**What Cash You Need When Travelling**  
—and more particularly, when large sums are required—is best carried in the form of a Letter of Credit, issued by The Merchants Bank.

This old established form of international banking, is preferred by many experienced travellers because of its absolute security.

Letters of Credit are cashed only by banks or banking corporations, and after the identity of the holders is established to the satisfaction of the bank officials. This insures safety, and guards against loss and theft.

**THE MERCHANTS BANK OF CANADA**  
Established 1864.  
Head Office: Montreal.

**CATARRH COLDS BRONCHITIS CURED WITHOUT DRUGS**

It is really impossible to treat Catarrh, unless by inhaling the soothing germ-killing vapor of Catarrhose. Its rich fragrant essences are breathed into every sore, diseased spot in the breathing organs. Not a single germ can escape the healing fumes of Catarrhose which acts on the infected linings of the nose and throat just as an ointment would act on a cut finger. You see Catarrhose is a cold in the chest, heals. It cannot fail to reach and cure Catarrh; it's simply a wonder on weak throats, bronchitis, coughs, deafness, buzzing ears, and all other symptoms of Catarrhal cold.

Get Catarrhose 10-day. Complete outfit, \$1.00 and is sufficient for three months' use. Smaller sizes 50c. All dealers.

Brooklyn Eagle.

**GAVE A RECEPTION.**

To the Returning Soldiers—Sharbot Lake Jubilated.

Sharbot Lake, April 21.—A monster community reception for the returned soldiers was held in the hall on Baxter Ave. The interior of the building was tastefully decorated in honour of the country's defenders of whom there was a goodly number seated on the platform. The chairman was Mr. Archibald Gray, reeve of the township, who opened the proceedings by reading an address to the soldiers. The address of welcome was delivered in forceful style by Mr. Reid, M.A., J.P.S. An excellent musical programme was rendered interspersed with speeches and recitations. The speakers were Rev. Ivor Currie-Mills, Rev. Herbert Pringle, Mr. Arthur Avey, Jerome Thomson, F. Giddings, Sergt. Babcock, and Pie Frank Macpherson.

A bountiful repast was served by the ladies at the close of the programme and after the singing of the national anthem, all went home feeling more grateful than ever to those who had risked their all in the country's defence.

Mrs. Culbert and son, Kenneth, South River, are the guests of the former's parents Mr. and Mrs. M. Avery, James Allen, accompanied by his sister, Mrs. Butler, are in New York, where Mr. Allen has successfully undergone an operation for the restoration of his eyesight. Miss Ola Crawford, Kingston, is the guest of Miss Inez Huffman. Miss Anna Otis, Verona, is visiting Miss Minnie Otis, Hamilton, who has been visiting at Smith's Falls, has returned home. Dr. Stoness left to-day for Kingston.

Mr. and Mrs. Harry Lab, who have been spending the past week in Toronto, have returned home. James Hawley and Mr. and Mrs. Harvey Harrison, Toronto, are Easter visitors at the village. Mr. and Mrs. A. Mallory Shaw, Brockville, are visiting the latter's mother, Mrs. Pappa. Mr. and Mrs. Edgar Erwin and Kenneth, their son, we regret to say are removing this week to Perth, where Mr. Erwin has purchased a home. Mr. and Mrs. M. Avery spent a few days in Kingston.

Charles Otis, Verona, is the guest of Bryan Hawley. Miss Strong is spending the Easter holidays at Colabogie. Miss Sexsmith is holidaying with her agents at Camden East. The home of Mr. Milligan was visited by death on Easter morning when his younger son Orlo, a bright lad of twelve years, after having suffered for two weeks with typhoid fever, afterwards developing pneumonia, was called to his rest. Orlo was a general favourite with the whole village and will be especially missed by his schoolmates. Much sympathy is shown to the bereaved parents and brother Percy.

She died at her home at Balderston, on April 11th, a well known lady in the person of Mary J. McGuinnis, widow of the late R. W. Haley, after an illness of ten days following a paralytic stroke. The deceased was born in the township of Pittsburg, seventy-six years ago. It's an ill wind that escapes and leaves a flabby tire.

**WAR PUZZLES**

THE BRITISH BLOCKED THE SUBMARINE BASE HARBOR

At Zebruggo by sinking two old cruisers filled with cement, one year ago today, April 23, 1918. Five a sailor.

**DOMINION RUBBER SYSTEM**

**Dominion Rubber System Belting is Uniform and Dependable**

A uniformly high quality of materials put together by a process into which no element of chance can possibly enter insures an infallible uniformity of construction.

This gives to our transmission and conveyor belting a sturdy dependability that enables it to carry loads in excess of its intended capacity.

This dependability for service is maintained throughout our entire organization and it is on this basis that all of our products have been made for more than fifty years.

Although uniformity, dependability, economy and satisfaction are built into each foot of our belting, we maintain a staff of belting experts to make its dependability doubly certain.

These experts will analyze all of your belting equipment without charge, and any recommendations they may make will provide a belt that will not only live up to our claim for dependability but it will create a greater efficiency in your plant.

This service is obtainable through any of our service branches. Phone, wire or write the one nearest to you and let us prove its value to your satisfaction.

**BETTER LIGHTING INCREASES YOUR CLERK'S EFFICIENCY**

REPLACE the vacuum lamps in your store with HYDRO Gas Filled Lamps. Then watch each clerk's sales climb.

The light from HYDRO Gas Filled Lamps, if installed with proper fixtures, is kind to workers' eyes. Clerks don't tire so easily; they're not so irritable. They're more alert and are able to wait on more customers in less time when the light is right.

Experts of the Hydro-Electric Power Commission of Ontario recommend HYDRO Gas Filled Lamps for store lighting. They're worthy of the Commission's endorsement because of the quality and volume of their light, the long life of the lamps and their low current consumption.

Will you step into the Hydro Shop and let us prove the wisdom of using HYDRO Gas Filled Lamps in your store?
