## RAPPED COMPANY ON THE KNUCKLES

### Magistrate Made Some Pointed Remarks In Dismissing Case of Theft.

A week ago the Continental Publishing Company, and to have its headquarters in Toronto, had one of its local agents, William A. Green arrested, charged with the theft of a sum of money. The case was enlarged for a week, but when it was called on Thursday morning, it was found that the bottom had fallen out of the case as no person was present to conduct the prosecution, and the magistrate dismissed the action.

In dismissing the case, Magistrate Farrell gave the company lodging the charge a severe rap on the knuckles. He referred to the case as a contemptible one, stating that young men were placed on the road and the only way they had to keep themselves from starvation was the using of the funds. The business was based iniquity, and should be investigated by some-one in authority.

The man who was charged is a returned soldier, and it is stated that many returned men are now in the employ of the company.

It is understood that the case is to be further investigated by the G.W.V.A.

## THE ANNUAL MEETING

Of the C. W. Lindsay, Ltd., Was Held in Montreal.

The annual meeting of shareholders of C. W. Lindsay, Limited, was held at the head office of the company on the 8th inst., and was largely attended.

The president, C. W. Lindsay, was in the chair. The annual statement presented to the meeting by the company's auditors, Messrs. Fisk, Skelton & Co. showed that the corporation had experienced the most prosperous year in its history.

In view of the fine showing the directors voted a ten per cent. cash bonus to the staff at all branches, payable May 1st next, to all employees who have been in the continuous service of the company since March 1st, 1918, and are still in its employ on May 1st, 1919.

The usual dividends were declared, viz., 7 per cent. on the preferred shares and 8 per cent. on the common shares, and a large amount carried to reserve account.

The directors of the old board were re-elected: Messrs. C. W. Lindsay, Alfred McDiarmid, A. E. Brock, J. A. Hebert and E. Hamilton, with C. W. Lindsay as president and general manager, B. A. Edward secretary, and W. A. H. Robinson treasurer.

The managers were present from all the different branches where the company carries on business: Ottawa, Quebec, Kingston, Belleville, Brockville and Three Rivers, in addition to the two warehouses in Montreal.

A dinner was held in the evening at the Windsor Hotel, at which the directors, officers and branch managers were present, and at which the president again expressed his gratification at the splendid year's business and announced that in the event of next year's profits equalling the year just past, he would support a motion to pay the staff a twenty per cent. bonus.

## SIR WILFRID'S PICTURE

The Whig has for sale a number of copies of a splendid portrait of the late Sir Wilfrid Laurier. These portraits are printed on excellently finished paper and measure 12 1/2 inches by 19 inches. They are especially suitable for framing, and are supplied in strong mailing tubes. The charge made for these pictures, ten cents over the cost of the picture and fifteen cents when delivered by mail, is a purely nominal one, and is made merely to prevent indiscriminate distribution. The picture is worth many times the money as a souvenir of Canada's greatest statesman. Order or call early, as the supply is limited, and cannot again be repeated.

Next Sunday will be Palm Sunday.
