cent. - January 6th, 1919.
20 per cent. - - Dec. 6th, 1918.	20 per cent. February 6th, 1919.
31.16 per cent. -	March 6th, 1919

See that your factory--your store--your place of business--earns the right to display the Honor Emblem, that signifies a duty well done.

Or, you can arrange with your Employer, or your Bank, to buy your Bonds, on other terms, extending the payments over a year.
