PLAYS BIG PART

In Bringing Together of the Two Factions Respecting Poland.

TO POLAND ON BEHALF OF THE PEACE CONFERENCE

To Report on the Situation-The the Supreme Council.

By J. W. Dafoe, C.P.C. Paris, Jan. 20 .- One of the man difficult problems before the peace conference is that of Poland, but this situation has been greatly improved by the coming together the two factions. In the negotia- sembly should be suppressed as illetions which brought this about, a gal. A majority of the people ex-Canadian, W. J. (Rose, of Winnipeg, pect that the former view will preplayed a considerable part. He spent many months recently in Poland, and has been sent again on behalf of the peace congress, with The King's Fourth Son Succumbed other delegates, to report on the situation in that distressed land of Paderewski and Pilsudski.

The Russian Situation

(Canadian Press Despatch) preme council of the peace conference at its sesion to-day. Joseph Noulens, French ambassador to Russia, was present at the meeting and addressed it on the Russian question. This announcement was made in an official statement given to bury the tragedy of their youngout regarding the proceedings of est son's delicate health in the silthe plenpotentiaries. The council | ence of their hearts. In recent years will be meeting again to-morrow.

NOT BY GBACE,

Canada Takes Her Place the Conference of Nations.

Ottawa, Jan. 20.-Reference Canadian representation at the Peace Conference was made by Hon. N. W. Rowell, President of the Privy & ALLIED CONTROL OF Council, in the course of an address before the Ottawa Forum last night

THE RIVER RHINE THE NATURAL BARRIER

Marshal Foch Says It Is the Frontier to Protect Civilization.

Treves, Jan. 20 .- It is the conviction of Marshall Foch that the Rhine must be made the barrier between The President of France Delivered Opening Germany and France. He expressed this clearly when he received American newspaper correspondents.

Marshal Foch pointed out the difficulties that had been overcome, and said that peace must be commensur- ULL'IL ate with the price of victory. Germany now was beaten, he added, but with her resources, especially in NOMINATED BY WILSON AND men, recuperation in a comparatively short time was quite possible. It was now the duty of the allies to Both the American President and the prevent further aggressions.

The armistice was not concluded too soon, the Marshal said, and the allies got all they asked for from; Germany without continuing the fighting. The allies were prepared for another offensive stroke which Poincare of France, would have forced the Germans to
