Magic! Just drop a little Freezone on that touchy corn, instantly it stops aching, then you lift the corn off with the fingers. Truly! No humbug!

Try Freezone! Your druggist sells a tiny bottle for a few cents, sufficient to rid your feet of every hard corn, soft corn, or corn between the toes, and callouses, without one particle of pain, soreness or irritation. Freezone is the discovery of a noted Cincinnati genius.

INCOME TAX DECLARATIONS. The City Assessor is Waiting For Delinquents to Call.

About two-thirds of the people have filed their income tax papers with City Assessor Mooers. The other one-third are still to be heard from, but the assessor is not worrying over them. He will take a fairly safe guess at the amount of their income and make his assessment accordingly. Then it will be up to those aggrieved to appeal to the court of revision and show why they should not be charged on so much revenue. City Assessor Mooers is a pretty good guesser, and it is understood that he "hit" some of the big income fellows in Kingston pretty well last year, even

TEST OF GOOD TAILORING IN A DRESS SUIT

With the Resumption of Social Activities Dress Suits Are Now in Demand.

Dress Suits, Dinner Jackets and Brock Coats have been at a discount during the war—but they are now in demand with the resumption of social activities.

"A man has to be a mighty good tailor to produce a good dress suit, and have it drape and fit properly," said David J. Will, of the Semi-ready store.

"We have quite a large stock of formal and semi-formal suits in fine black chevrons and Australian wools—dress suits at \$35 to \$40, that would cost twice as much at any retail tailor shop.

"The Walden, a new spring top coat model, with that military tone which is so evident in the suit and overcoat styles this season," said Mr. Will.—Advt.

G. W. V. A. To Have Sports.

The Kingston branch of the Great War Veterans' Association is determined to have a share in the sport of the season this year. In all probability a big field day will be held during the summer, and various branches of sport will be taken up. A football club is to be formed and an effort will be made to have a G.W.V.A. league organized, to take in Napanee, Ganaquoque, Brockville, Kingston and other neighbouring branches. Should this be successful, it will add greatly to the sporting events of the season. In addition, the G.W.V.A. intends to enter the city football league, should it be formed this year. A baseball club is also proposed, and as there is an abundance of material in the association for a good nine, the veterans look for a successful season. The association intends to stage a number of special events during the summer, all of which will be of great interest to the general public.

A Curling Game.

Two teams from the city skipped by J. Reid and H. Bibby, visited the Rockwood players last evening, and both had to put up with a defeat. Great credit is due to the Rockwood players for beating two such strong teams from the city rink.
