WORK OF HUMANE SOCIETY

ADDRESSES AT A MEETING IN ST. GEORGE'S HALL.

Principal Dyde Declared There Was Great Need for a Society of This Kind—Prof. MacClement Gave Illustrated Talk on Birds.

The interest the boys and girls are taking in the work of the Kingston Humane Society, the Band of Mercy, and the Blue Cross Society was manifested in St. George's Hall on Tuesday night, when a meeting was held under the auspices of the Humane Society. There was a good attendance of children and quite a number of adults. Two very interesting addresses were delivered, one by Principal Dyde, of Queen's Theological College, and the other by Prof. W. T. MacClement of Queen's University. Dr. Dyde spoke of the work of the Humane Society and its branches, while Prof. MacClement gave a talk on birds, illustrating his remarks with a fine collection of lantern slides. J. J. Farrell presided. Dr. Dyde spoke of the work carried on by the Humane Society, the Blue Cross, and the Band of Mercy. He said there was great need for a society for the protection of dumb animals of all kinds, who were not able to protect themselves. There were laws and regulations for the protection of little children, and in the same way there should be protection for the dumb animals. There was no high wall between the interests of human beings and the animal world. In carrying out this work we were carrying out the command of Christ.

Prof. MacClement showed the pictures of a large number of birds, and his talk about the birds was a most interesting one. It was remarkable, too, how the boys and girls present could name the various birds, showing that they had given some study to the subject. One of the special features of the evening was a report presented by Howard Fair on the work carried on by the Blue Cross Society during the war. This society sent thousands of bandages overseas to be used in caring for the wounded horses. The boys of the society have been engaged in making bird houses which they place in the trees. A number of the bird houses were exhibited at the meeting.

HOME FROM OVERSEAS.

Presentation to Pittsburgh Young Man Who Did His "Bit." On May 5th a few friends gathered at the home of Mr. and Mrs. Thomas Doyle, Pittsburgh, to welcome their eldest son, Driver Earl Doyle, who is home after four years' service overseas, and presented him with a handsome gold watch and chain, as a token of their appreciation. Driver Doyle enlisted in 1914 in the Army Service Corps, and transferred to the 26th Battery, with which he went overseas. Shortly before the Battle of Vimy Ridge he transferred to the 18th Battery, and remained with that unit.

Rev. Father Kingsley acted as chairman. Miss Helen Baxter, B.A., read an address, and appropriate speeches were delivered by Mr. Doyle, Major Barrett, Charles Deane (also a returned soldier), James Baxter, Joseph McGrath, Capt. Malone, Edward Braden, James and John Barrett, and James Shortall.

In the address which accompanied the presentation the speaker's remarks were made concerning the splendid spirit of service which was manifested when Driver Doyle took up arms in the defence of his country. It referred to the sorrow mingled with pride which was felt by all when he departed. His return had been a source of gratification to all, and the fact that he had passed through the long years in safety was a cause for thankfulness.

In conclusion it was said, "That your country can ever repay you for what you have done is impossible, but that she show constantly and enduringly her gratitude to you and to your late brothers in arms wherever they may be found is possible. "And now, since you took the watch from the Rhine, but in the taking smashed it beyond repair, you would not want one made where it was made, and we ask you to accept this one made in Canada. "May the hours it counts for you be golden ones and their number as the sea sands."

DISTRICT METHODIST MEETING.

Routine Business Transacted at Princess Street Methodist Church. Regular routine business of the district meeting of the Methodist church, held in Princess Street Methodist church, on Tuesday afternoon, was transacted by a very representative attendance of the district ministers and laymen.

Herman R. James, B.A., Portsmouth, and J. J. Johnston, Verona, were continued on probation in their charges, and the general conference will be asked for permission to employ Earl Campsall, Harrowsmith, under the chairman. Rev. J. D. Ellis presided over the gathering and Rev. E. Richardson Kelly, Cataract, acted as secretary. The sessions were continued on Wednesday.

Conditions Are Better. There is not such a great demand for farm labor this spring. Col. Hunter, who is usually besieged with requests for farm help at this time of the year, states that he has had practically no calls from the farmers for help. Farmers' sons returning home from the front have relieved the conditions to a considerable extent.

Little Girl Run Over. The little daughter of Frederick Elmer, barber, was run over by a baker's wagon at the corner of Sydenham and Colborne streets, on Tuesday afternoon. The little girl was hurrying home from school at the time. One of the wheels passed over her ankle, but luckily none of the bones were broken, but she had a miraculous escape from being seriously injured.

Mrs. (Dr.) Nagle has sold her property on Main street, Almonte, to P. Carroll for a price close to \$4,000.

At the Theatres

(Continued from Page 8.)

At the Grand.

A programme of merit has been arranged for the last three days of this week. Tom Moore as a handsome chauffeur who dared to love the daughter of the richest man in town will appear in a big six reel Goldwyn feature, "Thirty a Week." This picture is essentially the romance of a thin bankroll and a stout heart. It tells the story of love finding the way to bridge the gulf that separates the strata of a girl of wealth and society and that of a romantic American youth. One of the most realistic and daring automobile races yet photographed will be seen in "Thirty a Week," making in all the most thrilling and delightful of the new Goldwyn releases. Laugh-producing comedies, Universal Screen Magazine and other photo features will be shown. Special attention has been given to the selection of vaudeville for this half of the week. Wendell Hall, juggling comedian, Jarvis and Harrison, musicians, and Burley and Burley, eccentric dancers, will be on the vaudeville bill for Thursday, Friday and Saturday.—Advt.

"Uncle Tom's Cabin."

An event looked forward to with more than ordinary interest theatrically is the coming of William H. Kibbler's world's greatest revival of Harriet Beecher Stowe's lovable story "Uncle Tom's Cabin." William H. Kibbler's reputation as promoter of big productions is well known to theatre-goers, but few are aware that the coming event is one of the most gigantic and elaborate that has ever been attempted in America. Not only do they promise to bring a company of over thirty people, but a carload of scenery and bloodhounds in the piece. "Uncle Tom's Cabin" will hold the boards at the Grand Opera House on Monday, May 19th, matinee and night.—Advt.

MUST PAY INCOME TAX.

Americans Have to Make Returns to American Consul. American Consul Felix S. S. Johnson has received instructions from the United States government that American residents in Canada will be liable to heavy fines if they do not report income taxable under the United States laws. Under an arrangement entered into with the Canadian authorities, American paying taxes to the Canadian government are exempted to the extent of the base on which they are liable in Canada, the residue only being liable taxable under the United States law.

The Cheese Outlook.

A despatch from Ottawa states that the Dairy Produce Commission has been abolished because the British Ministry of Food no longer buying cheese. The cheese market, therefore, is in the same position it was in before the war, and the prices during the coming season will depend upon supply and demand. Just at the present it is impossible to say what the conditions will be or what prices will rule. After the local market is satisfied, it is altogether probable that the price will decline as a large part of your output of cheese is purely surplus. This is the opinion of an experienced buyer.

A Madoc Wedding.

The marriage took place at the home of Mr. and Mrs. Robert Allan, Madoc township, on April 30th, of their only daughter, Miss Olive, to Bombardier W. T. Brown. Rev. Dr. MacTavish performed the ceremony. Mr. and Mrs. Brown came to Kingston to reside while Mr. Brown completes his studies in theology at Queen's, which were interrupted by the war. He served with the Third Canadian Division Ammunition Column in France.

"Gete" Fannon is Home.

"Gete" Fannon, well known to a large number of Kingstonsians, is home from doing his "bit" overseas, and is being warmly welcomed. "Gete" served for four years and eight months under Brigadier-General A. E. Ross, and has a thrilling story of life at the front to relate. He also has a fine collection of photographs which he snapped overseas.

Hood's Pills

Best family physic. Do not gripe or cause pain. Purely vegetable, easy to take. 25c.

The Perfect Baby Comfort is the only sanitary Soother on the market. It costs perhaps ten cents more than any other Soother, but the difference may save Baby's life.

Careless Shampooing Spoils the Hair

If you want to keep your hair looking its best, be careful what you wash it with. Don't use prepared shampoos or anything else that contains too much alkali. This dries the scalp, makes the hair brittle, and ruins it. The best thing for steady use is just ordinary multifid coconut oil (which is pure and greaseless), and is better than anything else you can use. One or two teaspoonfuls will cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rinses out easily, removing every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves the scalp soft and the hair fine and silky, bright, lustrous, fluffy and easy to manage. You can get multifid coconut oil at any pharmacy, it's very cheap, and a few ounces will supply every member of the family for months.
