Mr. and Mrs. James Hughes left this week for Smith's Falls to take up their residence.

A New Blood-Food Has Been Discovered That Works Wonders
Said to Put New Life Into People That Are Run Down.

For years doctors have been searching for a combination that would enable them to inject into this blood the elements it lacked. This can now be done, and any weak-blooded person can quickly be made strong and well.

Already a small army of ailing people has proved the merit of taking after each meal with a sip or two of water, two chocolate-ferrozone tablets. This is easily done, and even one week's use of this wonderful blood-food will prove how nourishing and strengthening and flesh-building the treatment is.

Just think of it—Ferrozone uplifts the entire nervous system, removes the blood, makes it rich and red—gives the sort of aid that's needed in throwing off weakness and languor.

Tens of thousands enjoy the advantages of renewed health through Ferrozone. If you only use it, you'll surely grow strong to the benefit of all those who are in a weak state. You see it goes right to the trouble and then quickly makes a cure.

For those who sleep poorly and have nervous apprehensions, Ferrozone is a boon; it is a specialist in such cases.

Where there is paleness, poor appetite and languor, Ferrozone makes the patient feel like new in a few days.

In tiredness, nerve exhaustion, spring fever and debility, the power of Ferrozone is known from coast to coast and universally used with grand results.

Let Ferrozone build you up, let it win you back to robust health—it will do so quickly you give it the chance. Sold by all dealers, 50c per box or six boxes for \$2.50. Remember the name Ferrozone.

Keep the Bowels Regular And You Won't be Sick

If the bowels do not move regularly, they will sooner or later, become constipated, and constipation is productive of more ill-health than almost any other trouble.

The sole cause of constipation is an inactive liver, and unless the liver is kept active, you may be sure that it will cause piles, heartburn, biliousness, jaundice, floating specks before the eyes, and many other troubles will follow the wrong action of this, one of the most important organs of the body.

Milburn's Laxa-Liver Pills will regulate the bowels so that you will have a free and easy motion every day, and one pill a night for thirty days will cure the worst cases of constipation.

They do this by acting directly on the liver and making the bile pass through the bowels instead of allowing it to get into the blood, thus causing many stomach and bowel troubles.

Mrs. Jos. Labrec, Louise Apts., Calgary, Alta., writes:—"I have been troubled with constipation for the last two years. I have tried numerous treatments, but have never been relieved by anything until I used Milburn's Laxa-Liver Pills, which are helping me wonderfully."

We do not claim that Milburn's Laxa-Liver Pills are a "cure-all," but we do claim that there is nothing better for a sluggish liver.

Price 25c a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Miss M. O'Grady left during the week for Westport. Miss Agnes Ryan, Brooklyn, N.Y., is visiting relatives in this vicinity. Miss E. Klyne has returned from Perth after visiting friends there for the past few weeks. The Red Cross Society will fill boxes to all the boys from this vicinity who are overseas. Threshing has been the order of the day for some time past. The farmers report a very good output of grain. Mr. R. Woods has been for the past week with relatives in Frankville.

A pretty event took place at Trenton, on Nov. 27th, at the residence of Mr. and Mrs. W. E. Hendricks, when their younger daughter, Beryl Isabel, was united in marriage to Harold Douglas Bateman, son of the late Robert Bateman and of Mrs. Blanche Bateman, Belleville.

At Smith's Falls Chief of Police Phillips seized six suitcases containing liquor, imported from Quebec. The suitcases were at the time in the parcel room at the C.P.R. station under check.

Richard Thompson, Superior, has purchased a fine dairy farm of two hundred and ten acres on front road west, the property of Frank Grant.

Everest Hough, aged nineteen years, son of the late Andrew Hough, Hinchinbrooke township, Prince Edward county, died on Saturday.

WIRELESS FROM GERMANY

PICKED UP BY FORMER WELLINGTON, ONT., YOUNG MAN.

Dormand S. Hill Caught It—Thousands of Herring Shipped This Fall From Consec.

Wellington, Dec. 4.—Dormand S. Hill, son of Mrs. Alice Hill (Alice Delone), a former resident of Wellington, but who, with her husband, J. S. Hill, resides in Detroit, Mich., enlisted in the Wireless Signal Corps. He was called to Texas and from there was sent to Houston, Tex., to take charge of a station located at the Giffith place. Soon after Mr. Hill arrived at Houston and took charge of the station he picked up a wireless message from Nansen, Germany, on Wednesday last and it is as follows: A report of the incident says: Appeals addressed to Mrs. Woodrow Wilson and Miss Jane Addams, of Chicago, on behalf of the men of Germany, asking that the armistice terms be modified to prevent "unspeakable disaster," have been sent from the German wireless station at Nansen. They were picked up by D. S. Hill at the military intelligence radio at Houston, Tex., and were made public on Wednesday night by the War Department. This radio is connected with Washington, D.C., by direct wire on which are a number of wireless radio stations between Houston and Washington. If the Houston station is able to pick up messages at this distance it must be a valuable acquisition to the signal service of the United States Government.

Mr. and Mrs. R. E. Clark will leave the farm and move to Wellington. George Tate has gone to Belleville to attend business college.

Mrs. J. T. Hill, of Detroit, who has been in attendance to her mother, Mr. Wilson, returned to her home, Detroit, on Monday last. Rev. Wesley Elliott, of Port Perry, preached two eloquent sermons on Sunday in the Methodist church. He was pastor here four years ago.

The Pictou quartette rendered some good singing on Sunday night last.

Messrs. Taylor and Ainsworth have purchased a motor hearse. Thousands of herring were caught and shipped from Consec on this fall.

Mrs. Armina Wilson, who has had a long siege of sickness, is improving. Mrs. Fana Ranken, of West Lake, is visiting at J. E. Clark's. Pte. Clair Platt is home from Kingston for a few days.

A new pipe organ, costing \$2,000, will be installed in the Methodist church in April next.

Late W. T. Myers, Portland, Portland, Dec. 6.—One of the most highly respected residents of this district passed to his reward in the person of William Thomas Myers, aged twenty-seven years, after a brief illness of influenza. The greater part of his life was spent on the homestead near Portland. His death has caused widespread regret. He was a favorite with all owing to his bright, lovable disposition. He was an exemplary Catholic, a devoted son, and loving brother. Surviving are his wife and little son, his parents, four sisters and three brothers: Mrs. C. J. Kelly, Lombardy; Misses Kathleen, Blanche and Julia, Calgary, and Michael, all on a farm near by. The funeral was held to the Church of the Holy Martyr, Phillipsville, where Rev. Father O. Hanlon sang the requiem mass. The pallbearers were William Barker, Rene Myers, C. E. Myers, Francis Martville, James Ralph and James Heffernan. A wreath was placed upon the casket by the Forfar school friends.

SAVE YOUR HAIR!
A SMALL BOTTLE STOPS DANDRUFF

Every Bit of Dandruff Disappears And Hair Stops Coming Out.

Try This! Your Hair Appears Glossy, Abundant, Wavy and Beautiful.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scourge. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine to-night—now—any time—will surely save your hair.

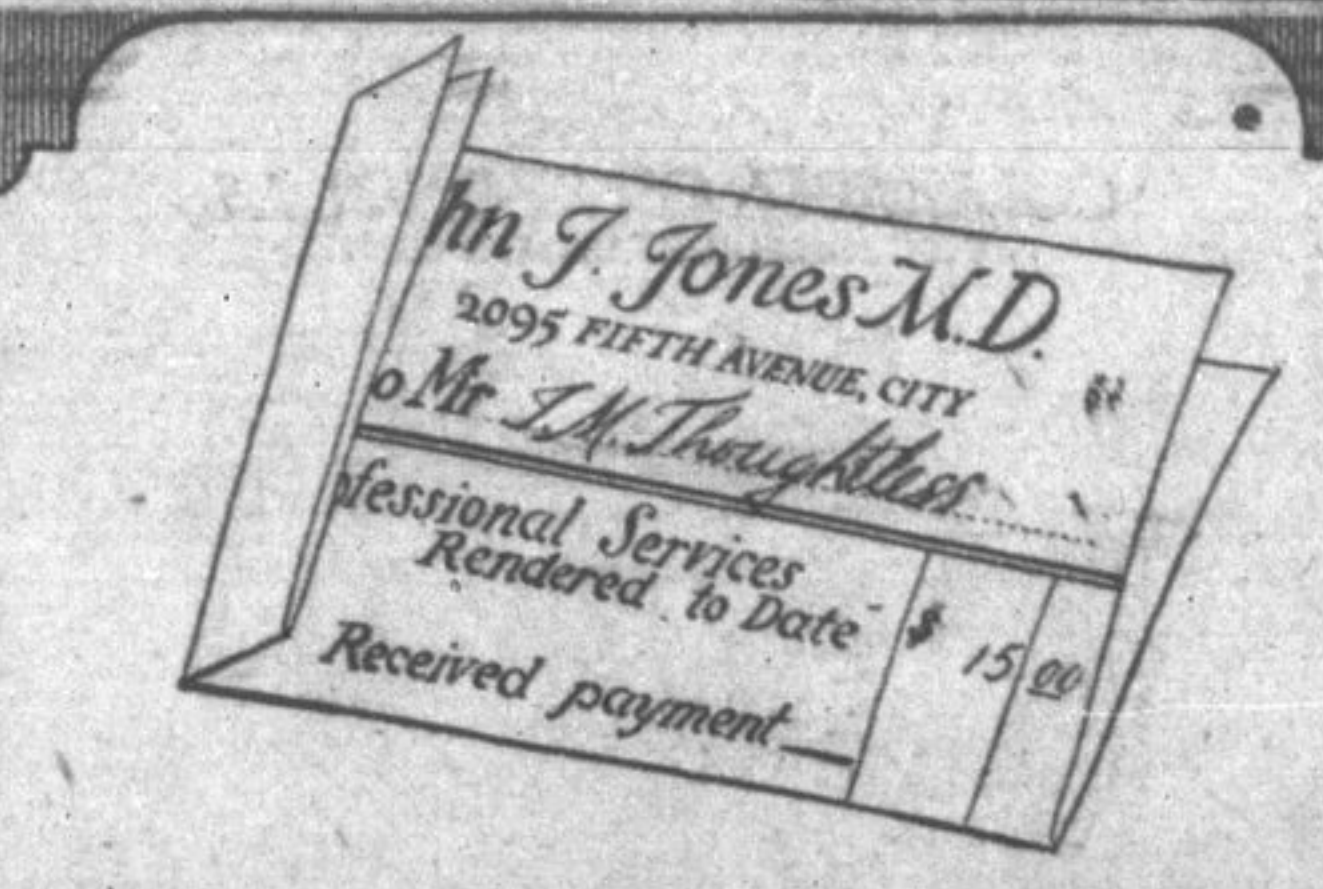

Get a small bottle of Knowlton's Danderine from any drug store or toilet counter for a few cents, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance, an incomparable gloss and softness; but what will please you most will be after just a few weeks' use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating and life-producing properties cause the hair to grow long, strong and beautiful.

Is This Your Bill?

"The Sins of the Flesh" are punished in this world—not in the next.

Disease is not an accident, nor is it sent by Providence. It is Nature's punishment for the breaking of her laws.

Hemorrhoids, for example, occasion an infinite degree of discomfort, suffering and misery. So does a fissure or a fistula.

But such punishments are meted out to those who sin against Nature in two ways, by neglecting to maintain regular, easy, thorough evacuation of the bowels—who form the bad habit of constipation—or what is a worse habit, the taking of pills, castor oil, purgative mineral waters, salts, etc., with the mistaken idea of overcoming constipation by forcing the bowels to move unnaturally.

But the Nujol Treatment for Constipation prevents such sins of the flesh, or mitigates the punishment therefor.

Nujol helps to re-establish easy, regular, thorough evacuation of the bowels.

Nujol is not a drug, does not act like any drug. Nujol is absolutely harmless.

Nujol keeps the waste matter soft, moist and easily voided.

Nujol is not absorbed, does not effect the body—acts as a mechanical lubricant, which can be used for any length of time.

Get Nujol from your druggist. Take Nujol according to directions.
