### SIR WILFRID'S PICTURE.

The Whig has for sale a number of copies of a splendid portrait of the late Sir Wilfrid Laurier. These portraits are printed on excellently finished paper and measure 12½ inches by 19 inches. They are especially suitable for framing, and are supplied in strong mailing tubes. The charge made for these pictures, ten cents over the counter and fifteen cents when delivered by mail, is a purely nominal one, and is made merely to prevent indiscriminate distribution. The picture is worth many times the money as a souvenir of Canada's greatest statesman. Order or call early, as the supply is limited, and cannot again be repeated.

### ARRESTED FOR ASSAULT.

But Says Woman Slapped Him Before He Slapped Her.  
"She slapped me first and then I slapped her."  
This is the explanation given by Hyman Rosen, who was placed under arrest on Friday by Constable Marshall Armstrong, on a charge of assaulting Mrs. Annie Litovitz, wife of Isaac Litovitz. The latter complained to the police about the matter and then had a warrant issued. The case will be heard Saturday.

### HIS SIXTH OPERATION.

Post Office Clerk Who Served at Front Taken Seriously Ill.  
C. H. Stockdale, a returned soldier, who has been engaged for the past year as a clerk in the Kingston post office, was taken quite ill on Thursday, as a result of wounds he suffered when at the front. He was hit in the abdomen. He was removed to Queen's hospital, and is undergoing an operation, which will mark the sixth operation following his service at the front.

### Poultry Demonstration Meeting.

How can I tell the hens which are good layers? Mr. Marcellus, special poultry expert of the Dominion poultry branch, will be in Kingston on Thursday evening, March 27th, and will demonstrate how to pick out the good layers. Types of good and poor layers will be on hand, so Mr. Marcellus can teach you how.

In Prince Edward Island, where this work has been carried on for three years, farmers are marketing at the candling stations from \$5 to \$10 worth of eggs per hen per year.

The public are invited to attend the meeting on Thursday, March 27th, at 8 p.m., in the Sons of England Hall (over Marshall's hardware). Admittance free.

### Quinine That Does Not Affect Head.

Because of its tonic and laxative effect, LAXATIVE BROMO QUININE (Tablets) can be taken by anyone without causing nervousness or ringing in the head. There is only one "Bromo Quinine," E. W. GROVER'S signature on the box. 30c.

Moths must be cold-blooded creatures; they frequently appear in overcoats in August.
