BIG EVENT IN CITY HALL.

VICTORY CHRISTMAS TREE FOR THE SOLDIERS' CHILDREN.

Further Subscriptions Are Asked For In Order to Bring the Total to One Thousand Dollars.

Only three more days remain for the raising of the fund for the children's Christmas Tree to be held in the City Hall on Friday of this week. In these three days we want to see the fund grow at the rate of a hundred dollars a day, so that when we publish the full list on Thursday the total will be over one thousand dollars. The list of children to be entertained daily grows longer, and the inclusion of the soldiers' kiddies of Portsmouth makes the total greater than was at first anticipated. But every one of them must be included in the list. The additional names makes a great increase in the amount of work to be done by the committees and by the Whig representative who has been attending to the compiling of the lists and the sending out of the invitations. This has been no light task, but every child whose name is on the list has by now received his or her invitation, with the possible exception of a few Portsmouth children whose names were not received until this afternoon. Their invitations have been mailed, and should be delivered on Tuesday morning.

On Friday afternoon, when the news was received that the Armoures would not be available, both the City Hall and the Island Market were offered as places for the holding of the event. After a conference with the Daughters of the Empire, it was decided to accept the City Hall, and to hold the event there. This, we feel sure, will meet with the approval and praise of every citizen, and most of all, of the guests, especially should the weather turn cold in the meantime. Admission will be by invitation only and every mother and child should remember to bring along the printed card sent out by the Whig. These cards will be taken at the door, and small tickets, entitling each child to a gift from Santa Claus will be given to the children. The doors will be opened at 2.30, and the event will commence at three o'clock. An effort is being made to secure at least a part of Ontario Hall where the gifts will be distributed from the Christmas Trees.

The kiddies themselves are looking forward eagerly to the event. Large numbers of letters are being received with every mail from children who are anxious to have their names on the list. Most of these children have already had invitations mailed to them, but all whose names were not on the list are having their cases investigated, and every eligible child will be invited. The preference is given, of course, to those whose fathers are still overseas, or have been killed, but the subscribers can rest assured that every deserving child will be invited. The work of the organizers and of the committees will be well repaid if every soldier's child in Kingston is made happy by their efforts. Their work has been heavy, especially as several of the ladies are also organizing Christmas trees and entertainments for the city hospitals, but it has been done ungrudgingly, and the thanks of the subscribers are due to the Daughters of the Empire for the able handling of the funds which have been supplied. CHILD GETS SICK, CROSS, FEVERISH IF CONSTIPATED

"California Syrup of Figs" Can't Harm Tender Stomach, Liver, Bowels.

A laxative to-day saves a sick child to-morrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish, stomach sour.

Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company."

Once again we make the announcement that the event will not be held in the Armoures, as stated on some of the invitations which were sent out, but will take place in the City Hall. There has been no change in the time stated on the cards. All guests please take note of this, so that that none will go to the Armoures on Friday and be disappointed.

HOSPITAL TRAIN ARRIVES

REACHED HERE ABOUT FOUR O'CLOCK SUNDAY AFTERNOON.

It Brought Two Nursing Sisters, Four Officers and Thirty-seven Men—One Nurse Was on Crutches.

A hospital train, carrying two nursing sisters, four officers and thirty-seven N.O.O.'s and men from the SS. Essiquibo arrived in Kingston just before four o'clock on Sunday afternoon. The Whig bulletin had the news of their arrival earlier in the day, and as a result there was a large crowd at the Grand Trunk station to greet them. The Salvation Army band played patriotic tunes as the train steamed in. Mayor Hughes and W. F. Nickle were also present. The mayor welcomed the boys on behalf of the city, and spoke of the gratitude of the people of Canada to those who had fought and suffered in order that the war might be won. He assured them that the city of Kingston was proud of the part they had played, and that the people will be ready to do all in their power for them in every way.

The men were taken to Queen's Military Hospital in motor ambulances, and their removal was carried out without a hitch. Amongst them were three King's boys: W. Holham, 29 Patrick street; E. Clark, 28 Elm street, and W. P. Doolan, 10 James street. One of the nurses was on crutches, having been wounded in the knee during an air raid on the hospital in France in which she was on duty.

Amongst the officers were Lieut. W. W. Armstrong, Peterboro, and Capt. A. R. Bolton, Strathroy. The most serious cases were removed from the train at the outer station, and conveyed direct to the hospital.

Second Party Arrives.

The party of returning soldiers from the SS. Regina arrived in Kingston at 4.25 o'clock on Monday morning. There was a fairly good crowd at the station to welcome them. About one hundred left the train at Kingston, and were taken to the barracks at Barrfield in motor trucks. Thirty-eight of them were suffering from mumps, and were put in quarantine immediately on arrival. The Salvation Army band was on hand and joined in the welcome.

The following Kingston and district men were in the party: W. H. Aubin, J. H. Bell, H. Billings, A. Boomhaver, A. C. Bouchard, F. Bradford, A. Compeau, M. C. Commodore, J. E. Copperthwaite, D. J. Doran, H. P. Dunes, O. K. Fisher, E. I. Grant, R. Harris, K. Hermistead, J. O'Shea, H. A. Pierce, H. M. Polle, G. J. South, S. J. Smith, W. P. Lelaw, W. T. Mills, W. C. Mitchell, A. Murray, W. J. McCheyne, W. G. Thomas, George Vanose, W. B. Hillier, N. Hitchcock, J. H. Jewell, R. E. Lambert, R. W. Williams, P. J. O'Connell, K. F. Jones, and V. Conrin, all of Kingston; and F. Runette and J. V. Rean, Wolfe Island. C. O. Cook, Kingston, who was in this party, was taken sick at Halifax and admitted to hospital there.

Letters From Siberia.

Interesting letters have just arrived from Siberia, with pictures of the peace demonstrations in Vladivostok. The Canadians up to Nov. 25th had enjoyed perfect weather with wonderful moonlight nights. There are quite a number of Kingstonsians among the first troops arriving there. A few Christmas cards have also arrived for citizens. The advance troops are awaiting the arrival of the balance, when there is some prospect of movements up country. The peace demonstrations were taken part in by a great collection of Allied forces, British, American, Canadian, Italian, French, Japanese and Czech-Slovaks. The British Red Cross is active, a Canadian section was expected at an early date.
