Simply dissolve a Peps tablet in your mouth. Your breath carries the medicinal Pine vapor, which is released, to all parts of the throat, nasal and air passages, where a liquid medicine could not possibly reach. This vapor destroys all germs with which it comes in contact, soothes and heals the inflamed membranes and fortifies you against coughs, colds, sore throat, bronchitis and grippe. Peps contain absolutely no harmful drugs and age therefore the safest remedy for children.

FREE TRIAL Cut out this across it the name and date of this paper, and mail it (with Ic. stamp to pay return postage) to Peps Co., Toronto. A free trial packet will then be sent you. All druggists and stores sell Peps, 50c. box.

WARNING

Now is the time to come and make arrangements to have your car stored and overhauled. We still have space for a few. more cars. Automobile repair work a specialty.

Her Five Children HAD WHOOPING COUGH AT THE SAME TIME

Whooping cough is one of the most dangerous diseases of children, especially to those under five years of age. It first starts with a fever and cough, sneezing, watering of the eyes and an irritation of the throat. Later the coughing increases, the child becomes livid in the face, the eyes appear as if they would burst from of Ontario for the purpose of assisting imminent till relief is brought by the men in civil life.
