THE GENERAL HOSPITAL.

The Governors Change the Hour of Their Meeting. On Monday afternoon the General Hospital board of governors met. The financial statement showed a busy month both as regards receipts and expenditures.

February is the month for the spring cleaning, and arrangements are being made to have the wards renovated and such other rooms as need it.

It was decided to change the hour of meeting from four to five o'clock as many business men have stated that it is very inconvenient for them to break away from their office as early as four o'clock.

A number of applicants for admission to the training school have been accepted during the month and these will be taken on as soon as vacancies occur. The various classes, junior, intermediate and senior, are working and studying hard preparing for examinations which will probably be held in April. About twenty expect to graduate at that time.

The visiting governors for the month are A. Shaw and James Crawford.
