Military News

A message has been received that Alvin Lutz, who was one of the few Kingston men in the 45th Battery, was taken sick in London and, being in hospital, could not accompany the battery here. It was formerly a member of the local fire department.

Sergt. Prest, who has been in the quartermasters stores of the R.C.H.A. for some time, received his discharge on Thursday and will return to his former position with the Dominion Cannery at Niagara.

The party from the Minnekahda left Halifax on Thursday and is due here early Saturday morning. There are three officers, two cadets and eighty-five N.C.O.'s and men coming to Kingston.

The troopship Scotian is due at St. John on April 4th, with one officer and thirty-six N.C.O.'s and men for Kingston.

A splendid concert was given at the K. of C. Army Hut club rooms on Thursday night. There were 125 soldiers present. Refreshments were served by the Ladies' Voluntary Aid. Solos were sung by Harold Barrett and G. Geoffrey O'Hara, of New York. George Smith and Lieut. Sanford gave recitations. Miss Anita Sutherland sang. Joseph Feaney gave a dance and Misses Simpson and Turner a violin and piano duet.

The troopship Minnekahda brought the following local men to Canada, docking at Halifax on Thursday: Cadet W. J. Angrove, 93 Queen street; Sergt. J. Brown, 161 Stuart street; Sergt. R. J. Wilson, 125 Stephen street; J. W. Cronam, R.M.C.; H. T. Hillier, 406 Barrie street; F. Parik, 523 Montreal street; Sapper Circle, 5 Princess street; C. Killen, 93 Lower Bagot street; E. B. Mullen, 52 Stanley street; E. W. Warren, 438 Brock street; Kinaston, and Cadet J. G. McNab, Rose Cottage, Portsmouth; Sergt. H. W. Hoddinott, Coe Hill; C. R. Brown and C. Ford, Tweed; J. Plow, Gananoque; C. E. Clarke, Napanee; Spr. Jeffrey, Verona; R. E. Mills, Napanee.

The First Congregational church ladies entertained the soldiers at the Military Y.M.C.A. hall, Thursday evening. A fine programme was presented and refreshments were served.

Captain Hopkins was sent to Brockville to meet the troop train and advise Brig-Gen. Williams when the train leaves there for Kingston.

Captain K. E. Taylor has been appointed assistant district record officer. Captain Taylor performed valuable work under the M.S.A., and has been in charge of the records for some time. In the recent re-organization at district headquarters, the casualty department was abolished and the records were placed under Major C. Scott, who is designated records officer. The duties formerly performed by the casualty officer have been taken over by the district depot and the A.D. of S. and T.

The Canadian Army Pay Corps was recently reorganized and the Kingston office is called No. 3 detachment. The following officers have been absorbed into the establishment: Major K. C. McPherson, Capt. W. Peters, R. H. Reid, D. P. Stewart, J. M. Thompson and Lieut. K. L. MacKinnon.

ATTITUDE OF VETERANS.

In regard to Parliamentary Motion re War Service Gratuity.

The attitude of the Kingston Branch of the Great War Veterans' Association regarding the motion in the House of Commons that the War Service Gratuity be granted to men who have served in Canada and were prevented by disability from going overseas has been the subject of much conjecture amongst the local returned soldiers. The feeling of the association is not opposed to these men being granted the war service gratuity, but the members feel that the man in Canada should not be put on an equal footing with those who have seen active service in France, or even in England. The opinion expressed at their meeting was that if any further concessions are to be made in this matter, they should be entirely for the benefit of the fighting men, the men who actually went to the front. The resolution to this effect has been repeatedly misconstrued as being entirely opposed to any man who has served in Canada only being granted the gratuity. This is not the purpose of the resolution, which was passed to put forward the claims of the fighting men rather than the claims of the men who served only in Canada.

GIFT TO MISS E. WADDINGTON

Of Purse of Gold and Life Membership in St. Luke's W.A.

A well-attended annual meeting of St. Luke's Women's Auxiliary was held on Thursday afternoon, the president, Mrs. J. de Pencier Wright, in the chair. The reports for the year showed last year as the best in the history of the auxiliary, \$115 having been raised for foreign missionary work. Thursday was the tenth anniversary of the order's inception. Mrs. Budgeon gave an interesting paper, entitled, "Message of Christianity to China." The officers elected for the year were: President, Mrs. J. de P. Wright; vice-president, Miss E. Waddington; secretary, Mrs. R. Reynolds; treasurer, Mrs. G. Laturney; secretary-treasurer babies' branch, Mrs. John Scrivens; leader, secretary, treasurer, Mrs. Colcough; delegate to annual meeting in Belleville, Mrs. Budgeon.

Miss Waddington was presented with a life membership badge by the secretary, Mrs. Reynolds, and a purse of gold by the treasurer, Mrs. Laturney, as a token of appreciation of faithful work. Miss Waddington made a suitable reply.

THEATRICAL.

At the Grand.
Constance Talmadge, select comedienne, appeared at the Grand last evening in the film version of "Up the Road With Sallie." In this her latest production, she revealed to even fuller extent her marvelous talents in the admixture of a humorous portrayal with moments of real dramatic suspense. As Sallie Waters, Miss Talmadge has inherited five thousand dollars as her share of her uncle's estate; she kidnaps her staid old aunt, and off they go in her automobile, adventure bound. A storm arises and seek shelter in a deserted house, only to find there a pair of young men. Each group suspects the other of being criminals in hiding, and they proceed to test each other out of the "paths of wrongdoing." How this comical situation turns out made an excellent picture, which thoroughly delighted everyone present. There were also other films on the bill, such as a Charlie Chaplin comedy of the highest order, the Universal Screen Magazine and other fine films. An act of vaudeville consisting of Marie Gehrue and Company, singing and dancing specialties, won rounds of applause. This programme will be shown again to-night also to-morrow, both matinee and night.—Adv.

At Griffin's.
That superb photoplay, "The Silver King," featuring William Faversham, was displayed for the first time at this theatre yesterday, when an enthusiastic audience followed with intense interest the unfolding of this powerful story. "The Silver King" is one of the most intensely dramatic motion pictures ever screened. Its thrilling depths could not be better sounded by any living actor than William Faversham. It is a picture of love, of life, of death, and will touch the deepest chords of your heart. William Faversham is a master. Don't miss him. Delightful Lila Lee also proved exceptionally entertaining last evening when she was seen in "The Secret Garden." She appears in this picture as a little girl in far off India, who later is sent to England, where, as an old time home of wealth, she is involved in a despicable plot for the estate. An invalid lad stands in the way, but through the ministrations of the little girl he recovers and is saved. See this charming programme either to-night or to-morrow.—Adv.

DOCKET OF CASES.

The County Court Opens on Tuesday Morning.

There are three cases to come before the non-jury sessions of the county court, which opens Tuesday at 10 a.m., before Judge Laywell. J. G. Greenwood, Wolfe Island, farmer, is suing Thomas Friend for \$150, damages for the loss of two cows through alleged negligence in selling sodium nitrate instead of sodium sulphate. Lewis Thompson, cheesemaker, of Verona, is suing Frederick Seales for failure to deliver fifty cords of wood, contracted for two years ago, and also \$50 paid on account of contract. Ross Morrison is suing Paradise for \$300, damages incurred in automobile accident at the Standard Bank corner on June 5th, 1918. The plaintiff was riding a bicycle at the time he was struck.

Dr. Edwards' View.
Interviewed at Ottawa regarding daylight saving, Dr. Edwards (Frontenac) said: "It's all right for golfers. Let them get on the links in the morning, when the dew is on the ground, and then they will know what the farmers are up against."

Letters by Philip Gibbs, the famous war correspondent, will begin in the Whig on Saturday. They are thrilling. Read them.

When we see the precious blossom,
That we tended with such care,
And they're taken from our bosom,
How our hearts almost despair.
Round the little grave we linger,
Till the setting sun is low,
Feeling all our hopes have perished,
With the flowers we cherish so,
—Father and Mother.
