Woman's Hair Reaches to Knees

A Year Ago Was Threatened With Baldness. Tells How She Made Her Hair Grow.

Mrs. Esther Emery, now visiting friends in the city, is the possessor of marvellously beautiful hair which, when loosened from its coils, falls to her knees. It is soft, silky, and fluffy texture and in color a glorious golden brown. Just one year ago she was threatened with baldness. Urged to tell how she had obtained this wonderful growth in so short a time she said: "Had anyone told me such marvellous results could be accomplished so quickly, I positively would not have believed it. Twelve months ago my hair, which then reached barely to my shoulders, was falling out as an alarming rate and growing very thin, actually exposing the bald scalp in several spots. It was dull and lifeless in color, turning grey in patches, and very dry and brittle. My head was covered with dandruff and itched like mad all the time. I tried fifty a dozen different hair tonics, but they were all the same and never did me a bit of good. One day I chanced to read in my home paper of a simple home prescription to make the hair grow that was recommended by a well known physician. It said that by taking ordinary lavender de Compose and mixing with it my hair and Menthol Crystals and applying to the scalp each night with the finger tips that new hair would grow very rapidly. I decided to try it and I had my druggist mix 2 ounces of the lavender de Compose with 4 oz. of Bay Rum and 1/2 ounce of Menthol Crystals, and started to use it. My hair stopped falling, the itching ceased and the dandruff disappeared. Then my hair appeared all over my scalp. These grew and grew as though nothing would ever stop them. They are growing very fast, and, of course, I have used the treatment steadily and expect to continue at least until my hair reaches the floor. I might have stopped and been perfectly satisfied at the end of three months. I think that any woman can get long, thick, beautiful hair by using this prescription. It is very inexpensive and any druggist can fill it. Those who use it should be careful not to get it on the face or where the hair is not desired."

Accept League of Nations or Expand Army and Navy.
 (Canadian Press Despatch)
 Washington, Feb. 26.—Secretary of the Navy Daniels, speaking last night before the National Press Club, declared that the American people today were face to face with making a choice either of a League of Nations to safeguard the peace won by valor, or of entering upon a career of naval and military expansion as would "enable us single-handed to guarantee American rights and American interests from Halifax to Tierra Del Fuego."

OBITUARY

The Late S. M. Cockburn.
 The death of Stewart Manson Cockburn occurred on Tuesday at his residence, 32 York street, heart failure being the immediate cause of death. He was a son of John Cockburn, was twenty-eight years of age, and is survived by his parents.

The Late Mrs. D. Smith.
 Henrietta Albina Smith, wife of Daniel Smith, passed away on Tuesday night, at her residence, 176 King street. She was in her eighty-fifth year, and although in failing health, her death, which was due to heart failure, was not unexpected. The late Mrs. Smith was the daughter of the late Paul Staples, of South Windham, Me., and had resided in Canada during the past thirty-five years. All of her immediate relatives reside in the state of Maine, except one son, Frederick, of Bromberg, Que., one of whose sons has been residing with Mr. Smith while attending Queen's. Another grandson is a student at McGill University. The funeral will take place at 11 a.m. Friday to the G.T.R. station. Interment is to take place at Lacoste, Que.

The Late Miss Jennie Moore.
 The death of Miss Jennie Moore occurred suddenly on Tuesday evening. She had been in her usual state of health and the news of her death was a shock to her friends. She was assistant manager of A. Glover's grocery, at the corner of Bagot and Earl streets, where she had been employed for twenty-seven years, and her kindly and genial manner endeared her to all the customers, who will keenly feel her sudden passing. She was a daughter of the late Daniel Moore, and resided with her mother at 211 Alfred street. In addition to her mother she is survived by three sisters, Mrs. Albert Glover, Kingston; Mrs. Wartman, of Bath; Mrs. Johnston, of Cataragui, and one brother, G. E. Moore, of Lauder, Man.

The Late C. E. Linton.
 With tragic suddenness, death came on Wednesday morning to one of the most prominent of Kingston citizens in the person of Charles E. Linton, who for many years has been blacksmith in Laturney's carriage works.

The late Mr. Linton left his home at 442 Brock street as usual on Wednesday morning and was apparently in his usual health. While walking along Barrie street he fell to the sidewalk and then he was carried into T. Mullinger's home. Dr. S. J. Keyes and Corbett's ambulance were called but life was extinct and the remains were removed to Corbett's undertaking parlors.
 The deceased was fifty-nine years of age and had lived almost all his life in the city. Some time ago he suffered a paralytic stroke and retired from active work at that time. Besides his widow and one daughter, Mrs. H. A. Chadwick, 442 Brock street, where he resided, there are left to mourn his loss two sons, L. J. Linton and J. C. Linton in Toronto. The deceased was a member of St. Andrew's church.

The Late James Devine.
 The death of James Devine occurred at his residence, 447 Division street, on Wednesday. Mr. Devine was about seventy years old. He carried on business as a carter. Deceased is survived by four sons, Michael and Joseph, of Toronto, and Daniel and Lawrence, at home; and four daughters, Mrs. Cochran, Agnes and Rose, of this city, and Mrs. Richard, of Boston. His fifth son, James, was killed by falling from a freight car at the outer station on January 12th last.

Letters to the Editor

Expresses His Opinion.
 The Whig is in receipt of an interesting letter from a reader out in Saskatchewan. It is too good an epistle to be born only to blush and seem, so we reproduce it, just as it came to us, omitting only the writer's name, as the opponents of Union government might wish to use it for campaign purposes. Probably a "call-down" now and then is for the good of a publisher after all, so we take this one in good part, not forgetting to thank our friend for the remittance he sends along to continue the paper. The letters follows:

Laurier Wrote Out HIS RESIGNATION

Senator Dandurand Raises Veil on Secret Political History—Senate Speeches.
 Ottawa, Feb. 26.—That Sir Wilfrid Laurier resigned the Leadership of the Liberal party at the time of the debate over the Lapointe bilingual resolution, but was persuaded to retain his post by his English-speaking followers, was a piece of secret political history disclosed to the Senate yesterday in the course of a notable tribute to his memory by his lifelong friend and supporter, Senator Raoul Dandurand. "When passions were aroused to a dangerous degree over a school and racial question between the Provinces of Ontario and Quebec," said Senator Dandurand, "he expressed to his followers his intention to raise his voice in the Commons on an impending motion, counseling a friendly solution of the difficulty. It was my mission to inform him of the divergence of views among the members of his party. I have still before me his sorrowful attitude. He stood silent, with eyes gazing afar, and then he sat down and scribbled a few lines addressed to his first lieutenant, Hon. Mr. Graham, conveying his resignation as Leader of the Liberal party. He had come to the conclusion that his usefulness was at an end, and that his most cherished hope of a happy and lasting Canada was a vanishing dream. I owe this testimony to his English-speaking supporters, that it was through their pressing intervention that Sir Wilfrid continued to lead their party."

Sir James Lougheed, Government Leader, spoke eloquently of the great part Sir Wilfrid had played in the national life.

The bodies were recovered.
DR. EDWARDS TO RENEW
 His Attack Upon Sir Charles Fitzpatrick.
 (Canadian Press Despatch)
 Ottawa, Feb. 26.—Dr. Edwards, member for Frontenac, will this session renew his attack on Sir Charles Fitzpatrick, former chief justice of the supreme court, and now lieutenant-governor of Quebec, in connection with the payment to Sir Charles of five thousand dollars to cover expenses in connection with the judicial committee of the privy council. He has given notice of motion declaring that the amount should be returned by the said Sir Charles Fitzpatrick to the treasury of Canada forthwith.
Writ is Filed.
 A writ of execution to secure the money payable to Sister Mary Basil through the judgment rendered at Toronto in her suit against Archbishop Spratt and Dr. D. Phelan, is now on file at the sheriff's office at the Court House. It is understood that the money is to be held in absence pending instructions as to the process to be adopted to collect the money.

 Justice Riddell is mentioned as the ultimate successor of Sir Wilfrid Laurier as leader of the Liberal party in Canada.
 Dr. G. C. Creelman has resigned the post of commissioner of agriculture.

SUNDAY SCHOOL GATHERING

ANNUAL CONFERENCE OF THE KINGSTON ASSOCIATION.
 The Chief Speakers Were Rev. Mr. Dayfoot and Rev. Frank Longford, of Toronto.
 The annual conference of the Kingston Sunday Schools' Association opened at the Y.M.C.A. on Tuesday evening. Rev. Mr. Dayfoot, of Toronto, representing the Baptist Sunday schools, and Rev. Frank Langford, general organizer of the Methodist Sunday schools and young people's societies, were the principal speakers. F. J. Wilson, general secretary of the Y. M. C. A. and secretary of the Kingston Ministerial Association, occupied the chair.
 Rev. Mr. Dayfoot's subject was "The Teacher's Personality" and he gave a most lucid and instructive address. He described personality as that which constitutes an individual, or that which makes one. Personality either attracts or repels. He gave a number of examples of different personalities, and showed how ninety-five per cent of the success in any business was due to personality.
 In Sunday school work teachers should have strong personalities, for the lack of discipline in the Sunday school can be traced immediately to the weak personality of the superintendent. Mr. Dayfoot showed that the whole success in Sunday work depended upon the personality of the teacher.
 He then took up the problem of maintaining discipline and imparting knowledge, and showed that it was by moral force only that any measure of success could be attained. Sympathy and kindness were the only laws that should be the guide of the teacher, who should at all times bear in mind that kindness is remembered with gratitude.
 Rev. Mr. Langford spoke on the Challenge of the Teen Age, which he described as the great problem in Sunday school work. How to hold the youths in the schools was a matter calling for the most serious consideration and the development of a programme calculated to accomplish definite results. This called for concerted effort on the part of the teachers, for it meant a closer touch between the teacher and pupil and the formation of a teachers' club. This meant that the teacher should meet the boy or girl on week days as well as on Sunday. He closed with a strong appeal to the teachers to consider the work worth while.
 A general conference took place at Queen Street Methodist church at 2.30 on Wednesday afternoon. Rev. Mr. Langford dealt exhaustively with ways and means to meet the challenge of the teen age. At the conclusion of his most able address the reports of the city superintendents were presented. The outside representatives present were Rev. C. A. Myers, of Toronto, representing the Presbyterian church, and Rev. T. A. Halpinay, general superintendent of the Ontario Sunday schools' Association. A full meeting of the divisional conference will take place at Queen Street Methodist church at 8 o'clock this evening.

The Late Charles Welch.
 The funeral of the late Charles Welch, the city's best known and respected citizens, took place from his home, 20 Upper William street on Tuesday afternoon, to Cataragui cemetery. Rev. T. W. Savery, of St. James church, of which the deceased was a life long member, conducted the service. A large number of the deceased's friends gathered at the home to pay their last respects, and the funeral was largely attended. The pall-bearers, were Robert J. Lawler, M. Lawler, Dr. A. B. Lawler, Dr. W. W. Sands, J. Kidd and M. Armstrong.

The Best Cough Syrup Is Home-made
 Here's an easy way to save \$7, and yet have the best cough remedy you ever tried.
 You've probably heard of this well-known plan of making cough syrup at home. But have you ever used it? When you do, you will understand why thousands of families the world over, feel that they could hardly keep house without it. It's simple and cheap, but the way it takes hold of a cough will quickly earn it a permanent place in your home.
 Into a 16-oz. bottle, pour 2 1/2 ounces of Pinex (50 cents worth); then add plain granulated sugar syrup to fill up the bottle. Or, if desired, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, it tastes good, never spoils, and gives you 16 ounces of better cough remedy than you could buy ready-made for five times its cost.
 It is really wonderful how quickly this home-made remedy conquers a cough—usually in 24 hours or less. It seems to penetrate through every air passage, loosens a dry, hoarse or tight cough, lifts the phlegm, breaks the membrane, and gives almost immediate relief. Splendid for throat tickle, hoarseness, croup, bronchitis and bronchial asthma.
 Pinex is a highly concentrated compound of genuine Norway pine extract, and has been used for generations for throat and chest ailments.
 Avoid disappointment by asking your druggist for "2 1/2 ounces of Pinex" with full directions, and don't accept anything else. It is guaranteed to give you satisfaction or money promptly refunded. The Pinex Co., Toronto, Ont.
