FOR ERECTING NEW SCHOOL

COMMITTEE TO CONSIDER ACCOMMODATION AND REPORT.

Salary Increases For Teachers on Collegiate Institute Staff as recommended by Management Committee, Were Adopted.

That the management committee consider the school accommodation and report at an early date as to the needs.

The above resolution, moved by Trustee J. G. Elliott, and seconded by Trustee J. M. Farrell, was passed at a meeting of the Board of Education held on Thursday night.

The need of a new school was reported on by Inspector J. Russell Stuart in 1916, and in his latest report he made a similar recommendation. Owing to the war, the board found it necessary to shelve the matter, but now that the war is over, active steps are being taken to have the school erected.

Trustee Farrell brought up the matter, stating that the money required for the new school should be placed in the estimates, and that the question of a site be taken up.

Inspector Stuart, in his report, drew attention to some crowded class rooms, and Trustee Godwin stated that his attention had been drawn to overcrowded class rooms by a number of citizens.

Trustee Elliott suggested that Inspector Stuart submit a report as to where the new school should be built.

The time of the board at its session, for the most part, was taken up in discussing the report of the management committee, submitted by Trustee Macdonald, which had under consideration the salary schedule of the teachers of the Collegiate Institute, and which recommended increases. The report of the committee was finally adopted, as follows:

Management Committee's Report.
That Agnes Boyd be appointed to the public school teaching staff for the January-June term at a salary at the rate of \$51 per year.

That Miss Bureau, of Victoria school teaching staff, be appointed entrance examiner for 1919.

That the Collegiate Institute salary schedule be reconsidered.

That the maximum figures of the Collegiate salary schedule be increased to the figures in the column under the heading "Recommended":

	Pres-	Recom-
	ent-	men-
	d.	d.
Male heads of departments	\$1,900	\$2,200
Male assistants who are specialists	1,600	2,000
Male assistants who are not specialists	1,500	1,800
Female assistants who are specialists	1,300	1,600
Female assistants who are not specialists	1,200	1,400
Female assistants who are not graduates	1,200	1,200

The change to take effect in the year 1919.
The annual increases to be \$100 in each case until the maximum is reached.

Discussion on Salaries.
Trustee Macdonald, in presenting the report of the management committee, pointed out the need of keeping up the high standard of teaching in the Collegiate, and stated that good salaries must be paid to the
