

LITTLE GIRL NOW A PICTURE OF HEALTH

Suffered Day and Night For Years—After Taking Tanlac Looks Like Different Child.

"My little daughter Jean, has gained ten pounds on Tanlac and now she's the very picture of health," said Jim Snell, well-known poultry and truck farmer of Raleigh, Tenn.

Famous Poem in Book Form

No poem produced by the war has been so universally popular as "In Flanders Fields."

We are the Dead. Short days ago We lived, felt dawn, saw sunset glow,

GUM TENDERNESS - A TOOTH-MENACE

It is true that four out of five people suffer from gum shrinkage, or Pyorrhea (Riggs' Disease).

Pyorrhea commences with tender gums, or with gum-bleeding, at tooth-brush time.

Beware of that first gum tender-ness! Try Forhan's for the gums.

And Forhan's cleans teeth scientifically as well. Brush your teeth with it. It keeps the teeth white and clean.

If gum-shrinkage has already set in, start using Forhan's and consult a dentist immediately for special treatment.

CANADA AND TITLES

It Is Time We Decided What We Shall Do.

What is Canada going to settle down to in the matter of titles? Probably nearly all will agree that the social and economic conditions of this country are unsuited to hereditary titles; and it is equally natural that the development of democratic feeling should make the vox populi pronounce with increasing decision against knight-hoods, though they are not hereditary, especially as they are suspected of being the reward, very frequently, of wire-pulling, and of party, rather than public, services.

Authors Had Grievances. For many years the Canadian copyright law has been antiquated and unfair.

1. Canada is the only country that does not recognize the composer's control over the reproduction of his work by phonograph records, player-piano rolls, etc.

2. Canadian writers have no control over the reproduction of their work in moving pictures. It is a current complaint that there are not enough Canadian films that are not more of them if there were any inducements for Canadians to write.

3. The writer of a Canadian book has no control over the translation into a foreign language.

4. The writer of Canadian fiction has no control over its dramatization.

5. The Canadian dramatist has no control over the rewriting of his play as a novel.

6. The present method of registration of titles in newspapers is inadequate and inconvenient.

7. Under the British Act, the term of copyright is the life of the author plus fifty years. In Canada, it is only 25 plus 14 years.

If you have a family to support, remember the gallon pail which hold as many quarts of flour as it will of beer.

Ah! Fine For Corns Takes Sting Right Away. A painless remedy, sure it is—just paint it on a sore corn to-night and to-morrow your feet will feel like new.

Nothing ever made absorbs pain out of a corn like Putnam's Extractor. It dissolves the hard crust, acts quickly, never fails, and above all, it brings the trouble out by the roots.

You'll be satisfied with Putnam's Extractor because it's an old time remedy that is just as represented. Dealers everywhere sell this specific for warts, callouses and foot lumps. Costs only a quarter.

Don't Spoil Your Hair By Washing It. When you wash your hair, be careful what you use. Don't use prepared shampoos or anything else, that contains too much alkali, for this is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is just plain mulled coconut oil, for this is pure and entirely greaseless. It's very cheap, and beats anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.

The "Essay in Character" which Sir Andrew Macphail appends to the poems in this volume, is a sympathetic and informing memoir of the physician-poet. Sir Andrew's picture of the man, and the account of his life, are intimate and detailed. They are filled out from McCrae's letters and diary, which give not only a complete narrative of his experiences in Flanders up to the time of his death, but also his service and adventure in the Boer War.

Solomon said it all; there is nothing left for us but a little remodeling.

Kind words never die; if they did probably they would be more appreciated.
