The Canada Ulster

Nogarmenteverdesigned has given more comfort in winter than the Canadian Ulster.

This year's designs are shown in close weaves and in eider-down weaves, with and without plaid inside.

The advantage of the Ulster lies in the fact that it can be worn with comfort in changeable weather, an impossibility in a fur coat.

Special Order Ulsters can be made to measure in four days.

Surface Drainage of Va'ue it Ensure Equal Crops Next Year by Growing Winter Wheat.

Black Knot Responsible for Gres Larger Profits From Live Stock Made Losses Among Plum and Cherr, Growers - How It Can be Con trolled With Least Expense.

(Contributed by Ontario Department of Agriculture, Toronto.)

URFACE drains are used to reto violent showers or the rapid melting of snow and are con sequently often almost as importan on tile-drained land as on that which has no artificial drainage. Thes drains often prevent the gullying ou

Good surface drains will lesse considerably the amount of winte wheat "drowned out" or "winter These injurious effects are largely caused through water stand

natural low levels in the wheat field in the fall. They are easily run out with the ordinary long or the swivel plough, and generally do not require to be more than one furrow wide and one furrow deep. Where there i considerable slope in the field an consequently greater danger of lanbeing gullied out, care should be tal en that drains are not made too nar row. The rounding of the edges a the top and of the bottom of surface drains will facilitate the flow of water by removing danger of blocking from loose pieces of earth. Intersections should be well made to avoid stop pages h drainage system. Heavy clay soils are usually more senefitted by the use of surface drains than are lighter soils .- Prof. W. J. Squirrel Ontario Agricultural College, Guelph

To Cure Black Knot Disease. No other cause, not even winterkilling, has destroyed and is destroying so many cherry and plum trees in this province as the Black Knot disease. This statement, while true of the province as a whole, is not true of the Niagara District nor of any other district where plum and which the farmer has available will cherry trees are carefully pruned and not only provide large plump seed sprayed each year.

The disease is not caused by grubs, although these are often found in gus which attacks the branches and even the trunks of the trees and causes black, knot-like swellings, usually about three inches long and about half an inch in thickness. though often the swellings are much New knots at first are brownish in- hogs and poultry all do better and stead of black, the blackness coming are dess liable to contract infectious

IF you want to bring Music into your home, you cannot be more certain of getting complete satisfaction than by buying

Although the Pathephone is the highest type of Phonograph made and possesses advantages not found in other makes, it does not cost any more than an ordinary Phonograph. For instance, the illustration shows a Pathe-phone selling at \$137.50. Compare this Pathephone with any other make of Phonograph and you will agree that to look for better is utter waste of effort. Note the following points:

A classic design, beautifully finished in Mahogany, Walnut or Furned Oak. Plays ANY disk record, thus placing at your command the combined Record libraries of the world, including the famous Pathe' record, which plays with a permanent genuine Sapphire Ball instead of the scratchy, record-destroying steel needle. The Pathe' tone control, an ingenious little device, permits you to augment or develop. little device, permits you to augment or decrease the volume of tone at your pleasure.

It is the finest Phonograph in its price class, finer than you had hoped to own. A small cash payment-probably less than you had expected to pay-will take it to your Home any time you may direct.

THE PATHE FRERES PHONOGRAPH SALES CO. Genuine Pathe' products can only be obtained from

red Nervous Mothers Should Profit by the Experience of These Two Women

Buffalo, N. Y.-"I am the mother of four children, and for nearly three years I suffered from a female trouble with pains in my back and side, and a general weakness. I had professional attendance most of that time but did not seem to get well. As a last resort I decided to try Lydia R. Pinkham's Vegetable Compound which I had seen advertised in the newspapers, and in two weeks noticed a marked improvement. I continued its use and am now free from pain and able to do all my housework."- Mrs. B. B. ZIELINSKA, 202 Weiss Street, Buffalo, N. Y.

Portland, Ind .- "I had a displacement and suffered so hadly from it at times I could not be on my feet at all. I was all run down and so weak I could not do my housework, was nervous and could not lie down at night. I took treatments from a physician but they did not help me. My Aunt recommended Lydia E. Pinkham's Vegetable Compound. I tried it and now I am strong and well again and do
my own work and I give Lydia E. Pinkham's
Compound the credit."— Mrs. Josephine
Kimble, 935 West Race Street, Portland, Ind.
