Miss Anne Merrill, the London, England, correspondent of the Ottawa Journal, sends the following item of special interest to Kingstontians: "The engagement was announced in a morning paper here of Capt. W. S. McCann, M.C., A.D.C. to Brig.-Gen. V. W. Odium, of Vancouver, and only son of James S. R. McCann, Kingston, Ontario, to Joy, only daughter of the late Admiral Sir A. H. Markham, K.C.B., and Lady Markham, of South Kensington. An evening paper commenting upon the interesting announcement states that the young lady's parents named her 'Joy' because of the great pleasure her arrival gave them, they having waited six years, and when Joy came, she arrived with roses in June only eighteen and a half years ago. Sounds like a fairy story, doesn't it, and now a Canadian officer has won 'Joy,' and his friends are busy congratulating him. Admiral Markham, who died

She Tried Them and Found Satisfaction

What Mrs. McKay Says of Dodd's Kidney Pills.

Gives the Real Reason Why Dodd's Kidney Pills Continue to Grow in Popularity as a Kidney Remedy. Salt Springs, N.S., Feb. 21.—(Special).—"I have found satisfaction in using Dodd's Kidney Pills, and I recommend them to all who suffer."

This is the statement of Mrs. Howard P. McKay, a well-known and highly-respected resident of this place. This statement goes straight to the point, even as Dodd's Kidney Pills go straight to the kidneys.

For Dodd's Kidney Pills are long past the experimental stage in Nova Scotia. For more than a quarter of a century they have been in use as a household remedy for kidney diseases and those other ills that come from sick kidneys.

Dodd's Kidney Pills have done just what Mrs. McKay says. They have given "satisfaction."

They have been used to treat rheumatism, sciatica, diabetes, dropsy, sore back, gravel, and other similar ills. That they continue to give satisfaction is evidenced by their popularity.

If you haven't used Dodd's Kidney Pills, ask your neighbors about them.
