More Temperance Workers Arrested (Canadian Press Despatch.)

Montreal, April 10.—Three lay temperance workers were arrested delegates of congress as members demanded by the Soviet Congress on the streets of Montreal last night for distributing literature. The tentpointed out that while the "wet" connection with strikes, amnesty according to the Zwolfuhrblatt. travention of the law, which says that no public demonstration of this character can be held within eight days of the vote, the distribution of "dry" propaganda has been

## 100 PERSONS DEAD

IN A TORNADO.

(Canadian Press Despatch.) Dallas, Texas, April 10 .--One hundred known dead had been listed as victims of the tornado which yesterday struck northern Texas, southern Oklahoma and parts of Arkansas, when order began to form to-day from chaos caused by the storm. Property damage is heavy. The injured, some of them so badly hurt that they cannot recover, are expected to number several hundred.

FOCH'S WARM PRAISE OF BRITISH GENERAL

French Marshal Says British Leader's Plans of Importance to Allies.

Foch foresaw the danger before the outbreak of the war of German aggression is indicated in a letter WGIG HGIG ON which he has sent to London to be read at a dinner which the menibers of the House of Parliament are to give soon after Easter in honor of General Sir Henry Wilson, chief of the Imperial general staff. Marshal Foch says: "Long before the war General Wilson and I worked together to prepare for the struggle against the German peril, which we both fore-

saw. It is due to the success of his mobilization arrangements and Two Professional Bouts Staged by his careful and detailed plans for transporting troops that the British army was able to arrive quickly on the field of battle as soon as the Government had come to a deci-"During the war in the most anxious days, especially those of concluded on Wednesday afternoon
