### Band Records!

After all there are times when the craving for music is only satisfied by the stirring strains of a brass band. Band music on Columbia records is vivid with reality—thrilling marches which quicken the blood—noble and stately compositions by the world's master composers, descriptive, dance, operatic, patriotic, sacred. The following selected band records are chosen from the most brilliant and popular band recordings in all the Columbia catalogue,

National Emblem March-Prince's Band 10 In. 10c Washington Grays March-Prince's Band A.2486 Defend America, March-Prince's Band 16 in. 90c American Eagle March-Prince's Band A2291 Second Regiment C.N.G.
