SIR WILFRID'S PICTURE.
The Whig has for sale a number of copies of a splendid portrait of the late Sir Wilfrid Laurier. These portraits are printed on excellently finished paper and measure 12½ inches by 19 inches. They are especially suitable for framing, and are supplied in strong mailing tubes. The charge made for these pictures, ten cents over the counter and fifteen cents when delivered by mail, is a purely nominal one, and is made merely to prevent indiscriminate distribution. The picture is worth many times the money as a souvenir of Canada's greatest statesman. Order or call early, as the supply is limited, and cannot again be repeated.
