CONCEDE 48-HOUR WEEK.
And a General Toronto Strike May Be Averted.
(Canadian Press Despatch)
Toronto, May 26.—The probability of a general strike in Toronto, was greatly lessened to-day by an announcement made this afternoon that employers of the metal trades had conceded a forty-eight hour week without reduction in present pay, double pay for overtime and recognition of the principle of collective bargaining. The strikers are asking for a forty-four hour week, but it is thought they may accept the compromise this afternoon, and avoid an appeal to other trades unions for a general strike, which question is to be voted on to-night.

The LINDSAY policy of considerate SERVICE at all times prompts us to make this advance announcement in order to give our patrons the opportunity of buying BEFORE the Rise in Price. But such is not LINDSAY'S conception of fair dealing.

900 ATTENDED 21ST BANQUET

(Continued from Page 1.)
thousand had been trained in the city, and altogether sixty thousand men had been sent overseas from military district number three. This record is one to be proud of, and the city would have to make a big effort to be worthy of her sons. He welcomed the returned men, and wished them God-speed and prosperity to enjoy the fruits of the victory they had won.
The toast of the evening was that of "The 21st Battalion," proposed by W. F. Nickle, K.C., M.P., who said that it was like attempting the impossible to do justice to such a career and the successes of August, 1914, and it is hardly possible to realize that the battalion is at last home in our midst, flushed with the fruits of victory. Kingstonians have regarded the 21st Battalion as peculiarly their own. They have watched its development, its career and the successes all through the war until the forces of the enemy were thrown back. It was quite impossible, the speaker said, to say enough of the battalion in the course of a short speech, but he wished to pay a tribute to the men who paid the supreme sacrifice in the ranks of the 21st. It gave him great pleasure to propose a toast to the 21st Battalion, and to couple with it the name of Lt.-Col. Harry Pense, the commanding officer.

Lieut.-Col. Pense Cheered.
Lt.-Col. Pense, in rising to respond, was greeted with a storm of cheers. He said that he was no orator, but that he esteemed it a high honour to respond to the toast of the 21st Battalion, with which hundreds of Kingstonians have been associated during the past four years. He spoke of the origin and growth of the unit, and its work overseas under Brig.-Gen. W. S. Hughes. During the war men from all parts of Canada had served in the 21st, but it has always been peculiarly a Kingston unit. The 21st has never had a press agent, and all who were interested could read of its successes on the field. He spoke of the lonely cemeteries in France and Belgium, in which lie thirty officers and over eight hundred other ranks of the battalion. The toll has been a heavy one, but these men laid down their lives in order that the cause might triumph. He wished to thank the people of Kingston for their warm reception of the unit, and especially the ladies for the part they had taken in providing the banquet. He called upon the men to give three cheers for the city of Kingston, which they did in true soldier fashion and made the armoured ring.
Lt. Topping proposed the toast of the 21st Battalion Club, and coupled with it the name of Brig.-Gen. W. S. Hughes, whom he referred to as "Old Bill."
General Hughes, in responding, said great stress on the splendid esprit de corps of the 21st Battalion, and expressed the wish that this would be perpetuated through the club and never allowed to die out.
Brig.-Gen. V. A. S. Williams, G.O.C. of M.D. No. 3, said that he had received a message from the honorable minister of militia and defence, asking him to convey to the 21st Battalion a hearty greeting of

welcome on their return and of thanks for the part they had played in making the history of the Dominion of Canada. He said that he wished to add to that his own greetings and to assure the men of the battalion that he honoured and respected them, and that his office door was open at all times to the returned soldiers.

Presentation of Medal.
A pleasing ceremony was performed at the close of the speech-making, when Brig.-Gen. W. S. Hughes presented the Military Medal to Sergeant W. G. McCulloch, son of the caretaker of the armouries. He said that this was a signal honor for any man to be presented with this decoration under the roof of his own home, and said that it was richly deserved. Sgt. McCulloch is one of the original members of the 21st, and was transport sergeant of the battalion. The event was a great success in every way. Too much credit cannot be given to the various ladies' organizations who took part in making it a success, and to the club for the splendid manner in which it was organized. While to mention names would be superfluous, that of Lieut. George Granger must be mentioned. He was business manager of the event, and carried it through largely through his personal efforts. The club desires to thank very cordially every citizen who subscribed to the fund and so helped to make the event possible.

The following are the ladies' organizations which ably assisted in making the banquet a success: The Richardson Chapter I.O.G.E.; Nurses' Alumnae; Salvation Army; Knights of Columbus; Sydenham Street Church Ladies' Aid; St. George's Cathedral Ladies' Aid; Brock Street Church Ladies' Aid; St. Andrew's church Ladies' Aid; Queen Street church Ladies' Aid; Chalmers' Church Ladies' Aid. To these organizations the thanks of the club are due.

Will Take Civil Action.
Chas. Nickle, noted in Saturday's paper as having been arrested for failure to pay a board bill at Trenton, paid the amount in dispute to the magistrate on Saturday in order to regain his liberty and so enable him to proceed to Trenton and enter civil action, which he claims he will do. Mr. Nickle declares that he has been unjustly accused, that he has been charged with board for periods during which he was out of Trenton on business, he being an employee of the Government Explosive Works, Ltd. Mr. Nickle is a returned man and the G. V. A. have interested themselves in his behalf.

Kingston Men on Aquitania.
The SS. Aquitania docked at Halifax on Sunday. She had the following men for Kingston:

Muirhead, Pte. J. McCanday, Pte. R. Madden, Gr. J. S. Menzies, Gr. W. J. McNeill, Sergt. R. Phillips, Gr. M. Sisman, Dvr. H. Sproule, Spr. W. E. Simmons.

Macliste.
"The Liberator" is not a war picture, although "Macliste" is always in conflict of one kind or another. It is a picture of action, rather than of thrills, stunts and startling situations, supplies many a laugh when best needed; there is romance and mystery aplenty, and "Macliste" is at his best from main title to the end. Don't fail to witness this great episode of that remarkable season, commencing to-night and Tuesday at the King Edward Theatre. Usual admission.—Advt.

Inspection of Pigs.
A. W. Strickland has been spending the past week inspecting pigs in the competitive hog raising being carried on in this district. He states that there is great enthusiasm among those taking part, particularly between the keepers of the different breeds. The results will be announced later in the season. The farmers have had every possible incentive to do their best, because high prices will likely prevail on the hog market for the rest of the season.

Held Memorial Service.
At Princess Street Methodist church on Sunday evening, a memorial service was held for members and adherents of the church who had passed away during the year. There were nineteen deaths during the year. The pastor, Rev. Mr. Waddell, delivered an appropriate address, and the choir rendered two selections, "Crossing the Bar" and "The Home Land."

Pte. Arthur Byron Home.
Pte. Arthur Byron, son of Mr. and Mrs. Joseph Byron, 469 Johnson street, who went overseas in June, 1916, with the 146th Battalion, has returned to the city. On arrival in England with the Frontenac unit he was transferred to the 33rd Battalion and later to the 29th Battalion and attached to the machine gun section. One brother, Stanley Byron, was killed at the battle of Vimy Ridge.

OBITUARY

The Late Mrs. J. B. Walkem.
Augusta Betts, wife of Joseph B. Walkem, K.C., local master in chancery, passed away on Saturday morning at her residence, corner of Beverly and Union streets. She had been an invalid during the past eight years, and her death was not unexpected. The sincere sympathy of the community is offered to the bereaved husband and family.
The late Mrs. Walkem was a daughter of the late Dr. H. A. Betts, of "Calderswood." She was born in England, and came to Canada with her family in 1871. Possessing strong sympathies and generosity, she took an active interest in promoting charitable objects. She was a devout member of the Church of England, and took a prominent part in its many activities. While an accomplished musician, she was a great lover of other fine arts, and attained a high degree of proficiency in painting. Her china is known to a wide circle of friends for its beauty in color and design, making it a collection of rare value. But in the midst of her domestic and social activities she found time to extend her influence to other matters, and was associated with the late Mrs. R. T. Walkem on the board of the Orphans' Home for many years until failing health obliged her to withdraw. She held a high place in the esteem of all who knew her, and her death is felt as a loss to the city with whom she came in contact, and her death is the occasion for many expressions of regret.

Besides her husband, she is survived by one son, Lieut. Harry Walkem, M.C. C.E., late of the C. E. F., a resident engineer at Petawawa; two brothers, H. A. Betts, of this city, who is an invalid, and F. B. Betts, K.C., of London, Ont., and one sister, Miss Maud Betts, who has always resided with her, and was most devoted in her attentions throughout the period of her illness. The funeral is to take place to St. John's Church, Portsmouth, on Tuesday.
