IF YOUR WIFE

were supporting you, and she carried no more insurance for your protection than you are at present carrying for hers and that of your family, would you be satisfied? Just for a moment imagine the positions reversed. You would, without a doubt, say it was entirely inadequate. How can you expect your wife, with only a thousand or so of Life Insurance, to maintain the home and educate your children, with the cost of living in the ascendant? Why not measure up to your responsibilities, and apply to-day to The Manufacturers Life for one of its Guaranteed Policies, which provides a competence if you live; an estate if you die; or, in case of total and permanent disability, a Monthly Income without any impairment to the face of the Policy?

The Manufacturers Life Insurance Company HEAD OFFICE, TORONTO, CANADA M. G. Johnston, Branch Manager, Kingston.

Kindly complete and mail to the address above. Without obligation, will you kindly furnish me with full particulars of your Guaranteed Policies. I am..... years of age, and am..... (single).
