

DID YOU SAVE \$10.00?

Quite a few of our regular customers have been in and had a tag placed on a bicycle for next year by paying \$5.00 cash and \$2 per week until \$45.00 has been paid for a \$55.00 bicycle.

Just a Few More

Will be sold at this low price, and it is low when you consider how everything else has gone up in price, and these wheels have coaster brakes, mud guards and Dunlop tires.

MASSEY

This is the wheel you get for \$45.00; and it's now worth \$55.00.

SMILES FOR WHIG READERS

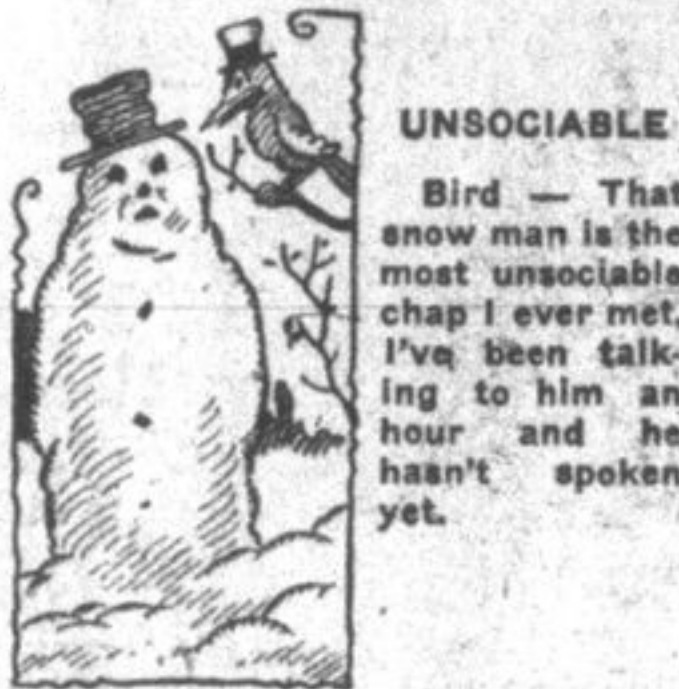

HIGH FINANCE
Mrs. Happiwed—How is everything with you now, dear?
Mrs. Multiwed—Everything's just lovely. My ex-husbands have formed a syndicate to underwrite my alimony.

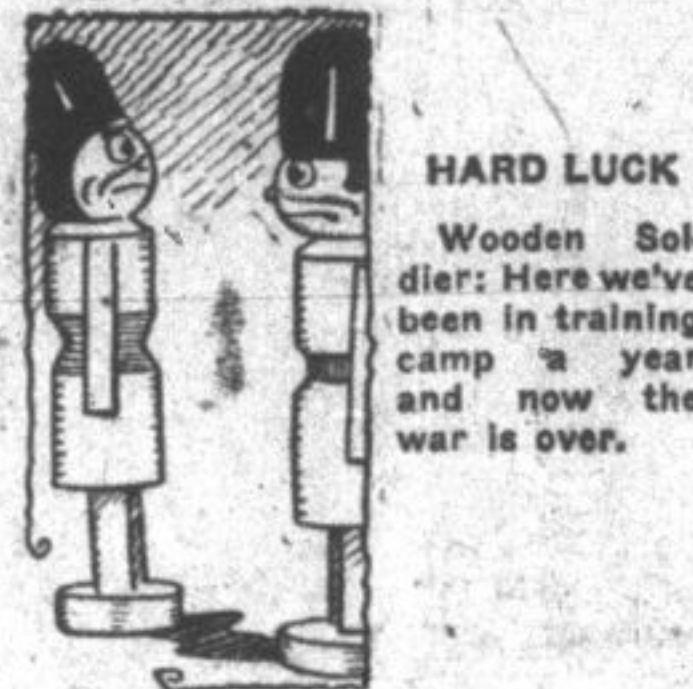

LUCKY FELLOW
"What does your husband say when he loses his collar button?"
"We live in such a cute little flat that he doesn't have room to lose it."

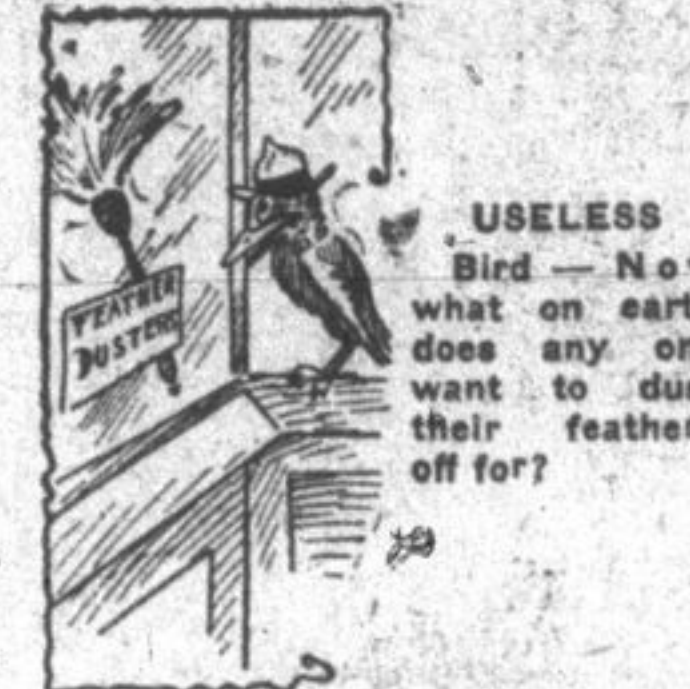

SHE HAD GUESSED IT
"I am a coming man."
"I noticed that you lacked go."

UNSOCIABLE
Bird—That snow man is the most unsociable chap I ever met. I've been talking to him an hour and he hasn't spoken yet.

HARD LUCK
Wooden Soldier: Here we've been in training camp a year and now the war is over.

USELESS
Bird—Now what on earth does any one want to dust their feathers off for?

NATURAL
He—And did the discipline in the army improve your husband?
She—No. He was Second Lieutenant and now he's more arrogant than when he went away.

IT SEEMS SO
Hewit—How do they remove your vermiform appendix?
Jewett—Usually with malice aforethought.

FRANK ABOUT IT
Miss Richthing—Do you expect good times to follow in the wake of the war?
Mr. Poorlot—It depends a great deal on whether you'll marry me or not.

ANOTHER BOXING BILL

Twelve-Round No-Decision Bout With Eight-Ounce Gloves. A second boxing bill has been introduced into the New York State Legislature, this time in the Assembly by Assemblyman Malone. Its introducer thinks it has a good chance of passage.

Twelve-round no-decision bouts are permitted under the bill, the contestants to wear gloves weighing at least eight ounces. This is the chief difference from the Gibbs bill. It also differs from the other measures in that it does not specify particularly what findings shall be used, except that they shall meet all fire regulations and that there be no saloon on the premises.

The Governor is empowered to appoint two commissioners, one from each of the major political parties. The commissioners would receive a salary of \$5,000 a year and serve three years. They would appoint a deputy at \$4,000 a year and a secretary at \$3,000 a year.

Defended Skating Title. Mike Goodman, speed skating champion of Manitoba, successfully defended his title in the ice gala of the Winter Sports Carnival at Winnipeg, when he secured two firsts, a second, and a third in the four races staged, winning a total of nine points out of a possible twelve.

Home-run Ruth. "Babe" Ruth is trying to prevail upon the Boston Red Sox management to allow him to do some heavyweight boxing. Ruth got into the game around Boston this winter in the capacity of second to a number of Hub mitt performers. Build a fence around the ring instead of erecting ropes and "Babe" would knock 'em over it.

Efforts are being made to dispose of the Newark franchise made to dispose of the Newark franchise in the New International League. J. J. Lannin will not back the club this season.

Bad Breath IS CAUSED BY CATARRH

Canadians suffer more from Catarrh than from any other disease. On this account Catarrh is dangerous and should be checked at the outset.

Doctors now treat Catarrh by sending a purifying, healing vapor through the breathing organs. In this way the germs of Catarrh are destroyed.

Once tried, Catarrhzone is always used. Nothing so pleasant, so simple, so quick to relieve, so absolutely sure to permanently cure. Accept no substitute. Large size lasts two months, and costs \$1.00; small size 50c; sample trial size 25c; at all dealers.

THEY WANT TO GET IN

Montreal and Ottawa Ask For New League Berths. Scranton, Montreal and Ottawa are the latest cities to make application to the New International League for berths, according to President Fultz. A meeting will be held in New York on February 25th, when the most important business will be the transfer of the Hamilton franchise. President McCaffery, of the Toronto Leafs, announces that two semi-pro players will try out with the Leafs. They are Outfielder Merton, of Montreal, and Infielder Buscoe, of Cleveland. The Pittsburg Stars, a colored team from Buffalo, will play exhibition games with the Leafs during the training season at the Island Stadium. The Leafs will open the season on April 30th at Baltimore, and in Toronto on May 16th, with Newark. President McCaffery was in Buffalo on Sunday, and talked with players Fisher, Reilly, Anderson and Herche.

ANOTHER BASEBALL DEAL

Yankees to Get Pitcher Quinn of Vernon Club. The New York American League Baseball Club has completed a deal with the Vernon club of the Pacific Coast League by which it acquired Pitcher Jack Quinn in exchange for Pitchers Joseph Pinneran and Saml. Ross and Third Baseman Vinn Beck. At the close of the New York league training season, a fourth player will be released to the Vernon club.

Michael McDermott, for nine years holder of the 200-yd. breast stroke in the National Amateur Athletic swimming championship, was defeated last week at Chicago by Herbert Taylor.

A shortage of horses is the trouble English racing has to face in 1919, and is one of the inevitable incidents of a return to the normal.

WARNING
Now is the time to come and make arrangements to have your car stored and overhauled. We still have space for a few more cars. Automobile repair work a specialty.
