DOCTOR'S PATIENT GAINS 17 POUNDS

Prominent Physician Continues to Use Tanlac in Practice With Surprising Results.

One of the strongest and most convincing evidences of the remarkable results being accomplished by Tanlac throughout the South is the large number of letters that are now being received daily from scores of well-known men and women who have been benefited by its use. Among the large number that have been received thus far, the following is interesting: The following letter from Dr. J. T. Edwards, of Fayetteville, Ga. Dr. Edwards, in a public statement, and the testimonial published below, recently given him by one of his patients. His letter follows just as it was written: Fayetteville, Ga. G. F. Willis, Atlanta, Ga.

Dear Sir,—I am enclosing you herewith statement I have just received from T. M. Gough. He has sold out here and is moving to Turin, Ga. He was here this morning, and came in to tell me what Tanlac had done for him. He says too much cannot be said about Tanlac. It certainly has cured him.

Respectfully, J. T. Edwards, M.D. Mr. Gough's statement follows: "I suffered from indigestion and could not eat anything but what would hurt me. Constipation gave me a great deal of trouble also. My symptoms were indigestion, heartburn, and gas on the stomach after eating. My appetite was irregular and my food failed to nourish me. This trouble caused me to get very poor—in fact I got so thin and weak I was hardly able to go about."

"I now recommend Tanlac to everyone who is sick like I was, and wishes to take something that will help them." Tanlac is sold in Kingston by A. P. Chown, in Plevna by Gilbert Oester, in Battersea by C. S. Clark, in I.O.O.F. by E. W. Martin, in Ardlock by M. Scullion, in Sharbot Lake by W. Y. Cannon.—Advt.
