**More Sport For Soldiers.**  
A greatly enlarged athletic programme has been prepared in Paris by the Y.M.C.A. for the period during demobilization. At the request of the army there will be athletics for soldiers two hours each day to take the place in part of drill. In charge of the Y.M.C.A. athletic work is Elwood S. Brown, who while in the Philippines did the same work with Gen. Harbord and the commander-in-chief's present athletic officer.

The programme is divided into four parts. There will be man exercises and athletics in each battalion and regiment. There will be championship events for the Expeditionary Force, working up with elimination contests through companies, battalions, regiments, divisions, corps and armies. There will be a pageant to show the French the best in athletic life in Canada and the United States.

### Sporting Notes

Beaches have put in a challenge for the Mann Cup, but the next thing to find is who should hold it. "Joe" Lally says Calgary is entitled to possession, but the Coughlan team, of New Westminster, has it now, and claim they are entitled to hold it.

After making a careful study of boxers we have discovered that all are alike. They listen with a glad ear for the bell—on the cash register.

The suggestion of Messrs. Hempstead and Frazee that William Howard Taft should act as a one-man commission to determine with the approval of all baseball men, and there might possibly be some trouble if Hempstead and Frazee insist on going through with their plan.

The Kaiser is about as popular with the people as Ben Johnson is with the baseball players.

After reading one of "Jim" Corbett's articles on Rugby Football, we are convinced that Mr. Corbett was a good fighter.

Wilfrid Viau, of Montreal, accompanied by Mrs. Viau, will leave the eastern city in the near future for France. Mr. Viau said in all probability he would ship Omar Khayyam there for racing next year.

"Bert" (Red) McKenzie, well-known Toronto semi-pro baseball player has been gassed. McKenzie played with the Capitals when they won the city championship three years in succession. He also played with Beaches and Royal Canadians.

### NEARING THE FINISH.

Semi-finals Reached in Races For Rugby Ties.

The O.R.F.U. season is rapidly nearing a close. In the junior series arrangements have been made for St. Catharines to meet Victoria Yacht Club at Hamilton on Saturday in a sudden-death game. The winner of this will meet Central Y.M.C.A. of Toronto in home-and-home games for the championship if the teams think it advisable and the weather is satisfactory. In the interscholastic section, University Schools and Guelph Collegiate are in the final, and will meet at Varsity Stadium on Saturday.

Looks to us as if "Ty" Cobb broke up the war with a circuit clout in his first appearance in the Flanders League.

A lot of pitchers lose the hopes. Ere summer comes each year; But he who has suffered most to date, Is poor old Pitcher Beer.

# Gillette Safety Razor

## THE USEFUL GIFT

Ten million men have adopted the Gillette Safety Razor in preference to any other razor in the world.

Men buy the Gillette because they can get a cleaner shave with it, because it gives them a more comfortable shave, and because it ensures a quicker shave.

Any one of these would make success certain for the Gillette, but that this famous razor can claim all three advantages explains why ten million of them have been sold.

The shaving edge is absolutely rigid and free from vibration—hence the velvet smoothness of the Gillette shave.

The thin blade of finest steel permits perfect hardening and sharpening—there is no finer cutting edge made.

The No Honing—No Stropping feature is achieved by simply changing a blade that

has become slightly dulled for a new one.

With a Gillette, shaving becomes a joy instead of a job; a man prefers to shave every day and he looks the better for it.

Every man prefers a gift that is really useful to some pretty but purposeless novelty. Particularly in these days, you should confine yourself to Useful Gifts.

There can be no question, then, that the gift for a man is a Gillette Safety Razor, if he doesn't already own one, and a Carton of Gillette Blades, if he has the razor.

Sold by jewelers, druggists and hardware dealers everywhere, at five dollars.
