## BIBLE SOCIETY IN NEED INCIDENTS OF THE DAY

WANTS KINGSTON TO CONTRIBUTE A THOUSAND DOLLARS.

Round Table Conference and Address by Rev. W. E. Hassard, District Secretary, on Tuesday Evening.

The Kingston branch of the Upper Canada Bible Society was addressed at Queen street Methodist church on Tuesday evening by Rev. W. E. Hassard, Toronto, district secretary. A supper given by the executive to the collectors at the Y. M. C. A. building. Rev. J. S. LaFlair presided. After the report Mr. Hassard conducted a round table conference.

At eight the meeting adjourned to Queen street Methodist school room, where Mr. Hassard showed 100 lantern slides. These slides showed the means of the transportation of the Scriptures. The Upper Canada Bible Society as a branch of the British and Foreign Bible Society, which is the largest and greatest society on earth. It was originated in 1804, and at that time published the Bible in thirty-five languages. To-day it prints the Bible in 650 languages. One new language is added to the list every six weeks. One hundred different languages are used in Canada, and the Gospel is now being prepared in a new language for a tribe living on James' Bay, Ont., requiring an expenditure of \$300. One thousand men are constantly working on the translation and revision of the Bible. Eight million copies in seventy-five different languages were distributed in different countries during the great war. In Canada over 400,000 khaki copies were distributed to soldiers and 10,000 navy blue copies were distributed among the sailors. In Canada thirty-five languages are distributed side by side with the English. Over 12,000 men and women are employed in distribution and transportation throughout the world. A picture of a motor cycle soldier was shown by an English woman was shown.

The society is in need of funds, and the collectors will be calling on every citizen. Kingston should contribute \$1,000. In 1916 the sum raised was \$330, and in 1917 \$265.

Movements of Vessels in and About Kingston Harbor.

The heavy wind storm of the past few days has given navigation a serious setback. A large fleet of vessels have been compelled to remain in port. On Tuesday night the gale was one of the worst experienced this fall.

The steamer Fairfax cleared for the Welland Canal on Wednesday. Four tugs arrived in port from Quebec, and will tow half of a large steamship which will arrive from the Welland Canal, to Montreal.

**Seek His Release.**  
A movement is on foot to seek the release of J. D. Godkin, who some few days ago was sentenced by Magistrate Farrell to serve two months for having received stolen goods. The case arose out of the theft of automobile rugs by a couple of lads who went to Mr. Godkin with a note claiming to be signed by their parents, asking Mr. Godkin to purchase the rugs.
