THE EASE AND COMFORT

with which an eye glass rides the nose depends on its adjustment rather than on the kind of frame. There is a knack of bending and adjusting frames to fit a nose that is only mastered by one of practical experience in their construction. We make each pair of frames fit each individual nose, and our lenses are the very best quality that can be had.

ST. PAUL'S ENTERTAINMENT

For the Senior Sunday School Pupils Wednesday Evening.

An entertainment for the senior pupils of St. Paul's Sunday school was held in the school room of the church on Wednesday evening. After supper a splendid concert was given. Two prizes were awarded to each class on recommendation of the teachers, and the presentations were made by the rector, Canon W. F. Fitzgerald. Those who took part in the programme included Misses Alice Gale, Anita and Ethel May Sutherland, Frances Ellerton, Dorothy Janeway and Helen Hough; Miss Kathleen Elliott, of Chalmers, who did some Scotch dancing; Miss Leah Buell, of St. Andrew's; Stanley Kerrison, Arthur Cadden; Sergt-Major Spence, and Sergt-Major Thomas Kelly, who gave some humorous recitations. A sketch entitled "Living Magazines" was given by the children under the direction of Miss Bessie Fleming. Miss Saunders was accompanist.

The chairman thanked the teachers for their faithful work during the past year. St. Paul's Sunday school is in a flourishing condition, and the school room is hardly large enough for the requirements.

CONCERT AT PORTSMOUTH

Was Given Under the Auspices of Village Hockey Club.

One of the most enjoyable concerts ever given in Portsmouth was that held at Portsmouth on Wednesday night in the Orange Hall under the auspices of the Portsmouth Hockey Club. Rev. James Holiday presided, and before introducing the programme took occasion to extend a hearty welcome to returned soldiers, and also stated that in the near future action would be taken in the village for the erection of a suitable memorial in memory of the men from Portsmouth who had paid the supreme sacrifice.

Lieut. Sanford, of the Soldiers' Aid Commission, also spoke, making an appeal in behalf of the returned men.

The programme provided a fine treat and consisted of piano selections by Miss Barnes, solos by Miss Pollard, selections by a quartette composed of Sergt. J. E. Hart, H. W. Shaw, J. Saunders, and Sergt. Hill, recitations by William McFeddridge, and solos by Sergt. Spargo, and J. D. Bankler.
