GANANOQUE

(From Our Own Correspondent)

Jan. 25.—At an early hour on Friday morning Mrs. Dunlop, wife of Russell Dunlop, passed away at the family residence on South street, after a short illness of pneumonia. Besides her husband she leaves three young children. Mr. and Mrs. Dunlop were both Kingstonians, and the remains were forwarded to that city early yesterday, where interment will be made. Deceased was well known and was highly esteemed by the entire community. Mrs. Dunlop was formerly Miss Ruby Connolly, of Kingston.

At the close of the regular session of Harmony Lodge No. 15, Daughters of Rebekah, on Thursday evening, a pleasing function was held in the line of a surprise party, in the I.O.O.F. recreation hall, by the sisters of the lodge and a number of invited guests, in honor of Mrs. John Laska, a past grand for the order and an active worker for a number of years, who is to leave at an early date for Pontiac, Mich., to join her husband, who located there a few months ago. Miss Eva Glover, in behalf of the ladies, presented a neat address accompanied by a fine cabinet of silver to the guest of honor. Although completely taken by surprise, Mrs. Laska in a fitting acknowledgment. A banquet was afterwards served.

The younger members of Gananoque Council No. 284, R. T. of T., held a progressive euchre at the home of Mrs. Tarzotte, Sydenham street, on Thursday evening.

The annual supper of the local fire brigade was held on Thursday evening in the fire hall. Mayor Wilson and the members of the fire and light committee of the town council, Councilors Dowley, Sims and Keyes, were present as guests. Ex-Fire Chief Charles Sweet was the director of ceremonies. In behalf of the firemen a neatly worded address, accompanied by a beautiful pair of gold cuff links and tie pin inscribed with his name was presented to ex-Councilor George A. Smith, chairman of the fire and light committee for 1918.

Pte. Colin McKellar, son of Mr. and Mrs. James McKellar, Garden street, who was one of the arrivals on the Olympic recently, and who stayed over in Montreal for a short visit with his sisters, arrived in town early yesterday afternoon, and was heralded by the local factory whistles. Mayor Wilson and a delegation of the local council and a large concourse of residents of the town met him at the King street pavilion and tendered him a hearty welcome home.

A rosy number of Orangemen under the jurisdiction of the District Lodge of Gananoque and South Lake assembled last evening with their brethren of Protection Lodge No. 51 for a social invitation, for the purpose of arranging for a fitting reception to Most Worshipful the Grand Master of the Sovereign Grand Lodge of British North America, Bro. N. C. Hocken, M.P., and to Right Worshipful the Grand Master of Ontario East, Bro. Oscar W. London.

Under the auspices of Gananoque Council No. 284, R. T. of T., an enjoyable sleigh drive was held on Tuesday evening. After a very pleasant outing the participants gathered in the council chamber in the Stueben block, where refreshments were served and a short programme of a musical and literary nature was rendered.

Eldon Staebler, of Hay Island, left recently for Boston, Mass., where he will spend a few weeks.

Joseph H. Lafrance, Brock street, spending the past ten days in New York city, has returned to town.

Gunner John B. Gould, King street, who recently returned from overseas, is spending the week-end in Brockville, the guest of his cousins, Mr. and Mrs. Cecil N. Palmer.

DONATES \$200 TO HOSPITAL

Good Work of Helping the Hospital Grows Apace.

Pictou, Jan. 25.—Last week the heart of President Davison was made glad when Mrs. Lewis Minkler and Mrs. Hamilton Welbanks executive of the Milford Women's Institute, stepped in the Bristol store and counted out \$200 to him, as their institute contribution to the hospital fund.

Fearing that the land situated directly opposite the corner lot of the hospital would be sold and buildings erected thereon that would obstruct the view from the hospital of the bay and beautiful shore opposite, a lady of our town has purchased the land and presented it to the institution, much to the delight of the directors.

Beautifying the Town.

Napanee, Jan. 25.—At the last council meeting quite a lot of interesting discussion took place over the question of beautifying the town. Several schemes were discussed, and several places mentioned where a little work would add wonders to the beauty and appearance of the streets of our town. The question will receive further attention.

There are two sides to every story and a lot of them should be turned.

PRINCE EDWARD FAIR.

The Agricultural Society holds its Annual Meeting.

Pictou, Jan. 25.—The annual meeting of the Prince Edward County Agricultural Society was held in Pictou on Friday last with a good attendance.

The retiring president was G. Edward Bouler, Chairman Metcalfe, Cherry Valley, was elected president for 1919. B. R. Leavens was elected first vice-president, and M. Grant Thompson, 2nd vice-president. A. P. MacVaneel was re-elected secretary-treasurer.

The directors elected were Messrs. H. B. Bristol, H. H. Horsey, W. J. Carter, E. B. Partelle, Howaru Leavens, Dr. E. M. Herrington, W. H. Gough, G. M. Gilbert, Fred Hubbs, W. A. Wright, G. Edward Bouler, C. E. McCallum and A. Welbanks. Auditors, H. Allison and M. R. German. C. B. Grimmon was appointed caretaker at \$25 a year with the privilege of cutting the grass. It was decided to hold field crop competitions in oats and corn during the season of 1919.

B. R. Leavens was appointed a delegate to the meeting of the Central Fair Association in Belleville on Jan. 21st. President Carmichael and ex-President G. E. Bouler are the delegates to the Provincial Association in Toronto on Feb. 13th and 14th.

The dates decided on for holding the fair this year were Sept. 16th, 17th and 18th. There was considerable discussion as to the name of this year's fair, but it was finally decided to call it the "Welcome Home Year," the idea being, of course, to celebrate the homecoming of the boys from overseas and to also welcome home all other old boys who may attend the fair.

The financial statement for 1918 shows a successful year. Over \$2,000 was paid in premiums to exhibitors. The proceeds from gate receipts amounted to over \$3,000 and membership for 1919. The total receipts for the year covered the premiums and expenses. The liabilities of the exhibition have been reduced during recent years to the sum of about \$2,000, a record that is certainly a most creditable one.

QUEEN'S JUNIORS VICTORS

OUTCLASSED KINGSTON IN THE O. H. A. GAME FRIDAY NIGHT.

The Score was 12 to 1.—Both Goalkeepers Were Ruled Out in the First Period For Getting In a Mix Up.

Queen's Juniors won from Kingston in the O. H. A. game on Friday night by a score of 12 to 1. This result ties the two teams in the series.

The ice was in first-class condition, and the rink was packed to capacity by hockey enthusiasts and the supporters of the two teams. The better team won, clearly outclassing the Kingston players. Baker and Brown put a good fight, but their supporters did not show the form they did in the first game. McKelvey, McIntosh and Campbell were superior to any three of their opponents, but Devlin was plucky throughout. Unfortunately the game was marred, early in the first period when Devlin and H. Nickle came to blows at Queen's goal. McIntosh interfered, and Connell, goal keeper for Kingston, rushed to the spot and dealt McIntosh a blow. All three were penalized. Later Connell was hit by the puck and hurt. In the third period he was penalized again.

The first period was called at 8.30, and almost immediately McKelvey scored. H. Nickle, Devlin and Connell were penalized, and while the Kingston team was handicapped by the loss of their goal keeper and centre, Hammill scored, and McKelvey added another. Connell was injured by the puck, but kept his post. The period was marked by aggressive play on the part of both teams. At the end the score was 3 to 0 in favor of Queen's.

The second period was called at 9.15. Both sides were equally aggressive, but Kingston was unable to score and Hammill, Robinson and McKelvey added three goals to Queen's lead.

In the third period Robinson was penalized twice and Connell once. Baker scored for Kingston, but Queen's lead was doubled, Campbell scoring three goals, D. Nickle two, and Hammill one. When the gong sounded the score was 12 to 1.

It was Queen's game all the way through. While many expected to see a fast game, the result was entirely unexpected. There is no doubt but that the unfortunate incident in the early part of the first period seriously disturbed the morale of the Kingston lads and placed the match at a disadvantage. The line up was:

Queen's—H. Nickle, goal; McKelvey, right defence; McIntosh, left defence; Robinson, centre; Campbell, left wing; Hammill, right wing; Roney and D. Nickle, substitutes.

Kingston—Connell, goal; Baker, right defence; McLaughlin, left defence; Beardshall, centre; Blute, right wing; Brown, left wing; Devlin and Rubin, substitutes.

Referee, George Vanhorne.

GREAT WINTER FOR AUTOS

Many Citizens Have Kept Cars Going All Season.

This has been a great winter for the autos, owing to the open weather. There are many citizens who have not laid their cars up, and many who did put their cars away, are now wishing that they had kept them out.

"I have used my car nearly every day this winter so far," said one citizen to the Whig, on Saturday morning, "and it has been a great help. I did not dream that I would be able to keep it going all winter. It is an ill wind that blows no person good, and as a result of the opening of the auto, there has been a very great demand for gasoline."

Entered by Bishop of London.

The following tribute to the splendid work done by the Salvation Army during the war has been endorsed from Very Rev. Michael F. Fallon, Bishop of London:

"I have read and saw much of the good work done by the Salvation Army for the social welfare of the Canadian troops fighting in France and Flanders. Every organization which contributes to this cause has my deepest sympathy, and I am glad to know that your society is doing such valuable and effective service."
