Will Work For Harbor.

Mayor Newman was greatly pleased to learn that the Board of Trade was stirring up the matter of improvements for the harbor. His worship referred to this question in his inaugural address, and states that he will put forth every effort possible to get things going. He is in favor of having a large deputation go to Ottawa in reference to the needed harbor improvements.

Trouble was caused when some towels boiling on a gas stove caught fire. The damage was slight.

The islanders are wishing for cold weather so they can get across the ice to the city. They will likely get their wish, as the Weather Man's report to-day was for colder weather.

We will rent you a piano, and at end of six months if you feel like purchasing instrument we will allow the six months' rental on purchase price, and arrange easy terms on balance. C. W. Lindsay, Limited.

If Kingston is to retain her name for giving well over the mark set in all previous appeals for patriotic and philanthropic causes, her citizens must double up on their givings of the past two days to the Salvation Army Red Shield drive.

PUT THE PUPILS BACK.

They Did Not Come Up to the Required Standard.

Considerable excitement has been caused at the Collegiate Institute by the setting back to lower forms of a number of pupils whose examination papers did not show results satisfactory to the principal. These pupils, at the beginning of the session, were promoted to higher forms, but their work did not justify this promotion, and they have now been sent back to their former standing. Several parents are greatly perturbed at such action being taken; some have withdrawn their children from the collegiate, and several others threaten to take the same proceedings, with the intention of sending their children to St. Mary's school, Regiopolis College and the Notre Dame Convent. Principal Sillier acted upon the recommendations of the teachers, based upon the work of the pupils in their class examinations.

Concert At Calvary Church.

The choir of the First Congregational church visited Calvary church on Thursday evening, and provided a splendid concert, concluding with the sacred cantata, "The Light of Life." There was a large audience, and the music was greatly enjoyed. A piano solo was given by Miss Emma Barnes, vocal solos by Miss Margaret Ferne and Mrs. Woulgar, duet by Miss Woulgar and Rev. T. deCourcy Bayner, vocal solo by Mrs. Watson, and a recitation by Rev. T. deCourcy Bayner. The male trio, Messrs. Rayner, Marshall, Sr., and Marshall, Jr., rendered a musical item in splendid style. The cantata was well rendered and much appreciated by the audience.

Just arrived, one hundred records of "Rose of No Man's Land, A 2670, C. W. Lindsay, Ltd., 121 Princess Street.
