QUEEN'S DEFEATED 8 to 1

Belleville Won O.H.A. Game On Wed-

nesday Evening. Queen's intermediate went down to defeat by a score of 8 goals to 1 in an O.H.A. game played at Belleville on Wednesday evening. The ice was soft. In the first period Belleville scored two goals to Queen's one. Gratton did some great stick handling and scored the goal for Queen's. The second period was a hummer. Both sides went at it hammer and tongs, but neither side could score

The final period was a debacle, so far as Queen's were concerned. Shotafter shot rained in upon the goaltender, who did not show up to great advantage, and six goals were scored by Belleville in rapid succession. Brouse and Arnott played splendid hockey for Belleville, and were instrumental in scoring most of the goals for their side. Gratton was easily the best man on the ice. His skating and back-checking were marvellous, and the Belleville cracks, Arnott and Brouse, could do little with him. On the defence, McKel-vey worked hard, and played a useful game. The game was an excep-tionally clean one. The line-up was: Belleville—Goal, Bolan; defence,

Brouse and Sutherland; centre, Arnott; wings, Box and Greene. Queen's Goal, Chown; defence, McKelvey and Nickle; centre, Gratton; wings, Hamill and Taft; substitutes, McDairmid-and Reynolds. . 4 "Bobbie" Hewittson, Toronto, re-
