VICTORY CHRISTMAS TREE EDWARD RENO HAS GAINED 25 POUNDS

A CITIZEN SUGGESTS MEANS OF RAISING MONEY.

Collections should be made in Factories and Stores—Allow Subscribers to Nominate Guests—Further Suggestions Invited.

Public interest in the Whig's Victory Christmas Tree Fund for the soldiers' children is growing. Subscriptions are being received more freely, and everything points to the success of the scheme. Suggestions as to the handling of the Christmas tree and also in regard to the raising of the necessary \$1,000 are being received from all sides, and the Whig greatly appreciates the great interest taken in its efforts to enable the people of Kingston to show their gratitude for the winning of the war, to show the true Christmas feeling, that it is better to give than to receive, and to bring gladness and joy into the hearts of the little children whose fathers have kept our Dominion inviolate during the four years of war.

One suggestion in connection with the raising of the money is that factories, stores and business offices which employ a number of people should take a collection amongst their employees, preferably organized by the employees themselves, and in this way raise a subscription for the fund. If every establishment, both civilian and military in the city adopted this plan, and each person subscribed only a small sum, the money would be raised in a few days.

This is a splendid idea, and the Whig takes great pleasure in handing it on to the citizens in the hope that it will bring largely increased numbers of subscriptions.

Another suggestion is that every person subscribing to the fund shall be allowed to nominate a child for the Christmas tree for each dollar of their subscription, with the necessary condition that such children be the children of soldiers overseas or returned men in hospital or on duty in Canada, or the children of soldiers who have made the supreme sacrifice at the front.

This suggestion will be passed on to the committee of ladies who will have charge of the arrangements. The names of these ladies will be published as soon as they are definitely chosen, but the public can rest assured that the committee will be the strongest committee of ladies that has ever been formed in Kingston.

The Whig will be very glad to have any other ideas in regard to the entertainment or the raising of the fund, and any ideas which our readers have to offer should be sent in addressed "Christmas Tree Fund, Whig Office."

As will be seen by the list of subscriptions on page 1, the fund is growing, but with just a little over two weeks to go before the Christmas season, there will have to be a speeding-up of donations. As it is impossible for the Whig to make a call for every Kingstonian to do his or her share in making this Christmas a happy one for the soldiers' kiddies by sending in their subscriptions as soon as possible.

And let the subscriptions be as generous as possible. There could not be a more worthy object. Get your name in that list on the front page, and you will go ahead with your own Christmas festivities with a greater joy in your heart than you would otherwise experience.

Takes Tanlac Following Attack of Influenza and Results Are Wonderful.

"For anyone suffering from the after effects of influenza and needing something to build them up," said Edward W. Reno, a well known employee of the American Railway Express Company, living at 1721 Broadway, Kansas City, Missouri, "Tanlac is the finest thing in the world, and I'll tell you why. "During the recent epidemic I was taken down with the 'flu' myself, and for two weeks was just about as sick as one could be. I finally managed to gull through, but my I was as weak as a baby afterwards. I lost twenty-five pounds in weight or more, and every ounce of my strength seemed to be gone. Of course, I wasn't able to do a bit of work, and it was just about all I could do to walk around and my legs would just completely give out sometimes. I had no appetite, either, and never cared for a thing to eat.

"I knew I wouldn't be able to go back to work at all, feeling like I was, and as I had heard so much about Tanlac I decided to test it out. Well, it seemed to help me right from the first, to where I have actually gained twenty-five pounds in thirty days' time. I have just finished my third bottle, and it is nothing short of astonishing the way it has increased my strength and built me up in every respect. I have not only gotten back all my old strength, but I really believe I feel better than I did even before I had the 'flu.' My appetite was never better, all that tired feeling is gone and I am putting in ten hours of good, hard work every day, and it really doesn't bother me one bit. To say I'm strong for Tanlac is making it very mild. I am constantly telling some friend about it, and I think everybody who is in a run-down condition would do well to give it a trial.

As has been stated, there is not a single portion of the body that is not benefited by the helpful action of Tanlac. Tanlac contains certain medicinal properties which enrich the blood, promote a healthy appetite for nourishing food, thus helping to build up health and strength in the natural way. And, as in the case of Mr. Reno, Tanlac will prove invaluable to all persons suffering from the after effects of influenza, in grippes, typhoid, pneumonia, bronchial troubles, etc. Tanlac is a powerful reconstructive tonic and always produces most gratifying results.

Tanlac is sold in Kingston by A. P. Chow, in Plevna by Gilbert Oskler, in Battersea by C. S. Clark, in Fernleigh by Ervin Martin, in Ardock by M. J. Scullion, in Sharbot Lake by W. Y. Cannon.

—Advt.

comprising the league for the many past tokens of good fellowship, sportsmanship and hospitality, and this invitation we have just received and accepted is only one more item of the very large account of our indebtedness in this respect to the Kingston curlers."

H. Angrove and T. M. Asseltine, replying on behalf of the Kingston Curling Club, said that it was an annual pleasure to all of them, and one they liked to have, to be able to act as hosts to such good sportsmen as the visitors.

A vote of thanks was passed to the retiring executive and to the honorary secretary-treasurer for his able work in enabling the league to work smoothly.

With the Local Curlers. The concluding session of the annual meeting of the Kingston Curling Club will be held at the rink on Monday evening at eight o'clock for the election of skips and other business.

A ladies' branch of the Kingston Curling Club has been formed. The ladies will meet on Monday afternoon for the election of officers and organization for the season.

Joseph A. Clark, formerly of Brockville, has been nominated to contest the mayoralty of Edmonton.

Getting Too Fat? Try This—Reduce

People who don't grow too fat are the fortunate exception. But if you find the fat accumulating or already cumbersome, you will be wise to follow this suggestion, which is endorsed by thousands of people who know. Ask your druggist (or if you prefer write to the Marmola Co., 364 Woodward Ave., Detroit, Mich.) for a large box of Marmola Prescription Tablets. 75c is the price the world over. By doing this you will be safe from harmful drugs and be able to reduce two, three or four pounds a week without dieting or exercise.

C.O.C.L. ANNUAL MEETING
 WAS HELD AT KINGSTON RINK SATURDAY AFTERNOON.

The Results of Last Year's Competitions—Bonspiel This Season at Belleville—Change in Methods of Games—Election of Officers.

The annual meeting of the Central Ontario Curling League was held at the new rink of the Kingston Curling Club on Saturday afternoon at four o'clock. W. G. MacLennan presiding. The following delegates of outside clubs were present: H. P. Stock and J. Kerr, Belleville; A. P. MacLennan, Brockville; N. J. Cole, Eastern Hospital; T. S. Evanson, Prescott; Dr. Leonard, Napanee.

The report of last year's competitions showed that the Eastern Hospital won the senior championship for the first time, defeating Kingston in the finals. Napanee won the junior championship, also for the first time. The league bonspiel was won by Kingston, with Belleville in second place.

The bonspiel for the present season will be held at Belleville on January 7th, 1919. The number of teams for the bonspiel will be limited to four teams from each club. A change was made in the method of playing off the junior games. This season there will be a series of home-and-home games—between Belleville, Napanee, Kingston and Brockville.

The dates for the senior series were arranged:

Jan. 10th—Kingston at Napanee; Brockville at Prescott.
 Jan. 16th—Napanee at Belleville; Eastern Hospital at Brockville.
 Jan. 24th—Kingston at Belleville; Prescott at Eastern Hospital.
 Jan. 31st—Napanee at Kingston; Brockville at Eastern Hospital.
 Feb. 3rd—Belleville at Napanee; Prescott at Brockville.
 Feb. 10th—Belleville at Kingston; Eastern Hospital at Prescott.

The winners in the two games will play off in the finals to be held at Kingston on February 17th.

The officers for the ensuing year are: President, A. B. Cunningham, Kingston; vice-president, N. J. Cole, Eastern Hospital; secretary-treasurer, T. M. Asseltine, Kingston (re-elected).

The financial report showed a good credit balance.

After the installation of the new officers the visiting curlers were invited to be the guests of the Kingston Curling Club at dinner and at the performance of "General Post" in the Grand Theatre, and the invitation was accepted by all.

The following formal resolution was moved by A. P. MacLennan and seconded by J. Kerr: "A hearty vote of thanks is due to the Kingston Curling Club on behalf of the clubs.

READY WITH CHRISTMAS FURS

Hudson Seal

Hudson Seal is justly the most popular fur. Only the fur of animals taken in the colder regions of northern Canada have the desirable fullness, fineness, and lightness of weight. We specialize in select Hudson Seal.
