Proclamation!

Kingston, May 9th, 1919.

To the Citizens of Kingston:
Following the practice of nearly every city in America, and being fully aware of the importance of maintaining the health of our community, by having every home, store and public building cleaned off its refuse, the City Council makes this appeal to every citizen to join in a Clean-up campaign.

The week beginning May 12th has been set aside as Clean-up week. In the meantime occupants of all premises are asked to make their plans for a thorough clean-up.

Not only "chase dirt," but call in your painter and arrange to brighten up.
Screen the doors and windows of your home, specially those of the kitchen, dining room and pantry.
Protect the milk.
Permit no flies in the sick room nor encourage them by not keeping the garbage can covered.
Keep your garbage can clean by thoroughly cleansing the can after emptying it, and sprinkle the contents with crude oil.
Plant your back yards with vegetables; your boulevards with grasses, and keep the weeds down. The Kingston Clean-up campaign is endorsed by every city official, medical man, the Board of Health, and all organizations looking to the welfare and improvement of the city.

With every citizen co-operating, the campaign cannot help but be a complete success. Do your part and others will do theirs.
Don't give the health inspector an opportunity to criticize your back yards and cellars on his regular visit.

W. W. SANDS, Sec. City Health Committee.
