CHRISTMAS TREE EVENTS SPOKE TO THE VETERANS

HELD BY SEVERAL SUNDAY SCHOOLS MONDAY EVENING.

Cooke's, First Baptist, St. James' and Brock Street Methodist Children Enjoyed Entertainments.

The annual Christmas tree and entertainment of Cooke's church was held in the schoolroom on Monday evening. The hall was beautifully decorated, and was crowded with children and their parents. A fine programme of songs, choruses, recitations and dialogues was provided by the children, under the direction of Mrs. R. M. Douglas. After the programme, Santa Claus appeared and distributed gifts and candy to the children. The prizes for Sunday school attendance were also given to several of the scholars and teachers.

At First Baptist. A bumper crowd attended the annual Christmas event of the First Baptist church on Monday evening, many of the audience having to stand. A fine programme of songs,

DR. E. J. LAKE
Superintendent of First Baptist Sunday School for twenty years.

recitations and choruses was given by the children of the school. For the twentieth successive year Dr. E. Lake acted as chairman and superintendent of the Sunday school. He showed a number of lantern slides of the Sunday school picnics and other events and of the boys on the honour roll. The children received presents and boxes of candy from the tree. Rev. J. LaPlair presented the prizes for the year's work in the Sunday school.

Brock Street Methodist

The annual Christmas tree and entertainment of the Brock street Methodist church was held on Monday evening. Dr. C. Nash was in the chair, and there was a splendid attendance. The usual programme was rendered, each class being responsible for a part of the programme. This was a "White Christmas" for the school, and the children brought gifts for the Belgian and Armenian children, and for the children's hospitals. The gifts amounted to about forty dollars. Each child received a box of candy before leaving the hall.

St. James' Sunday School

The Christmas entertainment of St. James' Sunday school was held on Monday night in St. George's hall, and provided a fine treat for the large audience present. The programme took the part of a play entitled "Father Time's Jubilee." In all fifty people took part in the production, and each part was portrayed in an able manner. All the seasons of the year were represented in costume, also all the special days of the year in the title role of Father Time. Miss Amy Partridge was all that could be desired, while the other leading part, that of Mother Nature, was taken by Miss Irene Dawson, and the latter filled the part in a most capable manner. The pianists for the evening were Mrs. Joseph Sharpe and Mrs. L. A. Guild.

There were a number of very interesting features, including a may pole dance in which sixteen children took part, also a flag drill by a number of little children. The program also included a number of choruses, songs and recitations, and the different numbers were of a most entertaining nature, and much appreciated by the audience. J. K. Carroll and W. B. Dalby added much to the enjoyment of the evening by their work in the role of clowns.

A silver collection was taken up during the evening, and at the close, all taking part were entertained to refreshments.

MUNICIPAL NOMINATIONS.

Township Of Stratford.
For Reeve—John Taylor, Andrew McFadden.
For Councillors—William Lindsay, Thomas Makin, Robert Gibson, Robert Allison, Adam Ritchie.

Township Of Wolfe Island.
For Reeve—Dr. William Spankie (acclamation).
For Councillors—James O'Reilly, Morey Spoor, D. S. McLaren, James McGlynn, W. H. Woodman.

The Advice Tendered.
Toronto Saturday Night.
Killarney, Man.—Editor Concerning insurance: I would like to have your advice on the insurance which I am now carrying, \$2,000 in the Oddfellows' Relief Association of Kingston, Ont., which rates have been increased in September. Do you think they are on an actuarial basis and safe to stay insured with; or would I be better to take out a twenty-pay life policy in the Manufacturers' Life Insurance Co.

J. E. A.
I would recommend you to take a Twenty Pay Life Policy with the Manufacturers' Life Insurance Company as decidedly preferable to a policy in the Oddfellows' Relief. This institution is not yet on a sound actuarial basis, although it has improved its position very much.

Union Watch Night Service.
Queen Street Methodist church, 11 to 12 p.m. Tuesday, Dec. 31st. Rev. D. A. Lough, speaker. Spend the last hour of the old year with God.

H. C. NICKLE EXPLAINS PATRIOTIC FUND WORKINGS.

It Costs Less Than One Per Cent. to Administer the Fund in Kingston.

H. C. Nickle addressed a large gathering of soldiers in the rooms of the Great War Veterans Association on Monday evening at the close of business meeting when he explained to the soldiers the administration of the Patriotic Fund. He stated that during the war the sum of forty-two million dollars had been paid into the Canadian Patriotic Fund without a cent of taxation, and that the fund was provided for 52,000 adult dependents and over 143,000 children. The work of the fund was carried on all over Canada, and the cost of administration was never more than two per cent. In Kingston, where, since the beginning of the war, \$207,000 have been paid out, the cost of administration was less than one per cent. Out of that have to be paid long distance telephone calls, part of stenographers' wages, stamps, and other items, so that no one could say that there was any excessive cost of administration. Mr. Nickle spoke of installing the system of paying out the cheques from his own office in person, so that he could become acquainted with the soldiers' wives. It was no easy task to meet 450 women around the middle of every month, and to answer all their questions.

Mr. Nickle outlined the scale of allowances paid by the Patriotic Fund in all classes of dependency, and showed how the advisory committee, which administered the fund, were doing all they could to see that the soldiers' dependents were being given a fair chance to live comfortably. He told the audience that in addition to merely paying out the cheques to the soldiers' wives every month, the Patriotic Fund took a personal interest in the welfare of the families of the men who are overseas. He cited many cases in which the fund officials had been instrumental in straightening out domestic difficulties and in preventing trouble in soldiers' homes. He said that he was often criticized, but when the complaints and the compliments were balanced, there would be a very substantial balance on the right side. As a tribute to the fund, the Government has asked its officials to be responsible for the reception in Canada of soldiers' dependents coming from England, because the Patriotic Fund is the only organization that is big enough for the task. He said that criticism is a good thing so long as it is honest criticism, but that he had no patience with those who complained and raised trouble when there was no cause for it. In conclusion, he said that it had given him much pleasure to be able to do this work, and that he would carry it on for the benefit of the soldier until there was no longer any cause for it. At the close of his speech Mr. Nickle answered a number of questions regarding the fund, and Council which provides for the war service gratuity.

SOME ACCLAMATIONS IN WARDS EXPECTED

But the Majority Candidates Would Prefer Contests in All Wards.

It will not be known until nine o'clock to-night what candidates will contest for aldermen and school trustees in the wards. At that hour all candidates who intend going to the polls must file their qualification papers with the city clerk. It is thought that there may be acclamations in Sydenham, Ontario, St. Lawrence, Catarqui and Victoria wards, but the majority candidates would prefer contests in every ward, as this would be to their advantage. The name of Ald. Daniel Couper was inadvertently omitted from the list of those nominated in Rideau ward. Ald. Couper headed the poll at the last election in Rideau and the people will return him again. H. J. McEwen was also nominated in Rideau ward for alderman. In Frontenac ward Thomas Copley and Thomas Donnelly were nominated school trustees.

Irritable Nerves Restored And Health Regained In a Simple Way

The man or woman who is run-down, not feeling up to the mark, perhaps irritable, nervous or sleepless can well afford to learn about the wonderful results the newly discovered blood-food is giving to folks that use it. There is wonderful power in this new blood-food, and every weak, pallid person can be quickly nourished back to health that uses it as directed.

After each meal, with a sip or two of water, you simply take two little chocolate-coated tablets, sold in all drug stores under the name of "FERROZONE."

The effect is noticeable at once. You feel happier, brighter, more contented. The old-time feeling of weariness departs—you forget your "nerves" and no longer get irritable or cross over trifling annoyances.

There is a reason for this change and that reason consists of the fact that Ferrozone contains blood-making materials you can get in no other way. Ferrozone makes the blood tingle and sing with new vitality. This ensures lots of nourishment and strength being supplied to every part of the body.

No wonder the eyes brighten and the cheeks radiate color and happiness. With abundance of strength, a keen appetite, good digestion and plenty of sound sleep—all the result of Ferrozone—you quickly feel as if life held new charms and pleasures.
