teeth, is almost inevitable if you do not properly care for your gums. Here is

As you age, the body tissues naturally relax. You see this tissue loosening in the neck. It goes on in your gums, too. As you grow older, your gums, shrink below the normal gum line. Through lack of care they become spongy and inflamed. Then you have Pyorrhea (Riggs' Disease). Four out of five people over forty have Pyorrhea. And many under forty, also.

Don't let a tender gum spot develop. These tender spots breed disease germs which enter the system through tiny openings—infecting the

through tiny openings—infecting the joints or tonsils—or causing other ailments. Immediately get Forhan's, which positively prevents Pyorrhea if used in time and used consistently. Forhan's tones the gums and hardens them. They in turn keep the teeth healthy. Brush your teeth with For-han's. It cleans them scientifically keeps them white and clean.

If gum-shrinkage has already set in, start using Forhan's and consult a dentist immediately for special treatment. 30c and 60c tubes. All Druggists.

IN FLANDERS FIELDS

The Whig has prepared a very beautiful calendar printed in three colors and containing the immortal poem by Col. John McCrae, known now wherever the English language is speken-"In Fland-

This beautiful lyric of the war was written by Col. Mc-Crae, of Montreal, during the second Battle of Ypres. an inspiration to war giving and war sacrifices it strikes a major note. The illustration that adorns

the calendar is one of unusual attraction. It shows the red poppies blooming amid the crosses on Flanders fields, while in the air above are the spirits of the departed heroes calling to those who remain to "take up our quarrel with the foe." It shows them throwing the torch from their fallg hands with their parting admonition to "hold it high," as otherwise.

"We shall not sleep, though poppies grow In Flanders fields," These calendars will be distributed free to every reader of the Whig who cares to call at the office and ask for one. The calendar is a product of the Whig's Job Department and is a work of art through-
