QUEEN'S JUNIORS WINNERS

DEFEATED R.M.C. ON MONDAY NIGHT BY 3 TO 1.

The Students Showed Superior Tactics and General Hockey Ability to the Cadets From Navy Bay.

Queen's juniors won their first game in the O.H.A. series when they defeated the R.M.C. on Monday night by a score of 3 to 1. Superior tactics and hockey ability were the deciding factors in this game. The R.M.C. presented as fine a junior team as it is possible to find, and in the two last periods skated Queen's off their feet. Only the ability of the indomitable goal keeper, H. Nickle, saved the lead. McKelvey put up a great fight for his team and he was undoubtedly the best play on the ice. He was ably assisted, for every one of Queen's possessed pluck-plus. The R.M.C. lacked combination and dexterity and their superior strength at the close of the game was no compensation for the clever stick work of Queen's youngsters, who put up a stout defence, barring the way to the net.

The game was called at 8.20 and inside of six minutes Robinson and McKelvey scored. Queen's played fast throughout the period and Campbell, the right wing, was penalized twice. McDougall and Boulter of the R.M.C. made some beautiful runs, also McKenzie, but there was a deficiency in support and passing ability. The period ended 2 to 0 for Queen's.

The second period was called at 9. Both sides put up fast play but the R.M.C. depended upon the wings to do most of the work. Campbell scored for Queen's in seventeen minutes and a minute later Walker scored the first goal for the soldiers. Several times the cadets got through Queen's defence, but Nickle saved the situation.

The third period was called at 9.45 and the cadets clearly demonstrated their superior condition, and skating ability. Likewise their lack of knowledge of the game. They skated

Girls! Beautify YOUR HAIR AND STOP DANDRUFF

Hair Becomes Charming, Wavy, Lustrous and Thick In Few Moments.

Every Bit of Dandruff Disappears And Hair Stops Coming Out.

For a few cents you can save your hair. In less than ten minutes you can double its beauty. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous, and charming as a young girl's after applying some Dandrine. Also try this—moisten a cloth with a little Dandrine and carefully draw it through your hair, taking on a small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Dandrine dissolves every particle of dandruff, cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use, when you see new hair—fine and dense at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it, surely get a small bottle of Knowlton's Dandrine from any drug store or toilet counter and just try it.

Keep the Bowels Regular And You Won't be Sick

If the bowels do not move regularly, they will sooner or later, become constipated, and constipation is productive of more ill-health than almost any other trouble.

The sole cause of constipation is an inactive liver, and unless the liver is kept active, you may be sure that headaches, piles, heartburn, biliousness, jaundice, floating specks before the eyes, and many other troubles will follow the wrong action of this, one of the most important organs of the body.

Milburn's Laxa-Liver Pills will regulate the bowels so that you will have a free and easy motion every day, and one pill a night for thirty days will cure the worst cases of constipation.

They do this by acting directly on the liver and making the bile pass through the bowels instead of allowing it to get into the blood, thus causing many stomach and bowel troubles.

Mrs. Jos. Labrec, Louise Apts., Calgary, Alta., writes:—"I have been troubled with constipation for the last two years. I have tried numerous treatments, but have never been relieved by anything until I used Milburn's Laxa-Liver Pills, which are helping me wonderfully."

We do not claim that Milburn's Laxa-Liver Pills are a "cure-all," but we do claim that there is nothing better for a sluggish liver.

Price 25c a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

21ST BATTALION CLUB

Is Formed to Welcome Home the Present Battalion.

A number of veterans of the 21st Battalion, Kingston's own fighting unit, met in the Great War Veterans' rooms on Monday evening, and discussed plans for a reunion of members of the battalion. It was suggested that a 21st Battalion club be formed in conjunction with the G.W.V.A., and that a banquet be held for the purpose of getting the scheme off to a good start. At the meeting a committee was formed, composed of Sergt. Sleath, Sergt-Major Turwood, Capt. McCalla, Lieut. Feink, Sergt. Doonan and Sergt. Ford. They will arrange for a club and a banquet.

Major Sharpe to Face Charge.

Major W. J. Sharpe, former casualty officer, who was reported to have been located in New York recently, will arrive in Kingston in a few days to face a charge of absence without leave. Extradition proceedings have been taken, and the authorities here are waiting for the deportation order. When this is received, Major Sharpe will be brought back to the city for disposal of the military authorities.
